CANADIAN HUMAN RIGHTS TRIBUNAL/
TRIBUNAL CANADIEN DES DROITS DE LA PERSONNE

HEARING HELD IN THE QUEEN ELIZABETH ROOM, DELTA EDMONTON CENTRE,
10222 102 STREET, EDMONTON, ALBERTA ON WEDNESDAY, MAY 24, 2006,
AT 9:30 A.M. LOCAL TIME

IN THE MATTER OF a complaint filed by Richard Warman dated
June 8, 2004, pursuant to Section 13(1) of the Canadian Human
Rights Act against Western Canada For Us and Glenn Bahr. The
complainant alleges that the respondents have engaged in a
discriminatory practice on the grounds of religion, sexual
orientation, race, colour, national and/or ethnic origin and
disability in the matter related to the usage of
telecommunication undertaking.

2 --- Upon resuming on Wednesday, May 24, 2006

3 at 9:30 a.m.

4 THE CHAIRPERSON: Good morning,
5 everyone. So we will get started and continue with
6 Sergeant Camp, and just before we get started, go
7 Oilers.

8 All right. Let us carry on.

9 MR. FROMM: Just a couple of
10 housekeeping matters. I am going to need some
11 direction. The Act talks about these hearings being
12 conducted in an informal fashion. I was informed
13 yesterday that we are not allowed to have coffee here
14 because these hearings are sometimes held in Federal
15 Court.

16 As this is a public hotel, I was
17 wondering if that rule could be relaxed?

18 THE CHAIRPERSON: Thank you,
19 Mr. Fromm, and in the circumstances, no. I think it
20 suits the decorum of these proceedings and from a
21 practical perspective, at the end of the day, it is our
22 overworked and underpaid registrar who is in charge
23 of --

24 MR. FROMM: I wasn't suggesting she
25 would get me the coffee.

1 THE CHAIRPERSON: No, but that is
2 where the tidying up falls, in her arena. So for a
3 practical reason, in addition to a reason of decorum, I
4 will direct that water is welcome. Other beverages are
5 not.

6 Did you have another matter,
7 Mr. Fromm?

8 MR. FROMM: Yes, we issued a subpoena
9 to Constable Kent Dahl of the R.C.M.P. detachment in
10 Red Deer.

11 THE CHAIRPERSON: Yes, I have a copy
12 of it.

13 MR. FROMM: Constable Dahl called
14 back to Ontario yesterday and I talked to him this
15 morning and he is not available this week. He said he
16 cannot make it and he is in British Columbia.

17 What we want him to do is simply
18 verify that a transcript that was made of an interview
19 with Glenn Bahr when Glenn Bahr went and complained to
20 the R.C.M.P. detachment in Red Deer about his computer
21 being hacked early in 2004.

22 He made a statement and the statement
23 was recorded --

24 THE CHAIRPERSON: Excuse me a minute.
25 I am hearing some squeaking sounds. A whistle outside

1 the door? I am sorry. Carry on.

2 MR. FROMM: The statement was -- tape
3 recording was made of Mr. Dahl's statement and his
4 dialogue with Constable Dahl. A copy has been made of
5 that and all we wanted Constable Dahl here for was
6 simply to present this in evidence to verify that is a
7 true statement of the complaint and the dialogue
8 between us. That is all we need him for.

9 THE CHAIRPERSON: Thank you.

10 I wonder, Counsel, if you would be
11 amenable to receiving an Affidavit from the constable
12 attesting that that statement is a true statement? Can
13 I hear counsel on that?

14 MR. VIGNA: Can I speak with
15 Mr. Warman on that.

16 THE CHAIRPERSON: Have a little chat.

17 MR. FROMM: Incidentally, in looking
18 at alternatives, he said he would be available Friday
19 or he said he would be more than happy to present an
20 Affidavit that the transcript was a true copy of what
21 had happened.

22 THE CHAIRPERSON: What do you think?

23 MR. WARMAN: Madam Chair, provided it
24 is a full copy of the interview and not excerpts of it,
25 that is acceptable.

1 THE CHAIRPERSON: Is that acceptable,
2 Mr. Fromm?

3 MR. FROMM: It is a full copy.

4 THE CHAIRPERSON: So it will be a
5 full copy of the transcript and we will allow the
6 officer, then, to swear an Affidavit identifying that
7 that is a true copy of the statement that was taken.
8 Is that acceptable?

9 MR. VIGNA: It is acceptable. Just
10 need to verify it before, read it.

11 THE CHAIRPERSON: I am sorry?

12 MR. VIGNA: I would like to see it
13 beforehand. I would like to at least see it.

14 THE CHAIRPERSON: Well, do you have a
15 copy of the statement with you now, Mr. Fromm?

16 MR. FROMM: Yes, I do.

17 THE CHAIRPERSON: Would you give it
18 to your friend and perhaps you can look at it during
19 the break and you can let me know if there is a
20 problem.

21 MR. FROMM: I have to find it.

22 MR. VIGNA: There shouldn't be a
23 problem, but I would like to at least have a glance at
24 it.

25 THE CHAIRPERSON: Sure. So thank

1 you, we will get back to you as soon as possible.

2 Now, the other alternative, are you
3 saying this officer is available this Friday?

4 MR. FROMM: Yes.

5 THE CHAIRPERSON: We might be able to
6 accommodate that as well.

7 MR. FROMM: This is really all we
8 need him for. We want to be able to present this in
9 evidence, the statement, which speaks for itself and
10 verifies that Mr. Bahr was worrying about -- talking
11 about his computer being hacked long before this
12 complaint was made, long before the arrest, anything
13 like that.

14 THE CHAIRPERSON: I understand,
15 Mr. Fromm, and I also understand counsel's concern.
16 Ordinarily witnesses are available precisely for the
17 purpose of cross-examination and if your friend sees
18 something in the statement that he would like to ask
19 the officer about, he will let us know and perhaps we
20 can make arrangements to reorganize the schedule to
21 ensure that your officer is here Friday.

22 So just get back to me after the
23 break as to how you want to proceed on that matter.

24 Anything else, Mr. Fromm?

25 MR. FROMM: No. Just by way of

1 explanation, Mr. Bahr, on Mr. Christy's instructions,
2 is taking a communication on his behalf to the Crown
3 prosecutor and to the Clerk of the Court.

4 THE CHAIRPERSON: Thank you.

5 *PREVIOUSLY SWORN: STEPHEN CAMP

6 *EXAMINATION BY MR. VIGNA

7 MR. VIGNA: Sergeant Camp, under the
8 same oath from yesterday, before going to where we left
9 off on the website, I would just like to ask you for
10 clarification purposes, in order to access this website
11 in question, you mentioned yesterday the address of the
12 website. Is there other website or other address,
13 internet addresses which can also have access to the
14 same website?

15 MR. CAMP: You can go on Google and
16 type in Western Canada For Us and get access to that
17 website at that time. There is www.WCFU.com and then
18 there is another one [WesternCanadaForUs](http://WesternCanadaForUs.com) -- all one
19 word -- dot com as well.

20 MR. VIGNA: When we talk about mirror
21 website, what does that mean?

22 MR. CAMP: A mirror website? I don't
23 know. Are you talking about this picture here? This
24 is, I guess, again, technologically speaking, it would
25 be a mirror of the website taken at the time. I call

1 it a picture of the website taken at the time of May
2 7th.

3 MR. VIGNA: Okay. The other question
4 I had for you is in terms of the -- yesterday we
5 listened to a radio show right before the end of the
6 adjournment.

7 MR. CAMP: That's correct.

8 MR. VIGNA: Was there also another
9 type of media interview that you saw other than the
10 radio show? Was there a TV show?

11 MR. CAMP: I mentioned yesterday
12 there was an interview. It was -- sorry. There was a
13 news story, I think it was the 6:00 news on the date of
14 the Anne McLellan Free Ernst Zündel protest out of her
15 constituency office and that evening there was, I
16 guess, a news article on the protests and Glenn Bahr
17 was interviewed on ITV news. That is one I watched.

18 MR. VIGNA: I would refer you to Tab
19 8 on the same topic, the Investigation Report.

20 MR. CAMP: Okay.

21 MR. VIGNA: Paragraph 19.

22 THE CHAIRPERSON: What page is that,
23 Counsel?

24 MR. VIGNA: Page 20, 20 of 32.

25 MR. FROMM: 2-0?

1 MR. VIGNA: Yes, 20 of 32.

2 That paragraph there, is it in
3 relation to the radio show? Is there anything that you
4 took note of in relation to the -- not the radio show
5 only, but the TV show?

6 MR. CAMP: Yeah, I mean, like I said,
7 the newscast -- it says here:

8 "The newscast was broadcast at 6
9 p.m. on March 31st. I have seen
10 this interview and have a copy
11 of it preserved on video tape.
12 The recording was obtained
13 directly from Global TV. In the
14 broadcast, a typewritten..."

15 -- it should be segment -- at the
16 bottom of the screen is "Glenn Bahr."

17 And it goes on to say:

18 "Glenn Bahr states the
19 following: 'I don't think there
20 is anything wrong with being
21 aware of our racist future and
22 being a minority in Canada.'"

23 MR. VIGNA: All right. You can
24 continue where we left off yesterday by going to the
25 website.

1 MR. CAMP: Okay.

2 I just want to bring -- I would like
3 to bring to Madam Chair's attention on the Peter Warren
4 show yesterday that we listened to. There was talk of
5 other chapters in Canada.

6 I just want to bring to your
7 attention the home page here of Western Canada For Us.
8 On this paragraph, the third paragraph, the bottom
9 line:

10 "Each western province is headed
11 by a chapter providing local
12 support and membership."

13 However, it states:

14 "The Alberta Chapter is the head
15 chapter of WCFU. This is where
16 all final decisions are made."

17 Again, we were observing a chapter.
18 There was talk on the forum of a chapter being built in
19 British Columbia, another one in Manitoba, and on the
20 website here, you'll see there is a B.C. Chapter, I
21 will try to bring up for you. British Columbia Chapter
22 here.

23 We are aware of these chapters being
24 built, however, what we want to bring to your attention
25 again is that on this portion right here:

1 "If you'd like to write to WCFU
2 or make a donation, send cheque,
3 money order or well concealed
4 cash to our head office."

5 Again, our head office, WCFU on Whyte
6 Avenue, again. Just trying to show, Madam Chair that
7 the -- again, the control of the WCFU was, again, being
8 brought back to Alberta, the same box number that was
9 seen on Glenn Bahr's business cards that were being
10 distributed and other pieces of literature on the
11 website and on pamphlets.

12 THE CHAIRPERSON: You described
13 yesterday, Sergeant Camp, that Suite 306 is just a post
14 box?

15 MR. CAMP: That is correct.

16 THE CHAIRPERSON: It is not an
17 office.

18 MR. CAMP: That is correct. I didn't
19 go to that place myself. I had the beat constables on
20 Whyte Avenue check that out for me and that is the
21 information they gave me.

22 Again, just to reiterate, I will
23 bring this up here. I am trying to show here that
24 Glenn Bahr is the WCFU president and Alberta Chapter
25 head. This address as well and all final decisions are

1 made through this chapter, the Alberta Chapter.

2 If I could, Madam Chair, I would just
3 like to go over a few highlights of the Peter Warren
4 Show yesterday, unless you basically got the full
5 content of the conversation between Peter Warren and
6 Glenn Bahr.

7 THE CHAIRPERSON: Carry on.

8 MR. CAMP: What I noticed on the
9 interview between Peter Warren and Glenn Bahr is that
10 Glenn Bahr is introduced on the show as the founder and
11 president and there is discussion on the show about his
12 website.

13 There is explanations on -- by Glenn
14 Bahr on what the WCFU stands for, defending their
15 philosophies. There is conversations in regards to
16 what he claims on the website and his response by Glenn
17 Bahr in regards to what he is claiming on the website.

18 There is a conversation that occurs
19 where Peter Warren explained to Glenn Bahr that, "on
20 your website you can fake a password and get on that
21 site, it is very easy to do," and Glenn Bahr responds,
22 "right," basically saying that Peter Warren is correct.
23 It is basically accessible to anybody.

24 And there is conversation between
25 Warren and Glenn Bahr about the links on the -- what

1 Peter Warren, I think, refers to as white supremacy
2 sites and Glenn Bahr responds that it is a resource
3 centre, his site, again, talking about the site and the
4 type of content they want to have linked into that
5 site.

6 He also mentions with the caller
7 named Richard, there is conversation between Richard
8 and Glenn that he is noted as SS-88 on the website, and
9 then Glenn Bahr states that he is called Glenn on the
10 website.

11 I want to highlight that, because I
12 will show you as the -- we peruse this website when we
13 get into the hate that there is a lot of posts by
14 Glenn. And prior to that there is posts by SS-88
15 before changing his acronym to Glenn.

16 Also of note was the conversation
17 between Richard and Glenn Bahr about the content on the
18 forum and that Richard was complaining that Glenn bans
19 people from the forum. At one point Glenn Bahr states,
20 of course I am going to ban them. And content of that
21 conversation was about, I guess, violent rhetoric or
22 profanity.

23 MR. VIGNA: Sergeant Camp, do you
24 remember in the interview at one point Mr. Bahr says to
25 one of the callers, you are not 'X', I don't remember

1 the name, but you are Peter Kouba.

2 MR. CAMP: Right.

3 MR. VIGNA: Can you explain who those
4 individuals are?

5 MR. CAMP: Peter Kouba, he was a
6 member of WCFU and when the WCFU website went up and
7 the organization was formed, from the rhetoric that
8 occurred between a number of the persons on that
9 website, it appeared that Peter Kouba and Glenn Bahr
10 had a major falling out and Peter Kouba was banned from
11 the website.

12 MR. VIGNA: And I believe Peter Kouba
13 was one of the witnesses you interviewed later?

14 MR. CAMP: That is correct.

15 MR. VIGNA: So continue from where
16 you were on the website.

17 MR. CAMP: Okay. Madam Chair, we are
18 getting close to the end of trying to link Glenn Bahr
19 to the WCFU website, so I am just going to bring you to
20 a few highlights from the website on May 7th. I am
21 going to bring you down to page 198.

22 What we have here is the pamphlets
23 that were being distributed in Leduc on the WCFU
24 website. What you will notice is the -- not only the
25 pamphlet, but again, the address of the box office and

1 e-mail. Sorry, not the e-mail but the website address.

2 MR. VIGNA: You are referring to
3 HR-7, I believe.

4 MR. CAMP: I am sorry?

5 MR. VIGNA: You are referring to HR-7
6 for the record, the pamphlets that were sent to you by
7 the Leduc constable.

8 MR. CAMP: Right.

9 MR. VIGNA: They were produced under
10 HR-7.

11 MR. CAMP: That is correct.

12 MR. VIGNA: I am just mentioning it
13 for the purposes of the record.

14 MR. CAMP: Yeah, that is correct.

15 MR. VIGNA: That is what you are
16 looking at on the website right now?

17 MR. CAMP: This is page 198 and I am
18 presuming this is where the pamphlets were pasted on
19 the website and downloaded for print and they use the
20 downloads to print out copies to distribute.

21 To bring you to another page in
22 the -- page 205 on the website. Actually, I will bring
23 you to 203. This is what you can tab into. If you
24 pull up this portion of the website, at the time you
25 could go into this title "Generic WCFU Cards" and it

1 will bring you right to the Western Canada For Us
2 business cards, but what is of note here is the author
3 here is Glenn Bahr.

4 Then I will bring you down to the
5 actual -- again, page 205, Generic WCFU Cards, Glenn
6 Bahr is the author. But it says here:

7 "Generic WCFU cards ready for
8 print. Take PDF into a print
9 shop. I had 500 cards printed
10 and cut for \$70."

11 MR. VIGNA: Is that the business card
12 we produced under HR-5, Tab 16?

13 MR. CAMP: Yeah, there is actually a
14 picture of it here on page 207. There we are there.

15 Again, from that comment that was
16 made previously about distribution, this looks like,
17 again, you print up and cut them and then distribute,
18 which, I guess, correlates in some way to the -- make
19 sense since there was business cards being circulated
20 in Old Strathcona and this is the community that Glenn
21 Bahr lived in at 106 and 80th Ave.

22 MR. VIGNA: Now you are on page 207
23 of the website, correct?

24 MR. CAMP: That is correct.

25 MR. VIGNA: Sergeant Camp, just

1 mention each time the page you are on so the record
2 will reflect it and it will be easier to follow the
3 transcripts later on.

4 MR. CAMP: Thank you.

5 Okay, I am going to bring you down to
6 page 210. This may be a duplicate here, I think, of
7 what we talked about yesterday. Yes, it is. Again,
8 those are just the pictures that are posted by Glenn.

9 MR. VIGNA: That is page 210?

10 MR. CAMP: That is correct.

11 Then going to the forum section, the
12 discussion forum, the pages actually start on page 330.

13 Actually, they start a bit earlier,
14 but what I am going to show you here are some of --
15 sorry, Madam Chair. I will get to 330 here.

16 What you will see, I am not going to
17 take you through every single one of these because
18 there is just so many, but what I am highlighting here,
19 again, to show that there is a link towards Glenn Bahr
20 and his content control of the website, as you see
21 SS-88 is the author of this post and also the head
22 administrator.

23 I want to note, as well, the flag
24 that is being used here because, as the posts by SS-88,
25 who is noted as the head administrator, continue, he

1 does actually change his acronym from SS-88 to Glenn,
2 G-L-E-N-N.

3 MR. VIGNA: Now you are on page 330
4 of the website?

5 MR. CAMP: This is page 330.

6 MR. VIGNA: Title is "Zündel Doesn't
7 Warrant Security Certificate"?

8 MR. CAMP: That is correct. Again,
9 what SS-88 does in a number of these posts, and I will
10 just show you a few of them, is he will paste a copy of
11 a news article, usually along the lines of immigration
12 issues, Zündel, racial issues, religious issues, and
13 the post seems to be as the hundreds of them go
14 through -- not the hundreds, but the hundred or so that
15 go through, to invoke or there to be provocative to
16 invoke discussion on the forum.

17 Some posts will -- there will be not
18 much discussion after the post after the news article,
19 and sometimes there will be a fair amount, depending on
20 the content.

21 So, again, SS-88, a long post. So a
22 number of these pages have the moniker of SS-88 as the,
23 again, head administrator where a thread starter will
24 start as a topic. "Edmonton Meeting a Smashing
25 Success," for example, where they will paste a copy of

1 the story.

2 So I won't go through all of these,
3 but I want to just highlight a couple on page 386.
4 Sometimes there will be a post that starts on location,
5 either discussing location of a meeting and towerDB is
6 the author of this thread starter and then there is
7 subsequent responses.

8 Again, not only does SS-88
9 proactively post articles and conversation pieces, he
10 actually takes part in discussion which shows to me
11 that he is not just pasting but he is actually taking a
12 look at the site and monitoring the discussions that
13 are taking place as well.

14 I will take you down to page 404
15 where there is discussion about business ideas for
16 Whiteville.

17 MR. VIGNA: Can you read a bit the
18 contents of this discussion?

19 MR. CAMP: WhiteEuroCanadian
20 suggests:

21 "What kind of business would you
22 like to see in Whiteville? What
23 businesses do you think are a
24 must for a prosperous community?
25 What should be built first?"

1 What should be our prioritys?"

2 Basically putting it out there asking
3 a question to the people involved in discussion on the
4 forum.

5 Again, what is interesting to me is
6 that, not only, again, is SS-88, he is not just posting
7 things for discussion, he is actually taking part as a
8 head administrator in discussion, which brings to me
9 knowledge of the content of the forum.

10 MR. VIGNA: That is the blurb where
11 it says:

12 "I think it would be a great..."

13 MR. CAMP:

14 "I think it would be great to
15 start a pub. That would bring
16 in a lot of revenue for
17 Whiteville."

18 MR. FROMM: And what page is that?

19 MR. CAMP: Page 404.

20 MR. VIGNA: Were you able to --
21 sorry, Sergeant Camp. Where it says WhiteEuroCanadian,
22 do you know who that is?

23 MR. CAMP: We think it might be the
24 old proud18, which is Peter Kouba.

25 MR. FROMM: What is the date of that

1 post?

2 MR. CAMP: Tuesday, March 9th, 2004.

3 Madam Chair, the dates will be posted
4 on this forum on this site.

5 Again, there is a number of posts
6 that are started by SS-88. I am just going to peruse
7 down a little bit in regards to this conversation.
8 What I am trying to show as well is that it is not just
9 SS-88 that begins a thread to provoke conversation,
10 like this one here.

11 Again, as we see, the content of the
12 material that is posted is usually, like I said, on
13 immigration issues, racial issues, religious issues in
14 Canada, but also that he responds to posts. I will
15 give you another example. On page 462, where there is
16 an anonymous author here, person named Phoenix, I
17 guess, is introducing himself to the WCFU, who this
18 person is, and then SS-88 responds:

19 "I am honoured to be in your
20 presence, Phoenix. Thank you
21 for the introduction. It was
22 well worth the wait."

23 And the conversation by Phoenix is
24 about being a national socialist and that:

25 "Books that have inspired me are

1 White Power, This Time the World
2 by Commander George Lincoln
3 Rockwell, who is the author of
4 White Power. Mein Kampf."

5 Et cetera.

6 MR. VIGNA: That is page 462?

7 MR. CAMP: Yes.

8 Again, SS-88 responds. Actually, it
9 looks like he is quite excited to meet Phoenix and,
10 again, he is the head administrator.

11 Continuing to another page, 523.

12 What you see here is this is a post now by Glenn on
13 April 6th, it is further on into the -- it is a month
14 after the website being established. He has now moved
15 over to Glenn. The moniker is the same, head
16 administrator. Notice here on this subject matter they
17 are talking about their favourite sayings on this
18 discussion thread.

19 What you see is:

20 "My honour is my loyalty.

21 Heinrich Himmler, SS

22 Reichsführer."

23 Which is similar to a number other of
24 posts by SS-88 on Stormfront.org when he was
25 introducing the concept of the WCFU website and

1 formation of a Western Canada For Us.

2 MR. VIGNA: And that is on page 523?

3 MR. CAMP: 523.

4 MR. VIGNA: So if you look at that --
5 what you just described there, it is pretty much the
6 same as the other postings, except for the Glenn
7 replaces SS-88?

8 MR. CAMP: That is correct. And just
9 to note, on the Peter Warren Show, Glenn Bahr does say
10 that he goes by Glenn on the website. The Peter Warren
11 Show was in -- I think it was April. I would have to
12 double check the exact date.

13 MR. VIGNA: On your -- if you look at
14 your Investigation Report, Tab 8, page 20, which you
15 looked at earlier, paragraph 19.

16 MR. CAMP: Yeah, it was late March
17 2004.

18 I will take you to Tab 5 -- on page
19 596. Again, this is not the one I wanted to look at,
20 but I could go through all of the posts and you will
21 see so many with Glenn or SS-88 starting a post or
22 starting a thread with a post.

23 Again, I am going to go to page 596.
24 I am just going to go to what this -- basically this
25 person Exterminance begins a thread with posts titled

1 "Winds of War," discussing issues that Stormfront.org
2 is having.

3 MR. VIGNA: They talk about
4 Jewishwatch in that posting. Are you familiar with
5 that website?

6 MR. CAMP: I have only looked at it a
7 few times over the course of my history in Hate Crimes
8 Unit. It is a -- what I would consider an anti-Semitic
9 site. I don't know who the administrator of that
10 website is. From my recollection, it is just a site
11 that monitors what I would say Jewish community
12 internationally for the sake of preserving the white
13 race. In other words, they will really focus in on
14 Jewish persons that are leaders in business, banking,
15 politics. It seems to be a site that wants to prove
16 that there is a Jewish conspiracy to take over the
17 world.

18 Again, the reason I wanted to show
19 you this thread starter was to show, again, that Glenn
20 does also respond to and involve himself in discussion.
21 This one it says:

22 "In regards to those issues that
23 Exterminance talks about, this
24 is horrible news. Without the
25 internet, our fight will be much

1 harder and networking is going
2 to be almost impossible. Thanks
3 for the information, Bill. I
4 was wondering what happened to
5 Stormfront."

6 I will take you to page 604. It is a
7 post by Glenn as the head administrator, an article
8 Ernst Zündel's, I guess, fight at this time to stay in
9 Canada, and on this thread -- so I just wanted to show
10 that, again, it is posted as Glenn.

11 MR. VIGNA: This is page 607?

12 MR. CAMP: It started on page 604 and
13 goes down to 607, and another one on 608 by Glenn in
14 regards to David Duke.

15 MR. VIGNA: Can you read us a bit of
16 this article of Dave Duke. You mentioned yesterday
17 David Duke?

18 MR. CAMP: Yeah, David Duke is what
19 is considered by many a well -- he is notoriously --
20 has quite a reputation as a white supremacist, ex-KKK
21 member and leader. Again, the reason I show this post
22 is that not only is SS-88 using that moniker Glenn, as
23 well, from what we are able to extract, they are one
24 and the same, Glenn and SS-88.

25 MR. FROMM: What page is that?

1 MR. CAMP: That thread starter was on
2 page 608.

3 MR. FROMM: To 610?

4 MR. CAMP: That's right.

5 MR. VIGNA: In terms of the contents
6 of that posting, Sergeant Camp, can you read us a bit
7 and give us a bit of the highlights, for example, right
8 near the end "as you know."

9 MR. CAMP: Well, when I read this
10 one, it was apparent to me that David Duke had written
11 an article from prison and mentioned it on the 16th of
12 May, 2004:

13 "I'll finally be released from
14 the American gulag. I urge you
15 to meet with me two weeks later
16 on Saturday, May 29th.

17 Activities and leaders from
18 America and around the world
19 will come to New Orleans for a
20 weekend European-American unity
21 and leadership conference.

22 Speakers will include many
23 dynamic leaders, activists and
24 scholars who have dedicated
25 themselves to our

1 European-American rights and
2 heritage, anti-Zionism and
3 revisionism."

4 Third paragraph mentions:

5 "As you know, I am the only
6 openly pro-European and
7 anti-Zionist political candidate
8 in recent times who twice won
9 over 60 percent of the white
10 American vote in major
11 elections."

12 On this one here, I will go up to the
13 thread starter.

14 MR. VIGNA: Page 617.

15 MR. CAMP: Page 617. It looks as if
16 the thread is an idea hatched by Phoenix, start of
17 thread to keep everybody informed here in Canada
18 "concerning our fellow kinsmen, racial struggle in
19 Great Britain." It discusses what is happening with
20 the BNP, or the British National Party.

21 What is of note here is the -- again,
22 the reason I am showing this is to show that Glenn is
23 also involved in discussion saying:

24 "Thank you for the updates. I
25 will make this a sticky so you

1 can add updates."

2 Sounds like Glenn is going to open up
3 what is called a sticky on the website so people can
4 add information onto his website in regards to this
5 issue.

6 MR. VIGNA: That slogan right below
7 in red there, what does it mean? Can you read it to us
8 first and then tell us if you can understand what is
9 implied?

10 MR. CAMP: The one that says:

11 "We pledge our trust and loyalty
12 to each other and our race."

13 MR. VIGNA: Yeah.

14 MR. CAMP: What does it mean? I
15 guess it means just what it says. Where the quote came
16 from, I am sure it is not Glenn. Probably taken from
17 somebody else. I am not sure if that would be Adolf
18 Hitler, Heinrich Himmler, Goren, Alolf Eikman. I am
19 not quite sure.

20 THE CHAIRPERSON: Sir, I notice --

21 MR. FROMM: I have got to object to
22 this.

23 THE CHAIRPERSON: I am sorry?

24 MR. FROMM: I have to object. The
25 expression of hostility to Mr. Glenn -- Mr. Bahr is

1 really intolerable. The comment that, I am sure he
2 didn't originate, it was maybe Adolf Hitler, maybe
3 somebody else. If Sergeant Camp knows who originated
4 it, that is one thing, but I think we can present the
5 evidence without further slandering my client.

6 THE CHAIRPERSON: Okay.

7 Sergeant, under where it says "head
8 administrator," it says "posts 475." From what you
9 have reviewed this website, does that mean that Glenn
10 has 475 posts --

11 MR. CAMP: That is correct.

12 THE CHAIRPERSON: -- on the site up
13 to that point, being the 4th of May?

14 MR. CAMP: That is right, on websites
15 that have discussion forums such as Stormfront.org or
16 like this one here, WCFU.com, there will be a
17 chronology of posts that are tabulated through time.

18 For example, we saw the post on
19 Phoenix where he introduced himself, or he or she. As
20 you look down below here, this is a new member, he has
21 only got ten posts at that time. Where if you go back
22 to that intro, that is probably post one.

23 THE CHAIRPERSON: Thank you. And I
24 would ask you to be cognizant of the fact that --

25 MR. CAMP: I am sorry.

1 THE CHAIRPERSON: -- our respondent
2 is in the room and treat him with respect.

3 MR. CAMP: Absolutely.

4 THE CHAIRPERSON: Let us carry on.

5 MR. CAMP: I will take you to page
6 664. It is an introduction by a person named Canadian
7 Aryan, and a response by Glenn.

8 MR. VIGNA: Can you go back to the
9 page right before and look at the symbol that is on
10 that. Right before.

11 MR. CAMP: This page here?

12 MR. VIGNA: Yeah. The symbol that
13 is --

14 MR. CAMP: The swastika?

15 MR. VIGNA: Yeah.

16 MR. CAMP: Yeah, it says National
17 Socialist and that is a swastika, that is correct, the
18 official emblem of the Nazi party in Germany when they
19 came to power in 1933.

20 THE CHAIRPERSON: Sergeant, you may
21 not be able to answer this right now, but perhaps you
22 could take a look, if you can. When the posts changed
23 from SS-88 to Glenn, did the number of posts -- numbers
24 start over? Did it go back to zero or not?

25 MR. CAMP: One thing I didn't do is

1 to see where that change took place.

2 THE CHAIRPERSON: Maybe if you have
3 some time to take a look at that at the break.

4 MR. CAMP: Sure, I can look at that
5 later. Yeah.

6 The reason I am bringing you to this
7 post is for a couple of reasons. Glenn, again,
8 responds to the content.

9 MR. VIGNA: That is page 665, 64?

10 MR. CAMP: This is page -- it starts
11 on 664 and moves over to 665 where Glenn responds again
12 and then moves down again to 666. Or sorry, 665 again.

13 The reason this was of note to me,
14 there was a post on Stormfront.org in regards to the
15 ARA and the alleged or, I guess, harassment by the ARA
16 onto Glenn Bahr and one of the posts at the end of it
17 says the same comment here:

18 "Freeeeedooooommmmm."

19 MR. VIGNA: Freedom is spelled in a
20 particular way, right?

21 MR. CAMP: Yeah, it looks like "free
22 doom." Like I mentioned yesterday during the posts on
23 Stormfront.org, when SS-88 was talking about the ARA
24 and their attacks and harassment on him when he was
25 trying to establish the Western Canada For Us and he

1 was trying to facilitate that meeting at the Kneehill
2 Community Hall.

3 On page 738, I just wanted to show
4 this was, again, Glenn's response to a thread about St.
5 Patty's day. Everybody is just basically wishing
6 themselves a happy St. Patty's day.

7 There is a comment here by toth:

8 "Story I had to share.. got in
9 to work today, not even
10 realizing it was St. Patricks
11 day. First thing I saw was a
12 lebanese woman with a hat that
13 said, 'On Saint Patricks Day,
14 I'm Irish!'

15 Realizing then it was St.
16 Patty's, and being a bit
17 perturbed by the hat I went to
18 get changed and saw an east
19 indian and a nigerian both with
20 the same, 'I'm Irish!' Hats.

21 It's truly a magical day
22 that can make a nigerian irish,
23 while retaining their simian
24 features."

25 And SS-88 here responds. Again, to

1 show that he is not just posting for provocative
2 discussion but also engaging in discussion on the site,
3 which leads me to believe he is aware of content on the
4 site and the forums.

5 MR. FROMM: I was wondering if you
6 could just scroll back to toth?

7 MR. CAMP: Sure.

8 MR. FROMM: And what page is that?

9 MR. CAMP: Page 737.

10 MR. FROMM: And what is that under
11 toth's name?

12 MR. CAMP: Moderator.

13 Madam Chair, there is a number of
14 other posts that have either SS-88 or Glenn. Again, we
15 are just trying to show at this point the links between
16 Glenn and SS-88 and WCFU.

17 There is just a couple more points I
18 want to make in regards to this issue.

19 At this point in the investigation,
20 after reviewing not only the links that we had that
21 shows that Glenn Bahr is the WCFU website content
22 controller and that there is actually hate propaganda
23 on the website, we brought that information to a Judge,
24 a Provincial Court Judge.

25 The reason that information was

1 brought to the Judge was to get judicial approval to
2 conduct a search warrant at the residence of Glenn Bahr
3 on Section 319(2) of the Criminal Code, that being
4 willful promotion of hatred.

5 MR. VIGNA: On that issue, Sergeant
6 Camp, I would refer you to Tab 15 of the book of
7 documents. I would like you to look through those
8 documents and tell us if you recognize the document and
9 if they are in connection to what you just mentioned.

10 THE CHAIRPERSON: I am sorry, what
11 tab was that?

12 MR. VIGNA: Fifteen of the book of
13 documents.

14 THE CHAIRPERSON: Oh, 15. Thank you.

15 MR. CAMP: The first page is the
16 warrant that was signed by Judge Peter Caffaro after
17 reviewing the content. And the second page and the
18 pages that follow are actually the information that was
19 put forward to Judge Caffaro.

20 MR. VIGNA: That is what you
21 prepared?

22 MR. CAMP: Yes, sir.

23 MR. VIGNA: If I look at the format,
24 it seems to be very similar to your Investigation
25 Report.

1 MR. CAMP: Yeah, that is correct.

2 MR. VIGNA: The date of the warrant
3 was May --

4 MR. CAMP: May 7th, 2004.

5 On that date, I executed the search
6 warrant at the residence of Suite Number 1 at
7 10644-80th Avenue, the residence of Glenn Bahr, and on
8 that date, I had an opportunity to have a discussion
9 with Glenn Bahr.

10 MR. VIGNA: I would like to file,
11 Madam Chair, at this point, the search warrant, since
12 he has been talking about it and come back to it later
13 in regards to the circumstances of the execution of the
14 warrant.

15 THE CHAIRPERSON: Okay.

16 THE REGISTRAR: Just the search
17 warrant?

18 MR. VIGNA: The entire search warrant
19 and the documents that accompany it. Maybe you could
20 describe the last pages also, what they represent and
21 then we can file.

22 MR. CAMP: Sorry, what?

23 MR. VIGNA: The documents contained
24 in the exhibit, what is that?

25 MR. CAMP: I am sorry?

1 MR. VIGNA: Tab 15.

2 MR. CAMP: M-hm.

3 MR. VIGNA: Looking at the whole tab,
4 flip through the pages. The last pages are what?

5 MR. CAMP: Well, there is an
6 additional copy of the search warrant and the last
7 pages are the -- I guess the exhibit log of the items
8 that were taken out of Glenn Bahr's residence on that
9 date. And the exhibit log was prepared by constable
10 Dave Huggins. He was responsible for search and
11 seizing the exhibits in there.

12 The main exhibits we were going in
13 for were the computer hard drives inside that
14 residence.

15 MR. VIGNA: And you were present
16 during the search, the execution of the search warrant?

17 MR. CAMP: That is correct.

18 MR. VIGNA: So I would like to file
19 the entire document at Tab 15.

20 THE CHAIRPERSON: Yes, go ahead.

21 THE REGISTRAR: The Warrant to Search
22 dated May 7, 2004, signed by Judge Peter M. Caffaro
23 with attached information to obtain a search warrant
24 prepared by Constable Stephen Camp and attached exhibit
25 logs will be filed as Commission Exhibit HR-10.

1 * EXHIBIT NO. HR-10: Warrant to
2 Search dated May 7, 2004, signed
3 by Judge Peter M. Caffaro with
4 attached information to obtain a
5 search warrant prepared by
6 Constable Stephen Camp and
7 attached exhibit logs

8 MR. VIGNA: On the same issue, since
9 we are there, I understood from your testimony that
10 there was photos that were taken?

11 MR. CAMP: Yeah, there were photos
12 taken of some of the seized property that were --

13 MR. VIGNA: We will come back to it
14 later, but let's file the photos at this point.

15 I will show you the photos and you
16 tell us if you can recognize the photos and if they are
17 in connection with the search warrant.

18 MR. CAMP: Yes, these are -- and the
19 first -- well, we will go through it quickly page by
20 page. It is a flag with the iron cross and the
21 swastika.

22 The second page is the swastika with
23 the insignia of the National Socialist Party, or the
24 Nazi party. Third White Pride Worldwide flag. The
25 next one is a swastika with the eagle and the swastika

1 surrounding the four corners of the encircled swastika.

2 The next one, iron cross with the
3 eagle on a flag. Next one is a flag, similar to the
4 moniker, actually, on the website.

5 The next one is a flag of totenkopf
6 or the death head. This was a symbol that is used by
7 the SS members that were responsible for guarding the
8 concentration camps, transit camps, slave labour camps
9 and death camps in Europe during the Germany's
10 occupation.

11 The next flag is the SS bullets that
12 you see predominantly on the members of the SS under
13 Heinrich Himmler. National Socialist or the Nazi flag,
14 the Nazi party during Hitler's reign.

15 MR. FROMM: Sorry, which page? I am
16 not quite sure which page we are on in HR-11.

17 MR. VIGNA: He is showing you the
18 photograph, Mr. Fromm.

19 MR. FROMM: Yes, I know, but which
20 one?

21 THE CHAIRPERSON: We are on the tenth
22 page in. So he was just discussing the ninth page.

23 MR. CAMP: The next flag is -- has
24 the swastika, the death head or totenkopf, the SS
25 bullets and the iron cross.

1 The next one has the SS lighting
2 bolts and the death head again, or totenkopf.

3 The next page is a picture of two
4 computers that were seized.

5 MR. VIGNA: That were seized in which
6 apartment?

7 MR. CAMP: Suite Number 1 at
8 10644-80th Avenue, residence of Glenn Bahr.

9 Next page is posters that were found
10 in there of -- that were submitted as an exhibit, the
11 "unwanted" posters.

12 MR. VIGNA: That is the exhibit HR --

13 THE CHAIRPERSON: 17. It is Tab 17.
14 It doesn't look as though Tab 17 has been entered as an
15 exhibit yet. You might want to attend to that at some
16 point.

17 Sergeant, it looks as though there is
18 more than just posters in this photograph. It is kind
19 of hard to see, but it would appear that there is
20 newspaper articles, some posters and perhaps you can
21 tell me if what looks to be underneath the posters are
22 other copies of the same poster.

23 And then there is something in the
24 top left, if you could describe this.

25 MR. CAMP: The top left, I am not

1 sure what that is.

2 THE CHAIRPERSON: Not sure?

3 MR. VIGNA: Madam Chair, can I see
4 HR-4? I think it was the same thing as Tab 17, HR-4.
5 It is a three-page document.

6 THE CHAIRPERSON: Yes, you are right.
7 It is.

8 MR. VIGNA: Is this the same as --

9 MR. CAMP: Yeah, there was a small
10 pile of those documents in Glenn Bahr's residence, that
11 is correct.

12 MR. VIGNA: So that is the third page
13 of HR-4.

14 MR. CAMP: Sure.

15 The documents to the right is
16 newspaper articles that were cut out.

17 The next page there is some books
18 that were found there, "Your Heritage." The one to the
19 right of that one, "Knight of the Crown," and that
20 symbol in the middle there is the symbol of KKK, the
21 cross and the blood drop.

22 MR. VIGNA: Where?

23 MR. CAMP: It is on the book that is
24 titled Knight of the -- I think it says Crown. I could
25 be wrong. "Knight of the Cross." Sorry.

1 MR. VIGNA: Sergeant, if you look at
2 the book right beneath it, the SS there.

3 MR. CAMP: SS culture.

4 MR. VIGNA: Yeah.

5 MR. CAMP: Right.

6 MR. VIGNA: The symbol, is it the
7 same symbol used by SS-88?

8 MR. CAMP: Well, he uses the SS in
9 his moniker.

10 MR. VIGNA: The shape of the 'S'
11 and --

12 MR. CAMP: I will have to check here.
13 That is the way it is utilized as the moniker. It is
14 not the same as the lightning bolts.

15 Another book in the bottom left of
16 National Socialism with the swastika.

17 On the next page, book Called "White
18 Power" by George Lincoln Rockwell. The one to the
19 right I can't read. Bottom left "Might is Right."
20 Bottom right, the "Nazi-Sozi" by Dr. Joseph Goebbels.

21 Now, Joseph Goebbels was a member of
22 Hitler's party and he was the propaganda minister,
23 Joseph Goebbels.

24 Next page, "Mein Kampf" on the top
25 left, and I can't read the three books that are there

1 as well.

2 THE CHAIRPERSON: Would the book
3 titles be identified in the exhibit log? I am not
4 asking you to cross-check them, but I just wonder?

5 MR. CAMP: I could check on the
6 break.

7 The next page we have the "Turner
8 Diaries." "Turner Diaries" is prohibited literature
9 under the Canada Customs and Revenue.

10 The next page we have the 'Protocols'
11 and "Doctors of Death," the needle and swastika.

12 MR. VIGNA: Not to interrupt you,
13 Sergeant Camp, but in the exhibit log, if you look at
14 page 2 of 8, I think you have some of the titles there,
15 "Turner Diaries." "White Power," number 7.

16 MR. CAMP: I will take a look at the
17 break to see if I can match the titles to the pictures,
18 unless you found them.

19 MR. VIGNA: Most of them are there,
20 but you can look at it at the break. I just wanted to
21 bring it to your attention.

22 MR. CAMP: Okay. Thank you.

23 THE CHAIRPERSON: I don't know that
24 it is worth spending your time on, frankly. We have
25 got the information here.

1 MR. CAMP: On the next page we have a
2 couple of -- there is three videos here. One is a
3 video titled "Romper Stomper." It is a fictional
4 account of a skinhead group in Europe starring Russell
5 Crowe. There is a video of This is the Klan and
6 another video, "Welcome to the Knights," knights being
7 the Ku Klux Klan.

8 MR. VIGNA: Have you watched those
9 videos?

10 MR. CAMP: I have watched Romper
11 Stomper.

12 MR. VIGNA: What is it about, in
13 general?

14 MR. CAMP: It is about a skinhead
15 group -- I have seen it years ago, and their -- I guess
16 their story trying to stay together as a group. I
17 can't remember what country it was in. I think it was
18 United Kingdom it was based out of.

19 Next page I can't read the title of
20 that. I think it is a CD. The next page a number of
21 patches that were found there, iron cross patches.
22 Again, in the middle there, there is a flag that is
23 the -- noted as a moniker for Glenn and SS-88 on WCFU.
24 We have a number of swastikas and SS lightning bolts,
25 German eagle, the totenkopf death head.

1 Next page are just envelopes that are
2 addressed to Glenn Bahr at that address.

3 On the next page we have a
4 bomber-style black jacket. I think it is black. I
5 will say a bomber-style jacket with a German eagle and
6 a swastika.

7 MR. VIGNA: Is that a jacket for a
8 male or a female?

9 MR. CAMP: It could be either. It
10 could be worn by a male. It is a larger jacket. I
11 mean, we presumed it was Glenn Bahr's. In fact, in our
12 surveillance of Glenn Bahr, I have seen him wear the
13 jacket that I would say is this jacket.

14 And on the next page a number of
15 pieces of clothing. Again, pictures of totenkopf, the
16 Waffen SS, which is a division of the SS and the Hitler
17 under Heinrich Himmler. We have skinheads with the
18 German eagle and the swastika. We have 88.

19 The next page we have a book titled
20 "Auschwitz: The Final Count," and another book, I think
21 it is titled "Book of Shadows."

22 On the next page we have a number of
23 pamphlets, again, "For Their Sake," in a box and
24 another small box with the WCFU business cards.

25 MR. VIGNA: I would like you to look

1 at HR-7, I believe.

2 THE CHAIRPERSON: Is HR-7 in the
3 binder or is that a loose leaf?

4 MR. VIGNA: It is a loose leaf.

5 I would like you to look at the
6 second page of HR-7, which was a document which was
7 sent to you by the Constable Grabowski from the
8 R.C.M.P., I believe.

9 MR. CAMP: That is correct.

10 MR. VIGNA: And compare it to the
11 flyers that are seized.

12 MR. CAMP: They are identical.

13 MR. VIGNA: They are identical?

14 MR. CAMP: Yes, when we looked at the
15 flyers in the house, they are the same flyers.

16 And on the next page we have a number
17 of pieces of jewelry. Again, iron crosses, swastikas,
18 totenkopf death heads, SS lightning bolts.

19 Next page, a number of CDs, I can't
20 see the titles on those. So I will move on to the next
21 page, an application for membership into the Aryan
22 Nations.

23 MR. VIGNA: Are you familiar with the
24 Aryan Nations?

25 MR. CAMP: Just on general literature

1 I have read on the Aryan Nations.

2 MR. VIGNA: What can you tell us
3 about them?

4 MR. CAMP: Used to be run by Pastor
5 Richard Butler. It is a fusion of white supremacy and,
6 I guess, religion that shows -- I guess they advocate
7 for white nation being God's chosen people and that all
8 other races are mud people and, I guess, subservient or
9 not as good as the white race, according to God.

10 MR. VIGNA: And on the website is
11 there reference to the Aryan Nations, the WCFU and the
12 Stormfront sites?

13 MR. CAMP: I would have to check the
14 links on the website to see if he included that in his
15 links.

16 MR. VIGNA: Do you want to check?

17 MR. CAMP: I think he did. I think
18 there was. Like I said, we can get to that and see if
19 there is a link in March to the Aryan Nations website.

20 As far as the Aryan Nations, they
21 also advocate for the -- I should say part of their
22 mission statement is that the Jews are the son of Satan
23 from the blood line of Cain and that they have an
24 innate desire to rule the world. Again, that is from
25 the, I guess, general literature I have read on the

1 Aryan Nations and from their website.

2 MR. VIGNA: Can you move on to the
3 last two photographs?

4 MR. CAMP: A small flag of -- that
5 includes the swastika. I can't remember what the
6 pamphlets next to those are.

7 And on the last page, there is a
8 newspaper article from the Red Deer Advocate that is --
9 and on the bottom right-hand portion of that newspaper
10 there is an article titled "Supremacists' Plan No
11 Surprise to Police" and that article is posted on the
12 website.

13 MR. VIGNA: The Red Deer Advocate is
14 a newspaper from the Red Deer locality?

15 MR. CAMP: It is from the City of Red
16 Deer, that is right.

17 MR. VIGNA: I would like to enter,
18 Madam Chair, these photos and perhaps we can number
19 them in chronological order.

20 THE REGISTRAR: I don't understand.

21 MR. VIGNA: They haven't been filed.

22 THE REGISTRAR: You don't want to
23 file them under the same number?

24 THE CHAIRPERSON: HR-11, Counsel.

25 MR. VIGNA: Okay. That is fine.

1 HR-11.

2 THE REGISTRAR: And these were copies
3 of items that were seized at Mr. Bahr's residence?

4 MR. VIGNA: Yeah.

5 THE REGISTRAR: 31-page document
6 containing copies of articles seized at Mr. Bahr's
7 residence during the search will be filed as Commission
8 Exhibit HR-11.

9 * EXHIBIT NO. HR-11: 31-page
10 document containing copies of
11 articles seized at Mr. Bahr's
12 residence during the search

13 MR. VIGNA: They will be numbered 1
14 to 31. We will number them 1 to 31.

15 THE CHAIRPERSON: So HR-11-1?

16 MR. VIGNA: Just the numbers of the
17 pages in case we have to refer to them.

18 THE CHAIRPERSON: Okay. Maybe we can
19 just all number our -- is that okay?

20 THE REGISTRAR: Sure. Yeah, that is
21 fine.

22 MR. FROMM: Just a remark at the very
23 end on the last item, I guess, on page 31.

24 "Supremacists' Plans No Surprise to Police." I think
25 Sergeant Camp said this was on the website. I am just

1 wondering what website is this?

2 MR. CAMP: The WCFU website.

3 MR. VIGNA: Sergeant Camp, we are
4 going to go back to the website eventually, but since
5 we are on the warrant issue, we might as well deal with
6 it right now. It is in Tab 15.

7 MR. CAMP: Right.

8 MR. VIGNA: We filed it as HR-10.

9 MR. CAMP: Right.

10 MR. VIGNA: Just tell us the date of
11 the -- ten?

12 MR. CAMP: I am sorry?

13 MR. VIGNA: Tell us the date of the
14 execution of the warrant and what you witnessed when
15 you actually went to the residence of Mr. Bahr and if
16 you took statements from individuals, et cetera. You
17 can perhaps refer also to your Investigation Report,
18 which is Tab 8, which is basically contained in your
19 information.

20 MR. CAMP: Right.

21 MR. VIGNA: So you obtained the
22 search warrant.

23 MR. CAMP: I am just going to review
24 just a few notes here, sir.

25 MR. VIGNA: Okay.

1 MR. CAMP: Okay. When we went into
2 the residence, I explained to him why we were there, to
3 execute a search warrant for the website, willful
4 promotion of hatred, Section 319. I asked if there
5 were weapons or drugs in the house. He replied there
6 was not.

7 I asked where his computers were. He
8 said they were in the bedroom.

9 THE CHAIRPERSON: Sergeant Camp, what
10 are you reading from? Is that Tab 8?

11 MR. CAMP: I am just reading from, I
12 am sorry, Tab 8, page 28, paragraph 41.

13 THE CHAIRPERSON: Thank you.

14 MR. VIGNA: Sergeant Camp, before
15 going to the actual execution, can you tell us by
16 looking at your report how you were able to determine
17 the address where Mr. Glenn Bahr was, surveillance, et
18 cetera.

19 MR. CAMP: Right. There were a
20 number of methods we used to determine that Glenn Bahr
21 was living at that residence.

22 We got a phone call from Canada
23 Customs & Revenue. One of the constables there
24 explained to me that some mail was coming through for
25 Glenn Bahr and that they gave us a call because we had

1 Glenn Bahr on CPIC as a subject of interest and he
2 explained to me that the address of Glenn Bahr where
3 this mail was going to was Suite Number 1, 10644-80th
4 Avenue.

5 Secondly, that Mr. Austin went out to
6 that address and noted there was a blue Tacoma pick-up
7 truck located at that address with a licence plate
8 number which came up to Glenn Bahr under B.C. motor
9 vehicles. So not only was the envelope going to that
10 address for Glenn Bahr, but his truck was noted as
11 being seen there.

12 I also received information from a
13 source, it was a confidential source, that Glenn Bahr
14 lives at that address. Again, I am referring to
15 portions of the report on page 21, starting at
16 paragraph 20.

17 With the information I received from
18 Mr. Austin, I did determine by doing motor vehicle
19 checks that Glenn Bahr does have a 1998 Toyota Tacoma,
20 blue, B.C. licence plate, registered to him.

21 When we were doing surveillance at
22 the Anne McLellan free Ernst Zündel, I observed Glenn
23 Bahr inside a blue Tacoma. Beat Constable Jensen
24 observed the vehicle. She was a Whyte Avenue foot
25 patrol officer. I notified the Whyte Avenue beats to

1 be on the lookout for this vehicle.

2 That vehicle was noted that the
3 address a few times. I went out myself and saw this
4 truck parked in the rear parking lot in a stall on a
5 couple of different dates as well, and that the stall
6 was being -- that the truck was parked in was assigned
7 to Suite Number 1.

8 Again, the beat officer reported to
9 me that the vehicle, again, was seen on a different
10 date in that stall at 10644-80th Avenue for Stall
11 Number 1, and on another date observed the truck --
12 this was on May 6, the day before the warrant, parked
13 at that address for Stall Number 1. And I spoke to the
14 apartment managers and confirmed that Glenn Bahr lives
15 there and I showed them a picture of Glenn.

16 MR. VIGNA: Apartment managers, their
17 names, what was that?

18 MR. CAMP: Todd and Laurie Keeler.

19 MR. VIGNA: What did you show them?

20 MR. CAMP: A picture of Glenn Bahr.

21 MR. VIGNA: What did they tell you?

22 MR. CAMP: They said it looks like
23 the guy that lives in Suite Number 1. The suite was
24 actually registered to a woman by the name of Corinne
25 Bundschuh. Corinne was seen with Glenn Bahr when we

1 were doing surveillance on Glenn Bahr at the Anne
2 McLellan or Free Ernst Zündel protest in late March.
3 That was it.

4 MR. VIGNA: Page 22, what is the next
5 steps you took in terms of trying to obtain the search
6 warrant and contacting the cable company, et cetera?
7 Page 22 of the report.

8 MR. CAMP: On page -- sorry,
9 paragraph 24, I confirmed with Shaw Cable and internet
10 operations that group, Shaw is providing high-speed
11 internet access to that residence.

12 MR. VIGNA: 24(b)?

13 MR. CAMP: This information was
14 third-hand that Glenn Bahr does have web design
15 experience and that he was employed as a web designer
16 in Red Deer at Kaster Stener Publications. Again, this
17 was confirmed by Corporal Barry Larocque, R.C.M.P. Red
18 Deer when Glenn Bahr was living in Red Deer at that
19 time.

20 This would be about the same time as
21 the Kneehill Community Hall rally that they were
22 planning in February, and at that time Glenn Bahr was
23 living in Red Deer and Corporal Larocque had
24 conversations with Glenn Bahr in Red Deer about that.

25 MR. VIGNA: And 24(c) there is a

1 mention of a website and advertising. What can you
2 tell us about that?

3 MR. CAMP: Basically Glenn bar does
4 advertise on a website, www.Beyond-imagi-nation.com
5 that he is a web designer and the that website is
6 called -- he advertises on is called "Beyond
7 Imagination." It says:

8 "Welcome to Beyond Imagination,
9 Glenn Bahr's on-line portfolio."

10 And markets the work he can do in
11 regards to building a website, including
12 professional -- sorry, graphic design.

13 MR. VIGNA: And you visited this
14 website?

15 MR. CAMP: Yes, I did. I think I
16 took a copy of it, too. I just want to check my
17 exhibits, Madam Chair. It is not here.

18 MR. VIGNA: So as a result of this,
19 you request a warrant from a Judge?

20 MR. CAMP: That is correct.

21 MR. VIGNA: That is what we produced
22 under HR-10, I believe?

23 MR. CAMP: That is right.

24 MR. VIGNA: You obtained the warrant?

25 MR. CAMP: That is correct.

1 MR. VIGNA: And then you proceed to
2 the execution of the warrant in the apartment that is
3 mentioned in the warrant?

4 MR. CAMP: That is right. On the
5 afternoon of May 7th, we entered the residence Number 1
6 at 10644-80 Avenue. Glenn Bahr was alone in the
7 residence.

8 MR. VIGNA: Was there anybody else
9 interviewed in relation to that residence?

10 MR. CAMP: Later. Initially I spoke
11 to Glenn after -- I had never met Glenn before. I was
12 not sure when to find in there, so after ensuring that
13 we were safe inside that residence and reading him his
14 Charter Rights and Caution, there was a brief
15 discussion about the website that took place.

16 When asked if the site belongs to
17 him, he said it does, that he owns the content on the
18 website.

19 I am going to refer to the portion
20 called Accused's Statements on page 9.

21 MR. VIGNA: You are at what tab now?

22 MR. CAMP: This would be Tab 8, page
23 9 under Accused's Statements.

24 MR. VIGNA: That is HR --

25 MR. CAMP: It is in the report.

1 MR. VIGNA: HR-2.

2 MR. CAMP: HR-2, sure. So in those
3 points, there is a few questions that I asked. He
4 mentioned to me that "the website is all my
5 responsibility, that it is all mine." When asked about
6 if he was the web designer, he said, yes, he has been
7 one for eight years.

8 He explained that he was not
9 interested in violent action, only protests. He said
10 that he built it and designed it. Again, said "it's
11 all mine." Explained that his roommate had nothing to
12 do with it and that it was all his doing.

13 He explained that he was SS-88 since
14 January of 2003, both on Stormfront and WCFU. He
15 admitted to being the moderator and the head
16 administrator.

17 He did understand that you don't have
18 to be a member to view the content of the WCFU website,
19 including the threads and posts and he explained that
20 he will shut the site down.

21 If you remember the posts of SS-88 on
22 Stormfront on subsequent days, May 8th and 9, there was
23 posts from -- I think it was May 8th, actually, SS-88
24 on Stormfront saying that the WCFU is no more and the
25 website is shut down.

1 MR. VIGNA: On page 9, I see several
2 witnesses that are being -- if you start with page 8,
3 can I ask, can you perhaps give us a bit of an
4 explanation on each witness, who they are and what the
5 relevance they have to the investigation?

6 MR. CAMP: Well, these were -- the
7 first two, Charlene Hay and Sandra Navarro are members
8 of the Northern Alliance -- sorry, the Northern Alberta
9 Alliance on Race Relations. They viewed the site and
10 spoke with me about the -- how the site was, they felt,
11 offensive, and that it was hatred.

12 Richard Warman had contacted the
13 R.C.M.P. Hate Crimes Unit in regards to viewing the
14 site, felt that it was a violation of Section 319(2) of
15 the Criminal Code.

16 Corinne was just a roommate of Glenn
17 Bahr and the renter of the Suite Number 1 where Glenn
18 Bahr lived, and she wrote a statement saying that the
19 WCFU website was owned and operated by Glenn Bahr.

20 The next two, Number 5 and 6, are
21 customs officers that observed the truck parked outside
22 the residence and received the mail coming through
23 customs for Glenn Bahr at that address.

24 The next two, 7 and 8, are the
25 resident managers.

1 MR. VIGNA: Those are the ones you
2 mentioned earlier that you showed the picture?

3 MR. CAMP: That is right.

4 I did receive, as well, a phone call
5 from Glenn Bahr a couple of days after the search
6 warrant. I should --

7 MR. VIGNA: What page in your report?
8 Is that page 28?

9 MR. CAMP: I don't think I have that
10 note in here. I am just going by memory here.

11 MR. VIGNA: Look at paragraph 43.

12 MR. CAMP: I am sorry?

13 MR. VIGNA: Page 28, paragraph 43.

14 MR. CAMP: That was during the search
15 warrant. This was during the course of the search
16 warrant. I am talking about statements that he -- a
17 couple of days after the search warrant, Glenn Bahr had
18 given me a call, and what Glenn Bahr explained to me
19 was that he had shut the website down, that he wants to
20 move on with his life, he didn't know this was hate
21 propaganda under the Criminal Code and that basically
22 the theme of the -- the conversation is that this is
23 over, "the website is down, the WCFU is disbanded and I
24 am moving back to B.C."

25 Basically stating that he didn't know

1 he was violating or breaching the Criminal Code.

2 MR. VIGNA: Now, in terms of the
3 computers that you looked at earlier in the photos,
4 what did you do with those two computers?

5 MR. CAMP: Those computers were put
6 into our Property Control Unit and a request was made
7 to our Technological Crimes Section to do a forensic
8 analysis on the hard drive and that was done by
9 Detective Phil Palamattam.

10 Madam Chair, at this point in the
11 investigation, no charge was laid. There was the
12 investigation up to the search warrant. The search
13 warrant was just another piece of the puzzle on the
14 investigation to ensure that there is reasonable and
15 probable grounds to lay a criminal charge.

16 I received a two-page report from
17 Detective Phil Palamattam, and after speaking with him
18 and reviewing the content of that report, I formed the
19 opinion that we had the reasonable and probable grounds
20 to believe that Glenn Bahr was the owner, operator,
21 facilitator of the website and the content controller
22 and that charges should be laid.

23 MR. VIGNA: Madam Chair, I would like
24 to ask a break at that point?

25 THE CHAIRPERSON: I beg your pardon?

1 MR. VIGNA: I would like to ask for a
2 break.

3 THE CHAIRPERSON: Yes, I think that
4 is a good idea. It is 6 minutes after 11, so we will
5 have a 15-minute break so that will take us to 11:21 or
6 11:22. We will see you back there, then.

7 Thank you.

8 --- Upon recessing at 11:06 a.m.

9 --- Upon resuming at 11:25 a.m.

10 THE CHAIRPERSON: Welcome back.

11 THE REGISTRAR: Be seated.

12 THE CHAIRPERSON: Okay. Are we all
13 set?

14 MR. VIGNA: Sergeant Camp, to
15 continue where we left off --

16 MR. CAMP: Right.

17 THE CHAIRPERSON: Just, I suppose
18 just so the record is clear, the respondent and his
19 representative aren't in the room. Yesterday I gave a
20 direction that when I identify the length of a break, I
21 was going to recommence the hearing whether or not any
22 of the parties or their representatives were in the
23 room, and it has been 20 minutes, rather than 15, and
24 so I will direct, Counsel, that you proceed.

25 Thank you.

1 MR. VIGNA: To continue where we left
2 off, Sergeant Camp, on the issue of the execution of
3 the warrant, do you recall we produced photos in which
4 one of them was a photo of a computer?

5 MR. CAMP: That is correct.

6 MR. VIGNA: Just in terms of the
7 follow-up to the computer, can you tell us what you did
8 in terms of having the computer expertise? Refer to
9 Tab 11.

10 MR. CAMP: I requested on -- if you
11 look at Tab 11, it is an internal document that I sent
12 to our Technological Crimes Section. You can just pull
13 it out of your desk and write it up and send it there
14 asking for analysis of the hard drive.

15 MR. VIGNA: That is your Request For
16 Services on Tab 11?

17 MR. CAMP: That is correct.

18 MR. VIGNA: And that is your
19 signature?

20 MR. CAMP: That is correct. I also
21 spoke to the detective as well and gave him more of a
22 clear indication of what I was looking for, just
23 analysis of the hard drive and that website. And I
24 asked him a couple of things, again, going by memory.
25 What I told him was what I want to find out is if --

1 who operates that website.

2 MR. VIGNA: Slow down a little bit.
3 The three-page document here, just go through it and
4 describe it to us and tell us what each page is and
5 then we will file it in evidence.

6 The first page, the letter?

7 MR. CAMP: Right.

8 MR. VIGNA: Can you mention details?

9 MR. CAMP: I am sorry?

10 MR. VIGNA: The details part.

11 MR. CAMP: Yeah, basically asks Tech
12 Crimes to conduct an investigation to all material on
13 the Western Canada For Us website. The investigation
14 is regarding the website. Basically they want to know
15 why we are asking for a tech analysis, and the
16 allegation is the website is owned by Glenn Bahr, he is
17 willfully promoting hatred under Section 319(2), and
18 forward that to the Alberta Justice once the analysis
19 is complete.

20 MR. VIGNA: The second page, you
21 mention the charge.

22 MR. CAMP: Again, on that page I
23 mention the charge in question, warrant was executed on
24 May 7th, relating to an investigation of Western Canada
25 For Us website that was developed by Bahr.

1 MR. VIGNA: And then you ask for two
2 things to be determined by the expertise.

3 MR. CAMP: That is correct. Bahr's
4 ownership and that he is content administrator of all
5 material on the website and wanted to show that he has
6 control of what went on the site, that the material
7 breaches Section 319(2) of the Criminal Code.

8 MR. VIGNA: Then you mentioned the
9 six months for the retention under the Criminal Code?

10 MR. CAMP: Yeah, basically we have
11 six months starting '04 August 4 from that date to
12 retain that property.

13 MR. VIGNA: On the last page there is
14 a bunch of handwriting notes. Can you tell us if they
15 are yours and what they are.

16 MR. CAMP: This is my writing, but
17 why I am writing all this stuff down at the time of the
18 investigation, I am not sure. I think it was the --
19 yeah.

20 Detective Phil Palamattam had asked
21 me is there some key words that would speed up the
22 process of a tech analysis of a hard drive and by
23 reviewing the site for the months that it was up and
24 running and by -- I wrote down a list of key words or
25 phrases that he might want to look into, and under

1 those key phrases he may find the content of hate
2 propaganda.

3 I don't think Phil even -- or
4 Detective Palamattam even used them to assist him in
5 his endeavours. This was just prior to me doing the
6 request and I was making a list of phrases and words
7 that I remembered from reviewing the website to maybe
8 send to him and add to the file.

9 I don't think this was relevant to
10 what he was -- what Tech Crimes did, actually.

11 MR. VIGNA: I would like to file this
12 document, three-page document in Tab 11.

13 THE REGISTRAR: The Request For
14 Services dated May 13th, 2003, will be filed as
15 Commission Exhibit HR-12.

16 * EXHIBIT NO. HR-12: Request For
17 Services dated May 13th, 2003

18 MR. VIGNA: As a result of this
19 request, you got an expert from Constable Palamattam?

20 MR. CAMP: I can't say if he is an
21 expert or not. He would have to speak to that, but I
22 can say that I got analysis of the hard drives later
23 that year, and it was sent to Alberta Justice and to
24 our section as well. And I am referring, again, to --

25 MR. VIGNA: Tab 10?

1 MR. CAMP: -- Tab 10. That would be
2 a copy of the analysis that was put together by the
3 detective.

4 MR. VIGNA: Can you tell us what the
5 analysis revealed from the Tab 10 and if you got this
6 analysis?

7 MR. CAMP: Well, I did get the
8 analysis, because we are looking at it.

9 I want to direct you to paragraph
10 3(d)(1), that there were only two authenticated users
11 of the system, administrator -- sorry, administrator
12 and guest; that the administrator was the primary user
13 of the system, as all evidence obtained was retrieved
14 from within that profile; that the person accessing the
15 computer as administrator also accessed, number one,
16 the web page -- sorry, the web-based e-mail accounts of
17 SS-88@Hotmail.com and Glennbahr@yahoo.ca.

18 Number two states:

19 "The administrative pages of
20 Western Canada For Us
21 website..."

22 Sorry.

23 "The administrative pages of the
24 Western Canada For Us website
25 form as Glenn."

1 Number three:

2 "The Stormfront.org website as
3 users schadenfrog and SS-88."

4 And number four:

5 "Numerous other and hate-based
6 websites."

7 And number five:

8 "Garage Sale of Canada Beyond
9 Imagination websites, sites both
10 noted as being operated by Glenn
11 Bahr. The attached computer
12 analysis reports details out
13 both content retrieved and
14 correspondence occurring between
15 the user of Exhibit Number 1 and
16 others.

17 Notable is that the person
18 identified as Glenn with
19 administrative rights on the
20 Western Canada For Us website is
21 seen via retrieved content to be
22 able to control aspects of the
23 forum from the authentication of
24 users to the posting of forum
25 materials and to layout and

1 configuration of the web
2 application itself."

3 Subsection (d) states that:

4 "From the image associated to
5 the drive from Exhibit Number 2,
6 I determined: Number one, that
7 the registered organization and
8 owner of the computer are listed
9 as 'Beyond Imagination and
10 'Glenn' respectively; that of
11 the users associated to the
12 system, 'SS-88' was found to be
13 the primary -- sorry, the
14 computer's primary user with all
15 evidence obtained having been
16 retrieved from within that
17 profile."

18 And again:

19 "That the person accessing the
20 computer as 'SS-88' also
21 accessed the web based e-mail
22 accounts of SS-88@Hotmail.com
23 and Glennbahr@yahoo.ca. The
24 administrative pages of the
25 Western Canada For Us website

1 forum as 'SS-88' and the
2 Stormfront.org website as users
3 'SS-88' and numerous other
4 hate-based websites."

5 MR. VIGNA: So this was the report
6 you got from Sergeant -- I think it is Sergeant --

7 MR. CAMP: Detective Phil Palamattam.

8 MR. VIGNA: Yeah.

9 MR. CAMP: After reading through the
10 report, I talked directly to Phil Palamattam and asked
11 him in layman's terms, are you telling me that Glenn
12 Bahr was the content controller of the material and
13 website, and he said yes.

14 MR. VIGNA: I would like to file this
15 report, Madam Chair.

16 THE CHAIRPERSON: Okay.

17 MR. FROMM: I object. This is
18 hearsay. This is not Sergeant Camp's report. This is
19 another officer's report. We don't have him here. We
20 can't cross-examine him.

21 THE CHAIRPERSON: Thank you,
22 Mr. Fromm.

23 The tribunal Rules of Procedure
24 direct that strict and formal Rules of Evidence don't
25 apply in these proceedings. I take your point,

1 Mr. Fromm, and certainly that reality will go to
2 credibility and weight, but I will allow the document
3 to go in as an exhibit.

4 Madam Registrar?

5 THE REGISTRAR: The report prepared
6 by Detective Palamattam will be filed as Commission
7 Exhibit HR-13.

8 * EXHIBIT NO. HR-13: Report
9 prepared by Detective Palamattam

10 MR. VIGNA: Can you spell the last
11 name, Sergeant Camp, for the stenographer.

12 MR. CAMP: Sure.

13 P-A-L-A-M-A-T-T-A-M.

14 MR. VIGNA: And there was the
15 Sergeant that signed the document?

16 MR. CAMP: I am sorry?

17 MR. VIGNA: The other Sergeant,
18 Witten?

19 MR. CAMP: That would be his Staff
20 Sergeant Witten, Staff Sergeant in charge of
21 Technological Service Unit.

22 MR. VIGNA: You were saying you
23 called Detective Palamattam to tell you in lay terms
24 what the report meant and you were saying that he told
25 you exactly?

1 MR. CAMP: Basically I am going,
2 again, by memory. I wanted to know does this mean that
3 Glenn Bahr is the one who operates the computer and the
4 website. He says, yeah, from the information -- if I
5 remember, yeah, he is the one that operates the
6 website.

7 MR. VIGNA: On a more general level,
8 Mr. Camp, from your computer knowledge, when you are
9 dealing with Hotmail and a Hotmail account, have you
10 ever dealt with a Hotmail account?

11 MR. CAMP: I don't use the Hotmail
12 account. I have an e-mail. I don't really know much
13 about the Hotmail account.

14 MR. VIGNA: But in terms of e-mail
15 account, are you knowledgeable if you need a password
16 in order to get to your e-mail?

17 MR. CAMP: Well, I don't need a
18 password to get my -- to get onto my computer you don't
19 need a password to get on. But I am not sure if
20 maybe -- I don't know.

21 MR. VIGNA: You are not familiar with
22 Hotmail. Okay. We will move on.

23 On Tab 14, just on the same topic.

24 MR. CAMP: Right.

25 MR. VIGNA: Can you tell us what this

1 document represents, if you are familiar with it and
2 what it is?

3 MR. CAMP: It is just a copy of the
4 chain of custody referring to the computer, the hard
5 drive. It was filled out by Detective Palamattam. It
6 is an internal document, I guess, for their unit's work
7 in regards to transferring, I guess, the property up to
8 the unit and doing analysis of it and where it went to.

9 Again, I am not too familiar with
10 their protocols up there.

11 MR. VIGNA: And you were provided
12 this document?

13 MR. CAMP: Yeah, and I added it to
14 the report.

15 MR. VIGNA: If we can file the
16 document just for chronology, Madam Chair.

17 THE REGISTRAR: I am sorry, what tab?

18 MR. VIGNA: Tab 14.

19 THE REGISTRAR: The document entitled
20 Chain of Custody, File Number 04-58870 will be filed as
21 Commission Exhibit HR 14.

22 * EXHIBIT NO. HR-14: Chain of
23 Custody, File Number 04-58870

24 MR. FROMM: I object to this -- to
25 accepting this as evidence as well because this is --

1 we don't have Detective Palamattam here to verify this.

2 MR. VIGNA: Tab 14?

3 MR. FROMM: Yes. That is what I am
4 looking at. Chain of Custody. Well, this is unsigned.
5 There is a squiggle under the signature. Is that
6 Detective Camp's or Palamattam's.

7 MR. CAMP: It is not mine.

8 MR. FROMM: It is not yours, so we
9 have basically an unidentified document that verifies,
10 I am not sure what. I don't see that this should be
11 accepted as evidence at all.

12 THE CHAIRPERSON: I am inclined to
13 agree, frankly, unless you can explain to me or provide
14 me with some utility of this particular document, since
15 we don't really know what it is, including the witness.
16 Perhaps it is not all that useful to the tribunal and
17 if we were to remove it from the record, that might
18 sort of keep things nice and tidy.

19 MR. VIGNA: All right, Madam Chair.
20 I won't insist on this document.

21 THE REGISTRAR: The document
22 previously filed as HR-14 has been removed from the
23 official record.

24 *--- Exhibit HR-14 removed from the record

25 THE CHAIRPERSON: Thank you.

1 MR. VIGNA: Sergeant Camp, go back to
2 the -- go back to the computer -- the website and if
3 you could continue from where we had left off before we
4 interrupted for the issue of the warrant and the
5 execution of warrant.

6 So we can continue on describing the
7 contents of the website and the identity of the
8 different individuals with the postings.

9 MR. CAMP: In regards to all the
10 pieces of the puzzle, Madam Chair, of showing that
11 Glenn Bahr is the content controller, I guess for lack
12 of a better term, on the website, the pieces of the
13 puzzle I have shown you, I am going to move on to the
14 next part, because, like I explained in the beginning,
15 in the preamble, there is two things we are trying to
16 do, show the link and now, secondly, at the same time,
17 is there hate propaganda on the website.

18 So what I am going to show you, Madam
19 Chair, I won't show you all, again, 786 pages of this
20 picture, and there is over 800 pictures -- sorry, 800
21 pages of the second picture of the website from March,
22 but I will show you a significant amount of highlights
23 that we consider together form criminally hate
24 propaganda under Section 319.

25 MR. VIGNA: Sergeant Camp, just in

1 terms of following the understanding of your
2 investigation, how you proceeded, could you look at Tab
3 8 of your Investigation Report in relation to what you
4 are going to be doing.

5 MR. CAMP: M-hm.

6 MR. VIGNA: And you look at page 22.
7 Under Section 3, is this, like, the third stage of the
8 investigation?

9 MR. CAMP: Yeah, that would be
10 correct.

11 What I will do, Madam Chair, before I
12 go into it is go back up to try to find the home page
13 here. This is the home page of Western Canada For Us.

14 MR. VIGNA: That is page 1?

15 MR. CAMP: It is page 1. I refer you
16 to the main menu here. What I am going to be focussing
17 on in this segment is the forum, and after we are done
18 with the forum, I can also show you from either this
19 May 7th picture or the March 31st picture some
20 downloads that I viewed as well as links to other
21 websites.

22 But for this portion here I will
23 focus on the discussion forum.

24 THE CHAIRPERSON: I am sorry, and
25 which date is this one?

1 MR. CAMP: This is the May 7th.

2 THE CHAIRPERSON: May 7th. And the
3 document or the CD that we had entered yesterday as
4 HR-8 has both of those pictures, the May and the March?

5 MR. CAMP: Yeah, the CD has the March
6 31st and the May 7th picture.

7 THE CHAIRPERSON: Thank you.

8 MR. CAMP: Start on page 24. Sorry,
9 wrong page. Page 320, Madam Chair.

10 THE CHAIRPERSON: I am sorry?

11 MR. CAMP: 320. Sorry, I was looking
12 at the wrong section here.

13 Actually, Madam Chair, just before we
14 go into this first page, I am going to refer you to Tab
15 8, page 24.

16 MR. VIGNA: That is HR-2, I believe.

17 MR. CAMP: What I did on this date in
18 March was I cut and paste from the website a portion of
19 a forum that was, as you can see, posted by SS-88, and
20 at this point there was 116 posts and the title is the
21 "Treaty Song."

22 And it goes like this:

23 "Well I wish I had a treaty card
24 in this land of equality, I
25 wouldn't have to work I could

1 party all night and sleep till
2 after three.

3 I'd get a big, fat squaw
4 that could 'pop' out kids at the
5 rate of two a year. I'd get a
6 pretty good welfare cheque, play
7 the VLTs and I'd run out of
8 beer.

9 Well I wish I had a treaty
10 card in this land of equality.
11 I'd only need grade nine and I'd
12 do just fine as a member of the
13 government jobs. Well I could
14 hunt and fish any time I wish a
15 huntin' licence don't apply to
16 me. Well you could bet your ass
17 I'd get my half price gas it's
18 only 25 cents a litre for me!

19 Well I wish I had a treaty
20 card in this land of equality,
21 cause if my house burned down or
22 I just smashed it up, well I
23 wouldn't frown I'd get another
24 one from whitetey for free. I
25 wouldn't have to work or go to

1 school, I wouldn't have to pay
2 no tax. I'd just hold out my
3 hand and say you stole my land
4 and I'd be riding on the gravy
5 train!

6 I sure wish I had a treaty
7 card.

8 'My honour is my loyalty.'"
9 In quotations again, Heinrich Himmler
10 SS Reichsführer. DL post on 04Mar18 by SS-88.

11 And it says on my report, I wrote
12 this one myself:

13 "This message was posted by Bahr
14 as SS-88 on March 18, 2004."

15 MR. VIGNA: Where is that located on
16 the website, the literature part or the website itself?

17 MR. CAMP: This would be in the
18 forums section of the website. There was a
19 respondent -- a person that responded to this post:

20 "OMG that is so priceless!
21 Lol."

22 Means laugh out loud. And then
23 states:

24 "The worst is when natives come
25 into any work asking if they got

1 a movie discount for being
2 aboriginal... since white came
3 to Canada and stole all their
4 DVDs way back when."

5 I am not sure what "IMAO" means.

6 Back to the website here, there is a
7 post by -- on page 320 by WhiteEuroCanadian. I am just
8 going to refer you to paragraph -- the first two
9 paragraphs are a welcome, I guess, from WhiteEuro and
10 then a message to our foes, and then the next paragraph
11 here:

12 "The Jews HATE the Palestinians
13 to the point that they want to
14 commit Genocide against the
15 Palestinian people.

16 The Hindus HATE the
17 Pakistanis to the point of
18 launching Nuclear Weapons at
19 each other.

20 The Chinese HATE the
21 Tibetans to a point of
22 exterminating them. Just listen
23 to the Dali-Lama.

24 The Arabs HATE the Jews to a
25 point they use a steady supply

1 of Suicide Bombers.

2 The Blacks & Indians HATE
3 the White race."

4 There is an argument here that
5 WhiteEuroCanadian, just to summarize, is saying that
6 all different races and religious hate each other and
7 that the white race is always being looked upon as the
8 ones that are racist, and they are actually just trying
9 to show that they are proud of their race and that to
10 label them as racists is incorrect.

11 What is interesting here, though, is
12 he makes some points that the Jews hate, the Hindus
13 hate, the Chinese hate, which is a very, I guess, a
14 general term to all races and religions.

15 Page 327.

16 MR. VIGNA: Wait a second.

17 MR. FROMM: I would like to seek
18 clarification. I understand this was part of Sergeant
19 Camp's investigation, part of the reason he recommended
20 the laying of charges. I am wondering, is this --
21 first we saw the Treaty Card Song. Is this part of the
22 Commission's case? I don't think I have seen this in
23 the material before. Is this one of the complaints --
24 or one of the postings that the Commission is
25 complaining about?

1 MR. VIGNA: Madam Chair --

2 MR. FROMM: Because if it is not, I
3 am not going to prepare any questions on it.

4 MR. VIGNA: The whole website is what
5 is being complained about. That is part of the
6 website, so there is no dissecting of bits and pieces
7 of the website.

8 MR. FROMM: That is unacceptable. We
9 can't defend the whole website. There are all sorts of
10 postings we have seen this morning of people talking
11 about St. Patrick's Day, people talking about -- in
12 other places people talking about their tattoos, their
13 hair styles, their pictures. Surely that is not being
14 complained of.

15 We can't -- I don't think it is fair
16 to ask anybody to defend the whole website. I mean,
17 show us a specific, underline what the offensive words
18 or sentence or phrases are and we can defend that. But
19 to say, well, it is the whole website, well, surely not
20 the whole website. There must be some redeeming
21 points.

22 MR. VIGNA: Madam Chair, what I would
23 like to submit to you is that basically you will hear
24 the evidence on the entire website and entire website
25 has been analyzed. In terms of what is the nature of

1 the website, what is the general theme of the website,
2 what is the general purpose of the website, and we will
3 be submitting to you in the pleadings that the website
4 in general offends Section 13, not only because of one
5 particular element but the entirety of the website is
6 offensive and violates Section 13.

7 In order for you to appraise that,
8 you need to have the entire evidence. Now, if there is
9 a -- the complaint is against Western Canada For Us,
10 the website, and Glenn Bahr, and I think you need to
11 analyze the entire evidence, which is interlinked, to
12 be able to actually make a proper determination.

13 I don't think we need to dissect it
14 or -- even if there is -- from what I understand from
15 Mr. Fromm is that there is postings that are not
16 directly related to Mr. Bahr; but nevertheless, we have
17 seen through the testimony that there is responses to
18 the postings by SS-88 or Glenn, so in a sense, he is
19 linked to it inevitably at the end because he is
20 promoting it, he is encouraging it, he is responding to
21 it.

22 So the website has a full purpose, it
23 has to be analyzed and a full picture.

24 MR. FROMM: That is another question
25 entirely. So far we have had evidence about the

1 website in general. We have had some evidence that may
2 or may not link Mr. Bahr to running it, certainly maybe
3 to posting on it. But that is not what I am asking.
4 That is the evidence in general as to what the Western
5 Canada For Us website is.

6 Now we are into the part of Sergeant
7 Camp's testimony that -- about what he felt violated
8 Section 319. My question to you is this -- that is
9 part of the other case. Are these the passages or are
10 these among the passages you are complaining about?

11 I mean, I, quite frankly, find the
12 Indian card song common complaints in any barroom in
13 rural Canada. Now, if this is a ground you want to
14 fight on, well, so be it, but if this is not, if this
15 is Sergeant Camp's testimony about the action in the
16 other place, that is a different matter.

17 I simply want to know what we have to
18 defend, and I submit it is completely unjust to say,
19 the whole site, because quite --

20 THE CHAIRPERSON: Mr. Fromm, the
21 complaint is laid out fairly clearly, and as your
22 friend has pointed out, the complaint was brought
23 against the website, WCFU, and Glenn Bahr. Their
24 challenge of the Commission and the complainant is to
25 satisfy this tribunal that the legal test in place that

1 governs the interpretation of Section 13.1 is met, and
2 your challenge is to demonstrate that that test has not
3 been met.

4 So it is perfectly appropriate and it
5 is, in fact, quite necessary for counsel to go through
6 the website in some detail in order to be able to
7 attempt to meet their legal test, and you will
8 certainly have an opportunity to demonstrate that, in
9 its entirety, the website does not meet the test set
10 out in 13.1 and does not constitute a contravention of
11 the Act.

12 But I am going to allow counsel to
13 proceed with their questions and you will certainly
14 have an opportunity at cross-examination.

15 MR. FROMM: I wasn't objecting to the
16 question. I was only asking whether the passages just
17 before the treaty card, what was identified as the
18 treaty card posting, which was not by Mr. Bahr, whether
19 this was an element of the complaint.

20 Now, the complaint is set out,
21 Mr. Warman's original complaint set out, I believe it
22 was, five passages that he felt were problematic and we
23 are certainly prepared to answer those. I just don't
24 think it is fair to say, well, the website in general.
25 You've got to give specifics.

1 THE CHAIRPERSON: Excuse me,
2 Mr. Fromm.

3 Thank you.

4 I understand your point. I am going
5 to allow counsel to continue and that is exactly what
6 he is doing, he is going through the website. The
7 questions that he is asking, the evidence that is being
8 put forward is perfectly appropriate. So we are going
9 to continue.

10 Mr. Warman, did you have something in
11 particular?

12 MR. WARMAN: I am sorry, there was
13 just two very quick points, if I may, just for the
14 record. The complaint was, in fact, filed against the
15 group Western Canada For Us and not the website, per
16 se. And the second thing is that the complaint at the
17 second page of it states:

18 "Although a broad range of
19 discriminatory materials have
20 been included with the evidence
21 accompanying this complaint
22 representative samples are
23 listed below."

24 THE CHAIRPERSON: Representative
25 samples?

1 MR. WARMAN: Are listed below, and
2 those, I believe, are the specific examples.

3 THE CHAIRPERSON: And so reference is
4 made to the broader contents of the website?

5 MR. WARMAN: To the contents of the
6 whole -- yes.

7 THE CHAIRPERSON: So the complaint is
8 clear.

9 MR. VIGNA: For the record, I would
10 just like to echo the comments of Mr. Warman.

11 THE CHAIRPERSON: I beg your pardon?

12 MR. VIGNA: For the record, I would
13 just like to echo the same concerns of Mr. Warman. It
14 is against the Western Canada group. There is a
15 website that has been created for this group in order
16 for an ultimate determination to have any meaning --

17 THE CHAIRPERSON: We need to know
18 what is on the website.

19 Okay, so thank you, carry on.

20 MR. FROMM: I am invisible. I am a
21 ghost.

22 THE CHAIRPERSON: Carry on, Counsel.

23 MR. VIGNA: Sergeant Camp, continue
24 where you left off.

25 MR. CAMP: Again, I am showing you

1 examples in my investigation, the criminal
2 investigation, again, it is the totality of the website
3 and that it breaches Section 319, so on page 327 of the
4 website, there is another rant by WhiteEuroCanadian.

5 However, I just wanted to bring you
6 down to where the cursor is:

7 "I am 100% for the White race.
8 I'm not too crazy about seeing
9 nazi stuff and symbols
10 representing our race in public
11 because it just gives the Jew
12 run media more ammunition."

13 Page 342, posted by
14 WhiteEuroCanadian, titled "Jews Now Welcome At Golf
15 Course."

16 "The Rosedale Golf Club made it
17 clear in 1996 that the club
18 would block G. Cohon to join
19 because it could result in a
20 wave of applications by Jews.

21 Cohon a Jew who is the
22 founder and chairman of
23 McDonald's Rest. in Canada
24 (looks like I ate my last thing
25 from McDonalds).

1 F. Newbound the director of
2 the club stated 'it would be
3 opening the floodgates to have
4 Jew members at Rosedale.'

5 Unfortunately, the golf club
6 showed courage and stood their
7 ground blacklisting Jews from
8 their Super Rich Golf Club only
9 up to 1997 when the new rules
10 allowed Cohon the Jew to join.

11 The moral of this story is
12 that some of the Richest people
13 in Canada openly practiced
14 anti-Semitism as early as 7
15 years ago.

16 These are the rich
17 contributors that are still
18 pro-White. It gives one hope
19 for a better future when you see
20 some of the countrys richest and
21 more pourful people openly being
22 anti-Jew.

23 They are the ones in
24 position to see how Jews corrupt
25 businesses and our way of life.

1 their perverted sex then a
2 man or woman should be
3 allowed to marry dozens of
4 spouces.

5 * A father marrying his adult
6 daughters?

7 * Pedophiles marrying their
8 victims?

9 Our Goverment knows that the
10 White poppulation [outside of
11 seniors] does not vote. So the
12 govt. Gives all these gifts of
13 special handouts to 'special
14 interst groups' [whatever that
15 means] so they can get their
16 vote.

17 They know we are
18 disinfranchised with the lousy
19 way of life we are given by our
20 govt. They give more then 60%
21 of all grant money, govt. Loans
22 etc. To non-whites, who make up
23 a lousy 14% of the poppulation.
24 Not including all the ileagal's.

25 They continue to take from

1 us to give to them. Now we are
2 being forced to aknowledge homo
3 marriges. When will this
4 madness stop? Are the masses
5 that damned blind, that. They
6 dont see what is happening
7 around them... to them?

8 Our white brothers and
9 sisters are being butchered in
10 Zimbabwae for the crime of being
11 White.

12 And the masses do ef all.

13 Our race has become in vast
14 part a heard of sheep. The
15 sheep dog is the goverment and
16 it tells us and guides us to how
17 we should live our lives and
18 what our opinions should reflect
19 the multicesspool that this
20 country has become.

21 Personnaly i'm Mad As Hell
22 And I Am Not Going To Take This
23 Crap No More.

24 With SS-88's dedication and
25 skills we got this up and

1 running. The site is our first
2 step in opening peoples minds
3 World Wide that IT IS OKAY TO BE
4 PROUD & WHITE. No more hiding
5 our pride at work , in school,
6 in public etc. We have just as
7 much right to be proud of our
8 race as all the other s, hell
9 even sexual perverts have their
10 pride out where everyone can
11 see.

12 Someone tells you that you
13 are racist, just ask them why
14 they think every race and homos
15 can be proud of who they are but
16 a white person does not deserve
17 the same?

18 Anyways i'm getting off
19 topic a bit so I will say
20 goodbye."

21 The second post by Canadian_Kitten
22 explains that:

23 "Homosexuality is not learned.
24 It is, in fact, genetic and/or
25 brain defect."

1 She explains that:

2 "Out of six kids in my family
3 three of them ended up gay, I
4 believe, from genes. My sister
5 got married and had three kids,
6 we never understood why she was
7 so depressed, but soon she could
8 no longer bear pretending to be
9 straight, she almost took her
10 own life."

11 It goes on to explain the trials of
12 being a gay person in society, that she's experienced
13 through her family. And then defends here gay people,
14 that they are not all pedophiles.

15 Her only problem with the gay
16 community is being too much in her face, that she
17 opposes gay marriage. And then does defend them as
18 human beings.

19 But then the subsequent post, the
20 last sentence by Der totenkopf states:

21 "I do believe they are just sick
22 perverts created by the devil."

23 WhiteEuroCanadian says:

24 "We don't hold your family's
25 problems with homos against

1 causes. Misfiring hormones
2 launched from a badly wired
3 brain can be one cause; but, if
4 you put fifty young boys on an
5 island with one adult
6 homosexual, chances are at least
7 some of them would 'learn' to be
8 homosexuals due to the examples
9 set by their only local adult
10 figure."

11 WhiteEuroCanadian then responds:

12 "That is the best example why I
13 am against homs..."

14 I imagine that means homos.

15 "...being daycare workers,
16 babysitters, teachers, bosses
17 etc."

18 Then SS-88 responds as the head
19 administrator:

20 "It's sad u've had the problems
21 in your family Canadian Kitten.
22 I will not judge you by this,
23 however you may take offence to
24 my views. Homosexuality may be a
25 disease a genetic thing in some

1 but I also think it's becomeing
2 a fad. I think people are
3 becoming homosexuals to be
4 different. I believe no matter
5 how or why you are a homosexual
6 your life should be terminated.
7 This is not right. Nature
8 intended us to breed in order
9 for us to continue our race.
10 There is nothing natural about
11 being a hoimosexual, it is for
12 purely sexual reasons. They
13 should be terminated along with
14 retards and any other
15 degenerates that nature would do
16 away with in the wild. What
17 gives us the right to prolong a
18 life that would have been
19 terminated by nature."

20 MR. VIGNA: That is at page 348?

21 MR. CAMP: Page 348.

22 MR. VIGNA: And that is associated
23 with SS-88.

24 MR. CAMP: It goes on to say:

25 "If we keep teaching people and

1 allowing these stoopid parades
2 more and more people with think
3 it's acceptable to be gay.

4 This is wrong, we must teach
5 people it is wrong. How can you
6 turn something so wrong and
7 filthy into something
8 acceptable. Nature intended for
9 males to mate with females
10 anything else is a perverted
11 sickness that needs to be
12 destroyed."

13 MR. VIGNA: Sergeant Camp, just
14 wanted you to go back to that posting where it says
15 SS-88 under "head administrator."

16 MR. CAMP: Right.

17 MR. VIGNA: Is it correct that that
18 posting in comparison to all the other postings has the
19 mention head administrator, whereas the other ones are
20 not mentioned head administrator?

21 MR. CAMP: That is correct. What you
22 will see through the posts of either SS-88 or Glenn,
23 you will see "head administrator" and you will also see
24 the flag as a moniker.

25 Again, the posts continue on this

1 thread in regards to a comment:

2 "That is the best example why I
3 am against homs being daycare
4 workers, babysitters, teachers,
5 bosses etc."

6 Exterminance makes a comment about
7 babysitting. Der totenkopf explains in regards to
8 parades that:

9 "Them maybe we should stop there
10 next parade! Or go door to door
11 to see if we can get enough
12 people to vote against it!"

13 Then he goes on about:

14 "I wana stop the jews but I also
15 want these homo"s stopped
16 period!"

17 MR. VIGNA: Sergeant Camp, can you
18 tell us the date of the SS-88 message you just read?

19 MR. CAMP: March 10th, 2004.

20 MR. VIGNA: And the site started
21 operating what date?

22 MR. CAMP: March 8th. I think it was
23 March 8th.

24 Go to page 350. Title "CBC protects
25 only Jews" by WhiteEuroCanadian.

1 "CBC filters website against
2 anti-Semitism."

3 I am going to try to summarize this.
4 I think this is fairly lengthy. Sorry, this is a
5 longer one. Sorry, Madam Chair.

6 "The CBC filters the words
7 Jewish and Israel from its
8 Internet message board to
9 protect against anti-Semitism
10 said a cbc rep. 'This isn't for
11 anything other than to impede
12 anti-Semitism' said C. Galipeau,
13 executive director of cbc media.

14 Visitors to the message
15 board have complained of
16 discrimination that the words
17 Jew, Jewish and Israel were
18 filtered while Muslim, Hindu and
19 Christian were not.

20 Even terms such as Nazi and
21 rabid Zionist were visible on
22 the board.

23 NOW HERE IS WHY? Gilepeau
24 said the decission to filter
25 words relating to Israel and

1 Judaism came after a hateful
2 speech was posted so the now
3 dead founder Israel Asper
4 filtered those words himself.

5 I thought the media was to
6 report biasly? Yeah right. The
7 proof that Jews are the biggest
8 Racists in the world. They
9 protect only their own and hate
10 all non-Jews."

11 MR. VIGNA: That is at page 350?

12 MR. CAMP: Yeah, 350, that is
13 correct.

14 Page 366. This is an article posted
15 by SS-88, something SS-88 does a lot of on this site,
16 he will post a news article and, again, there will be
17 responses in regards to the article.

18 This one is in regards to:

19 "Rash of hate crimes where their
20 homes and cars were
21 spray-painted with anti-Semitic
22 symbols.

23 Swastikas, hate messages and
24 letters of the alphabet were
25 scrawled in black spray paint on

1 property at 13 residences during
2 an eight-hour period..."

3 It goes on to explain the community
4 response to it from the Jewish community, Holocaust
5 survivors, Jewish residents and the leadership of the
6 community, political and also Jewish organizations.

7 Then there is a subsequent picture of
8 the damage and then there is some comments by the
9 posted members:

10 "I feel no sympathy for the
11 foreigners who brought it on
12 themselves period."

13 This one says:

14 "Notice the swastika is
15 backwards? I think someone in
16 their community --"

17 Meaning the Jewish community.

18 "-- did the "artwork" to gain
19 sympathy and media attention
20 (and insurance money). It's not
21 unknown for the "minorities" to
22 commit "hate crimes" and then
23 point an accusing finger at
24 Whites."

25 Der totenkopf states:

1 "Well I dont trust jews, so it
2 would not surprise me if they
3 did it themselves so once again
4 they can get what they want."

5 MR. VIGNA: Just refer to pages 365,
6 66, 67, I believe.

7 MR. CAMP: I just want to make -- I
8 am probably going to make this point a few times, Madam
9 Chair. This is a May 7th picture. There is another
10 picture March 31st, so between March 31st and May 7th,
11 which is just over a month, if you look at the March
12 7th, some of the -- a number of the posts and threads,
13 they are still there on May 7th, six weeks -- five, six
14 weeks later.

15 There seems to be no -- again, I will
16 refer to this as we go through the hate material here.
17 There seems to be no attempt to remove a lot of the
18 hateful rhetoric on the posts through that five to
19 six-week period.

20 MR. VIGNA: You are at page 370 now?

21 MR. CAMP: Go to page 371. I will
22 start with this, page 370. Aryan Nations of Canada, I
23 guess, is the name of the poster in regards to the
24 subject being a flier that I wrote:

25 "I have attached a flyer I wrote

1 for the opening of our chapter
2 at Aryan Nations Canada. Feel
3 free to comment weither your
4 comments be good or bad
5 (constructive critizism is
6 always welcome).

7 Hail Victory!
8 Andrew Talbot
9 Aryan Nations
10 Canada"

11 Subsequent posts. Again he puts
12 another post there in regards to some literature and
13 some comments about the posts -- about the flyer, which
14 I can't see right on this one.

15 This is a copy of a -- what he does
16 is he copies the post on to the -- or copies the
17 article onto the thread here.

18 "As most Whites whom ancestors
19 immigrated to Canada revere this
20 land as their sacred and
21 precious soil, we are becoming
22 more and more aware of the
23 influx of non-white immigrants
24 flooding the provinces and
25 territories of our nation at an

1 alarming rate.

2 The imposing immigration of
3 people from Asia and the Middle
4 East has accelerated in the past
5 decade (1990-2000) and has
6 dramatically increased within
7 that last few years and will
8 continue to increase in the
9 years to come.

10 Whereas during prewar
11 immigration, it was for the most
12 part entirely European. In
13 2001, the visible minority's
14 population (non-Caucasian or
15 non-white in colour, not
16 including Jews) made up 14% of
17 Canada's total population."

18 Next paragraph after he starts the
19 foundation, he goes on:

20 "It has been statistically
21 proven that a decrease in
22 property value occurs when a
23 large population of non-white
24 minorities infests a
25 neighbourhood or area. Also

1 there is an increase in crime,
2 drugs and abject poverty.

3 While our government tells
4 us that diversity is our
5 strength, a great number of us
6 are noticing a decline in our
7 white European ancestry and
8 cultural values, which is being
9 replaced with this so-called
10 "strength". This is indicative
11 of the decadent times we live
12 in. Now is the time to voice
13 our concerns and beliefs as a
14 collective people in order to
15 put a stop to mass non-white
16 immigration and the problems it
17 manifests. Not only is this
18 something our government is
19 incompetent to deal with,
20 instead, it seems to promote and
21 perpetuate the situation."

22 MR. VIGNA: That is at page 371, 72,
23 right?

24 MR. CAMP: Correct. He signs it and
25 says that:

1 "We have to awaken and secure
2 the culture of the population of
3 Canadians of white European
4 decent."

5 MR. VIGNA: What is the number of
6 that posting, Sergeant Camp?

7 MR. CAMP: Posts, 35 posts for Aryan.
8 Then subsequent responses:

9 "Looks right, good go, good job.
10 Thanks, brother, hail victory.
11 I'm a sister."

12 That is the end of that post.

13 MR. VIGNA: Madam Chair, I have a
14 conference call at 12:30, so I would like to be --

15 THE CHAIRPERSON: That is right. I
16 forgot. Perhaps this would be an appropriate time,
17 then, to take our lunch break, have an hour and a
18 quarter for the break, so that will get us back here
19 at -- could you help me with the math?

20 So it is 20 after 12, so it is 25 to
21 2. We will see you all back here at 25 to 2.

22 Thank you.

23 --- Upon recessing at 12:20 p.m.

24 --- Upon resuming at 1:35 p.m.

25 THE CHAIRPERSON: Good afternoon.

1 MR. VIGNA: Sergeant Camp, under the
2 same oath where we left off before the lunch break, we
3 were at page 379, I believe, of the article that is
4 before you on the screen.

5 MR. CAMP: That is correct.

6 MR. VIGNA: Please continue from
7 there describing the content of the website.

8 MR. CAMP: Thank you.

9 Another thread with a title "I am not
10 a racist but..." first post by the author towerDB:

11 "I'm not a racist, but there is
12 a diff between black men and
13 'niggas'. A black man comes
14 here to raise a family, work,
15 pay his taxes and live by the
16 law (mind you only one of 500
17 black men actaully live like
18 this after immagrating here). A
19 'nigga' will go around rapping
20 12 year old girls, just cause
21 they like 'white meat'. This is
22 not acceptable. A 'nigga' would
23 sell crack, smack or some other
24 addictive drug to our 10 year
25 old sons, which in turn will

1 make then lie, steal, cheat to
2 get there next 'fix'. This is
3 not acceptable. But i will give
4 you this, the only good Arabic
5 is a dead Arabic. Personaly i
6 can't hate someone that has
7 never done nothing to me, or
8 mine. I can't just hate a 6
9 year old child playing in the
10 snow. I can, and am. A proud
11 white man though. Jews on the
12 other hand i can hate, They
13 where the morons that came up
14 with the great idea of mixing
15 races/cultures. Has history
16 taught us nothing? Every
17 conflict, every war has been
18 caused by mixing cultures/races.
19 Jews know this, and yet they
20 still continue to promote
21 mixing. The world would be a
22 way better place if every
23 race/culture would stay in there
24 country and find some way to
25 harvest there natural resource.

1 But that would be a perfect
2 world."

3 MR. VIGNA: Before you go on, the
4 title so that article is what?

5 MR. CAMP: "I am not a racist,
6 but..."

7 MR. VIGNA: And that is associated
8 with the same passage?

9 MR. CAMP: Well, the post, the thread
10 title is "I am not a racist but..." and there is an
11 initial post in regards to that title by towerDB, so,
12 yeah, it is all one thread.

13 MR. VIGNA: So the author of the
14 passage you're just reading is entitled "I am not a
15 racist, but..."

16 MR. CAMP: Yes.

17 MR. VIGNA: Sorry I interrupted you.
18 I thought you had read the article.

19 MR. CAMP: There is a subsequent post
20 that thread by SS-88 stating:

21 "You have a interesting point
22 there my friend. Do you
23 consider yourself a rascialist
24 then? You should go post an
25 introduction about urself

1 TowerDB. Where ur from etc..."

2 MR. VIGNA: What is a racialist?

3 MR. CAMP: Someone that is, I guess,
4 racially aware, as they say. It can be a number of
5 different things. What is interesting about this post,
6 it is response to the initial post and it basically
7 states that it is an interesting point in regards to
8 the previous post, and it also shows that SS-88 doesn't
9 just provide provocative news articles for responding
10 to, but also is engaged in the discussion on the forum.

11 Then there is a response by Dan Korps
12 and it continues on to page 380:

13 "'Black man' or 'Nigga' as long
14 as they are around us
15 in society they are a threat to our
16 people."

17 Another post, and this is censored:

18 "A [censored] is a [censored]
19 get rid of them all."

20 THE CHAIRPERSON: Excuse me, Sergeant
21 Camp?

22 MR. CAMP: Sure.

23 THE CHAIRPERSON: Do you have any
24 information about the square bracket? There is two
25 places in that subsequent where the poster is speaking

1 about between square brackets "censored." Do you have
2 any information about whether it would be the author of
3 the post that included the square bracket censored or
4 whether it would have been someone else, an
5 administrator? Do you have any information?

6 MR. CAMP: That could be one or the
7 other. If the administrator wanted to sensor something
8 here they could, or the person posting maybe did that
9 as well, but I can't confirm either/or.

10 TowerDB responds to the question:

11 "Racialist? I am not familiar
12 with that."

13 And Ragnhall responds:

14 "I think what SS-88 intended to
15 type was racialist. It sounds
16 reasonable to differentiate
17 Black folk from 'niggas', if by
18 'niggas' you meant to say the
19 more proper -'ni**ers'. Sadly
20 that was my attitude towards the
21 separate classifications between
22 Negroes. But as my logic became
23 clearer through
24 experience/contact, I found that
25 it doesn't matter how White

1 society molds the Cro-Magnon man
2 into. They still retain what's
3 in their nature, as does
4 instincts of the dog or the
5 chimpanzee. And the instincts
6 of the Negroe cannot be altered
7 unless blended with a species of
8 a more civilized nature e.g. a
9 member of the White species.
10 Therefore, it is better to
11 resort to Serephanie's more
12 logical theory of 'a ni**er is a
13 ni**er.'

14 And you can, I guess, assume what
15 they are trying to say there.

16 MR. VIGNA: Do you know what
17 Serephanie's logical theory is?

18 MR. CAMP: No.

19 MR. VIGNA: That is at page --

20 MR. CAMP: That one goes down to page
21 380. And I will take it down to page 386.

22 The only reason I had this one here
23 is -- okay. I will bring you back up to the thread
24 starter, Madam Chair. Sorry.

25 The title is "Location," and on this

1 thread, they are either talking about Whiteville, a
2 place to -- a place to locate Whiteville and SS-88
3 responds:

4 "Good work Exterminance! Thanks
5 for the map!"

6 Then WhiteEuroCanadian enhances the
7 conversation a bit by saying:

8 "The land will remain a secret
9 till it is purchased, the reason
10 being that some jew groups could
11 block the sale or offer more
12 money and buy it from underneath
13 us."

14 MR. FROMM: What was the date of that
15 posting?

16 MR. CAMP: March 15th, 2004.

17 MR. FROMM: And that is by
18 WhiteEuroCanadian?

19 MR. CAMP: That is correct.

20 Again, the only reason that is there
21 is in regards to the comments about the Jew groups.

22 So I will take you to page 391. Just
23 to go back here, through this conversation you can tell
24 about the Whiteville that they intend to build, a white
25 community.

1 So down to 391. I will go up to 390.
2 SS-88 posts an article he titles "in diverse Canada,
3 why the Jews?"

4 MR. VIGNA: That is an article from
5 the Calgary Herald?

6 MR. CAMP: Yeah, it appears to be an
7 article that's pasted on the post from the Calgary
8 Herald. It is in regards to a swastika that was
9 painted on the door of a woman in Toronto and the
10 community response to it, and some commentary in
11 regards to the paragraph here that says:

12 "Supporters of Holocaust-denier
13 Ernst Zündel sent letters to a
14 Winnipeg Jewish organization
15 saying, 'May God strike you
16 down.' In Ottawa, a teen store
17 clerk shouted at a man wearing a
18 yarmulka: 'Jews are the lowest
19 race.'"

20 So it is an article about incidents
21 and crimes that are committed against the Jewish
22 community in the Toronto area and the community
23 response to it.

24 MR. VIGNA: That is page 389?

25 MR. CAMP: Then there is responses to

1 the article, one by Der totenkopf:

2 "If you dont like it "go home"
3 (back to hell) whinny jews."

4 Exterminance responds to one of the
5 quotes from the article:

6 "'Where does all the hate come
7 from?' asks a
8 victim of a recent anti-Semitic
9 incident, quoted in the audit, 'I don't understand it.
10 None of us do' "

11 And Exterminance posts:

12 "I bet hornets are similarly
13 confused when their nests get
14 burned out."

15 Goy fox asks a question:

16 "May I pose a philosophical
17 question: If jews ceased to
18 exist, would so-called
19 anti-semitism cease to exist?"

20 Exterminance makes a few comments

21 here:

22 "Depends on how bad the Arabs
23 behave after the Jews are gone
24 (Arabs are Semitic too).

25 [*]Not until the Jews were

1 completely forgotten. As long
2 as they are remembered, it will
3 be remembered just how
4 troublesome they were; so, for
5 as long as the memory of them
6 persists, dislike of them -
7 'anti-Semitism' - will exist."

8 And it occurs to him that Jews are
9 not truly a race but a hibernation of races. He then
10 offers his theories about how he suspects they
11 originate from Asiatic stock through a number of ways
12 here. They have Caucasian traits.

13 It says here:

14 "Therefore, even if the Jews of
15 today became extinct, a similar
16 race could evolve by repetition
17 of the same miscegenation and
18 conditions which gave rise to
19 the original race. This new race
20 of Jews may or may not resemble
21 their modern counterparts in
22 outward appearance; but they
23 will eventually be recognized by
24 their behavioral patterns, such
25 as love for money, indulgence in

1 usury, love for moral
2 degradation, promotion of
3 pornography, prostitution,
4 substance abuse, miscegenation
5 and sodomy."

6 MR. VIGNA: You just read page 392?

7 MR. CAMP: That is on page 392. Goy

8 fox responds:

9 "Well done, sir."

10 That is the end of that thread.

11 Take you to page 409.

12 MR. VIGNA: What we are seeing here
13 is all part of the discussion forum; is that the case,
14 Sergeant Camp?

15 MR. CAMP: Yes, it is.

16 Sorry, page 409 there is an article
17 here that SS-88 posts -- I will just go back here a bit
18 and get the content of the article. "Talks combats
19 anti-Semitism."

20 There was an international forum on
21 anti-Semitism and it is basically a forum that was
22 conducted discussing the anti-Semitic incidents and
23 crimes and the atmosphere of different countries and
24 then after the article is posted by SS-88, there is
25 some subsequent responses:

1 "Jews run everybody elses
2 countries so the racism directed
3 towards them is well deserved!"

4 I will take you down to page 448.
5 Sorry, page 447 there is an article posted by SS-88
6 entitled "Israel Criticized," letter March 15th. It
7 appears to be a pasting or a post -- a pasting on a
8 post of a Calgary Herald article.

9 MR. VIGNA: That is page 447 of the
10 website?

11 MR. CAMP: That is correct.

12 "The chronic Israel-basher of
13 the Herald's letters to the
14 editor, James Currie, is at it
15 again, berating Noel Hershfield
16 for daring in a recent letter to
17 hide behind the Holocaust and
18 anti-Semitism to apologize for
19 Israel's brutality to
20 Palestinians."

21 It talks about the root causes of
22 Palestinian terrorism. And after the post, there is a
23 response by Anonymous:

24 "We should always remember who
25 brought terrorism to the Middle

1 East. It was the Zionists.
2 Prior to the creation of the
3 entity in Palestine called
4 Israel, the Zionists had three
5 terrorist groups, the Hagana,
6 the Irgun, and the Stern Gang.
7 These three were responsible for
8 many terrorist attacks prior to
9 and following the creation of
10 Israel including blowing up the
11 King David Hotel in Jerusalem,
12 killing 91, the murder of over
13 300 British army personnel, and
14 the murder of numerous European
15 diplomats..."

16 It states that:

17 "The state of Israel was founded
18 on terrorism and continues to
19 exist on the basis of state
20 terrorism."

21 There are additional responses down
22 here by Der totenkopf:

23 "Israel should just be crushed."

24 Take you down to page 453. There is
25 an article posted by Der totenkopf titled "I Am So

1 Mad." He goes on to explain why:

2 "Went to the canucks game
3 tonight in 'hongcouver'. I
4 couldnt belive how many couples
5 I saw tonight of white men with
6 chiniess girlfriends. I mean
7 there were alot of them (ugly
8 babies there going to have) it
9 made me mad. These white men
10 with these ugly chiniess
11 smelling girls. Then after the
12 game I stopped off at McDonnalds
13 for a quick bite before heading
14 home! I was the only whiteman
15 in the whole place
16 (lol....meanwhile i was getting
17 alot of looks cause of my
18 skinnhead look and swastica
19 hat). All of them were speaking
20 in chiniess, the customers and
21 workers. Well i finnaly got my
22 grubb even though i could barely
23 understand the chinniess clerk,
24 then I realized in my hand, my
25 supersize McDonnals cup 'WAS ALL

1 WRITTEN IN CHINIESS' no english
2 on it! Grrrrrrrrr! The words
3 'McDonnalds' were in chiniess
4 and all the other writing on it.
5 what the hell is happing!
6 This is getting out of
7 hand!"

8 Todd Conroy responds:

9 "I cannot even imagine raising
10 children in that cesspool.

11 Explains that he is a stronger man
12 than him. And:

13 "I would be in jail within
14 months of living there full
15 time."

16 Der totenkopf explains:

17 "I'm getting to that boiling
18 point, that cup thing and them
19 ordering in chininess really
20 really got my blood boiling and
21 the last straw for me!"

22 WhiteEuroCanadian explains:

23 "I remeber walking into a
24 national Sub franchise and I
25 could not ever order a sub

1 because the chink had no idea
2 what I wanted. Since they didnt
3 speak english [or so they
4 pretened] I told the whole staff
5 off and left.

6 Me and my business ass.
7 Back in 90' made some t-shirts
8 with Vancouvers skyline but the
9 words HONGCOUVER across the top.
10 They sold great. Nobody I speak
11 with remembers the term
12 Hongcouver being used before we
13 came out with the t-shirts. I
14 have always wondered if we were
15 responsible for that term?
16 Better things to come."

17 Hab_girl says:

18 "The only reason why Der --
19 And I presume that's Der totenkopf.
20 "-- and I are still here is
21 because of his daughter. He
22 doesn't want to move away from
23 her, which is understandable."

24 Discussion about the child issue.

25 Sarephine says:

1 "WHAT!!! I would have demanded
2 my money back and handed the
3 food back..... But truely I
4 would NOT have ordered the food
5 from them.... ***shudder** I
6 have thoughts as to what MIGHT
7 have been done to the "burger"
8 when they saw your beautiful
9 shaved head (I am assuming) I
10 would be wondering what the
11 'secret sauce' really was...."

12 Goy fox explains:

13 "So you went to the HOCKEY game
14 and saw numerous white guys with
15 their chinese girl friends? Has
16 it not occurred to you that the
17 General Manager of the Canucks
18 hockey team has an oriental
19 WIFE, that a picture of their
20 new-born child (ugly as you
21 predicted) appeared in the
22 jewspaper recently, and that
23 said wife has a big-time job
24 mouthing off (in English) on a
25 jewishowned and controlled

1 Vancouver radio station? Just
2 trying to make your day!! Goy
3 fox."

4 Canadian_Kitten responds:

5 "If you want to really make
6 their slanty eyes go huge, go
7 into an asian supermarket that
8 hve the frogs etc. And pretend
9 to be a health inspector. Look
10 like you are examining
11 everything, and then say 'this
12 is horrid, once I get my permit
13 I will have a lot to write
14 about!' And leave in a huff. I
15 did this once and the next day I
16 drove by to see them inside
17 frantically cleaining their
18 dingy little shop."

19 I will take you down to 469.

20 Actually, 467. Title "Rash of anti-Jewish vandalism
21 met by chorus of condemnation." It looks like it is an
22 article posted by SS-88 onto WCFU on a post. It is an
23 article in regards to the rash of hate crimes that
24 occurred in the Toronto and Toronto area back then and
25 the responses by the political and law enforcement

1 leadership and community leadership.

2 MR. VIGNA: It is an article in the
3 Globe & Mail?

4 MR. CAMP: Appears to be. Looks like
5 there was swastikas on gravestones and then there is
6 responses. This one caught my attention:

7 "I hope Bernie Farber get's Alan
8 Berg'd some day."

9 Bernie Farber is one that comments in
10 this article.

11 MR. VIGNA: Do you know who he is?

12 MR. CAMP: Yeah, I don't know what
13 his position is, but I know who he is. It might
14 actually explain here.

15 MR. VIGNA: Which organization he
16 belongs?

17 MR. CAMP: I think it is the Canadian
18 Jewish Congress, but just hang on. Yes, it is.

19 "Bernie Farber, the Ontario
20 executive director of the
21 Canadian Jewish Congress, said
22 that 'it's not difficult to
23 knock over a gravestone, but to
24 knock over 22 of them takes a
25 lot of rage.... There are sick,

1 depraved cowards, anti-Semitic
2 cowards, who come to a cemetery
3 where people obviously cannot
4 fight back.'" "

5 The reason this post caught my
6 attention, Alan Berg was assassinated by a member of a
7 group called the Order, and I can't remember the exact
8 year. I am sure it was the 1980s. I would have to
9 double check that for you, Madam Chair.

10 But to me this is obviously saying, I
11 hope Bernie Farber gets Alan Berg'd. Alan Berg was a
12 Jewish radio host of a radio station, I forget which
13 city. I think it might have been New York. He was
14 assassinated by members of a group called the Order
15 that was led by a person by the name of David Lane, and
16 I forget the gentleman's name that assassinated and was
17 arrested. Again, I would have to check the details of
18 that.

19 But the bottom line is here that it
20 is a post basically advocating for Bernie Farber to be
21 assassinated. Then a comment:

22 "All's fair in love and war.
23 By goy fox."

24 MR. VIGNA: When you observed the
25 website overall, especially these portions, Sergeant

1 Camp, in terms of the modus operandi in putting a
2 newspaper article and seeing a series of postings
3 subsequent to that, what did you observe? What was the
4 intent of putting the newspaper article?

5 MR. CAMP: As mentioned previously, I
6 mean, what I am seeing through the multitude of
7 postings by SS-88 is that there is an attempt to evoke
8 discussion on the forum.

9 So, again, as mentioned, it would be
10 articles in regards to racial issues, religious issues,
11 and to be specifically sometimes to Judaism or crime
12 rates or immigration laws, and what it does is evoke
13 the general discussion along these general themes.

14 Okay. I will take you to 474. I
15 think it is probably -- I think it is in response to
16 the article here posted by SS-88 on page 471. It was
17 during the time when Sheik Ahmed Yassin was
18 assassinated, killed by Israeli police and the reaction
19 internationally because of it.

20 I will take you -- I won't go through
21 the whole article. There is posts here. One by
22 mathdoktor99 stating:

23 "It would be poetic justice if
24 the next Hamas bomb left a few
25 hundred of those rat-faced

1 parasitic vermin in wheelchairs
2 for life, doomed to live their
3 lives as quadrapelegics."

4 Again, that comment "rat-faced
5 parasitic vermin" is an attempt to describe Jewish
6 community in Israel.

7 MR. VIGNA: The picture Zionist
8 assassins, who do you recognize there?

9 MR. CAMP: Looks like George Bush,
10 Cheney, and the one to the left I can't really see. I
11 can't tell.

12 MR. VIGNA: What do they put on the
13 forehead as a symbol?

14 MR. CAMP: My opinion is they are
15 bullet holes, but...

16 Anyway, there is a post by SS-88 in
17 regards to his own post on the article:

18 "Lets hope Isreal gets what they
19 deserve. Maybe this will wake
20 the reast of the world up. Lets
21 hope....."

22 It says Post Number 474.

23 I will take you to page 477. There
24 is an article that is titled "Russia Ready to Vaporize
25 the Jewish State." If you look here, there is an

1 internet address here where you can bring your cursor
2 and click, and at the time you could find that article.
3 I don't think you can do it here, though.

4 Madam Chair, it is frozen here
5 because of what I tried to do there. Do we have
6 internet connection on this thing?

7 THE REGISTRAR: Yes, we do. The wire
8 is not in.

9 MR. VIGNA: For the purpose of the
10 record, can you just describe what you have just done,
11 Sergeant Camp, from the website?

12 MR. CAMP: The URL address that was
13 provided by the person that posted, I brought my cursor
14 up to that address and tapped on it and brought me into
15 the article.

16 Now, this is today's time as opposed
17 to when I viewed the website and saw the postings.
18 However, at the time this was posted, I was able to
19 back then in 2004 tap into the same article.

20 MR. VIGNA: You mentioned the address
21 for that right now, the internet address.

22 MR. CAMP:
23 www.joevialls.co.uk/myahudi/sunburn2.html.

24 MR. VIGNA: And you got that from
25 what link?

1 MR. CAMP: From the link that was
2 provided.

3 MR. VIGNA: At page?

4 MR. CAMP: Same address that was
5 given here.

6 MR. VIGNA: Just mention it for the
7 record the page on the website.

8 THE CHAIRPERSON: It is 477.

9 MR. VIGNA: Okay. Thanks.

10 MR. CAMP: Again, I just perused this
11 content at the time. I am just trying to get an idea
12 of what it was about now.

13 I am just going to go out of this,
14 Madam Chair. I am not sure it is worth a lot of
15 reading. Again, I am not going to read it right now
16 for the sake of them. I can give you a summary of what
17 it was about if I can just go back to the forum.

18 Mathdokter99 portrays this as a site
19 to go into and read and says:

20 "At the end of the day there is
21 only one solution when a dog
22 goes completely mad. You shoot
23 it through the back of the head
24 with a pistol - for the greater
25 good of the community at large."

1 SS-88 does respond to the article:

2 "Wow interesting article, Great
3 link! I must read now!"

4 MR. FROMM: Could we just make clear
5 for the record that that article was not -- that
6 article about Israel was not on the website?

7 MR. CAMP: I am sorry?

8 MR. FROMM: The article that you just
9 connected to over the internet was actually not on the
10 Western Canada For Us website?

11 MR. VIGNA: There was the link to it.

12 MR. CAMP: It was the link to it,
13 that is correct.

14 What is on the website is the address
15 to get to that article.

16 Going down to page 479 --

17 MR. VIGNA: Sergeant Camp, for the
18 purposes of brevity, maybe continue on going this way,
19 but try go to the main excerpts or else we will be here
20 too long going page by page. So just maybe focus on
21 the more important ones. But I will let you go, but
22 just maybe skip some that are repetitive.

23 MR. CAMP: Okay. Again, this one
24 here is titled "Paper Article." Cate8733, an Iranian
25 was the subject of an investigation and caught drawing

1 swastikas on a headstone in Jewish cemetery.

2 SS-88 responds:

3 "Some of the Iranians consider
4 themselves white, I also believe
5 they hate the Jews as well."

6 Another nasty reply is:

7 "All arabs dislike jews only in
8 this part of the world is it
9 precived to be only us."

10 Again, this shows that SS-88 is
11 involved in the conversation. There is a message here
12 by Exterminance saying:

13 "Here's all the countries the
14 Jews have been kicked out of."

15 Paragraph 2:

16 "There wasn't only one
17 'holocaust' against the Jews.
18 Now, when I say 'holocaust', I
19 am NOT buying the Jew story of
20 six million deliberate murders.
21 I believe as many as five
22 hundred thousand Jews did die,
23 most from typhus, some from
24 starvation or execution. The
25 'holocaust' as I acknowledge it

1 is simply the implementation of
2 the Final Solution, which was
3 the ethnic cleansing of Germany
4 by having all the Jews first
5 sent to concentration camps, and
6 then shipped from these camps
7 out of Germany."

8 Then it says that:

9 "This has happened over and over
10 and over again in European
11 history, and elsewhere as well."

12 And then continues with the argument
13 of it looks like justifying this Holocaust showing that
14 the Jews have been run out of all these other countries
15 as well.

16 MR. VIGNA: You are scrolling down
17 pages 480 and 482, right?

18 MR. CAMP: That is correct. Page
19 482:

20 "If it becomes common knowledge
21 that the 'holocaust' was simply
22 another repetition of an ongoing
23 cycle, people will finally stop
24 swallowing that garbage about
25 Adolf Hitler and the Nazis being

1 so bad, and start to ask
2 themselves."

3 And this is the crux of his argument:
4 "'... Just what exactly is it
5 about these Jews that makes
6 other people sooner or later not
7 want to have to put up with them
8 any more.'"

9 493. Madam Chair, this is not -- I
10 am trying to scroll down to --

11 THE REGISTRAR: If you press on 488
12 and write in your number. On the bottom where it says
13 485 of -- just click the 485.

14 MR. CAMP: That might work. Thank
15 you.

16 That would be faster. Down to page
17 493. SS-88 puts a post: "Thousands rally in Toronto
18 against anti-Semitic vandalism." Again, there was a
19 rally in Toronto because of the proliferation of
20 anti-Semitic crimes and incidents that occurred in
21 Toronto in March of 2004.

22 There is an article in the -- I am
23 not sure what paper, the National Post, I guess, is
24 where he posted this.

25 And then the subsequent responses to

1 that post from Irishcream:

2 "Yet not an article or vigelle
3 for the anticatholic slogans
4 written by the jews.
5 Rage... fury...."

6 Under Der totenkopf:

7 "Damn Jews."

8 "All I have to say is PUKE."

9 By cate8733. Mathdokter99 says in
10 the last sentence:

11 "That assumes the juden didn't
12 do it all themselves."

13 In regards to doing the crimes to
14 promote sympathy from the community.

15 Page 503. Exterminance posts an
16 article called "What is a 'Hate' Site?"

17 MR. VIGNA: Page 503?

18 MR. CAMP: Page 503. I don't think
19 there is anything in here that is -- there is general
20 discussion about hate sites and what constitutes a hate
21 site.

22 There is one mathdokter99:

23 "Anti-semite: Someone the Jews
24 hate.

25 Hate literature: Literature the

1 Jews hate.
2 Hate site: Any site the Jews
3 hate."
4 Big Jew Thread. Extermination posts:
5 "Yup, one thread to throw all
6 the Kosher kuts in. To be used
7 for all your 'Is so-and-so a
8 Jew?' Needs, or to make general
9 observances on our hook-nosed
10 parasitic infestors."
11 Explains that:
12 "I saw a Sephardic Jew in the
13 local Canadian Tire the other
14 day.
15 He shot him a dirty look
16 because of the Swastika belt
17 buckle he reckons."
18 Der totenkopf responds:
19 "The Jews are evil."
20 Again, I am perusing through some of
21 this stuff. It is just general conversation that
22 doesn't breach Section 13 -- or 319, sorry. Down to
23 page 521.
24 This is a thread on favourite quotes.
25 "What are some of your favourite quotes," kov asks,

1 entitled "Quotes," and responses by participants in the
2 discussion.

3 "The heaviest blow that ever
4 struck humanity was the coming
5 of Christianity. Bolshevism is
6 Christianity's illegitimate
7 child. Both are inventions of
8 the Jew.'
9 Adolf Hitler."

10 Other quotes by Adolf Hitler. More
11 quotes by Adolf Hitler. Again, Glenn this time, Post
12 Number 474 on April 6th posts:

13 "'My honour is my loyalty.'
14 Heinrich Himmler SS
15 Reichsführer."

16 MR. FROMM: I am a little confused
17 here. Are we still looking over the site to get a
18 general idea of what is there or are these things being
19 highlighted for us to Sergeant Camp things violate
20 Section 319?

21 We are getting a general sense, but
22 we are going so fast, like, we are going through what
23 is your favourite quotations? You mentioned a quote by
24 Adolf Hitler and then you said there is some others by
25 Adolf Hitler. I didn't have a chance to see what other

1 people thought their favourite quotation. What are we
2 interested in looking at here?

3 MR. VIGNA: Madam Chair, the whole
4 website is produced in evidence in the format of a CD
5 ROM and we are basically going through the highlights
6 of the website. Sergeant Camp did an investigation for
7 Section 319. Us, we are concerned with Section 13 of
8 the Canadian Human Rights Act, but the subject matter
9 is pretty much the same, which is hate.

10 So we are just bringing to the
11 highlights of the website that deal with hate and I
12 think the entire CD ROM is put in evidence and has been
13 disclosed. So if there is any cross-examination that
14 the respondent wants to make later on, he can actually
15 go to the various parts of the CD ROM that maybe have
16 not been explored in detail through the testimony, but
17 which are in evidence, nonetheless, as a result of the
18 CD ROM.

19 MR. CAMP: There was a fire at a
20 Jewish school in Montreal, an article posted by Glenn,
21 Post Number 474 on March 5th, 2004, and the
22 repercussions or the responses by the Jewish community
23 and the political leadership in Canada in regards to
24 that fire bombing in that school.

25 Der totenkopf states:

1 "You know it just would shock
2 me at all if the jews did this
3 themselves (starting the fire)
4 theres been to much latley of
5 this kind of stuff, and its
6 making us look bad, real bad, I
7 think its the jews doing it just
8 so the public can think it was
9 people like us. And then will
10 lose even more rights in this
11 country."

12 MR. VIGNA: Sergeant Camp, Irishcream
13 is a name that came up.

14 THE CHAIRPERSON: I am sorry,
15 Counsel, I can't hear you.

16 MR. VIGNA: Sorry. Sergeant Camp,
17 the name Irishcream, I believe, is a name that was
18 mentioned earlier.

19 MR. CAMP: Right.

20 MR. VIGNA: Do you remember?

21 MR. CAMP: I think Irishcream was
22 mentioned in the Peter Warren Show by the discussion
23 between Peter Warren, Richard and Glenn.

24 MR. VIGNA: Okay, that is it. Thank
25 you.

1 You are on page 528?

2 MR. CAMP: That is correct. I am
3 just moving down to page 530 here. Der totenkopf
4 states:

5 "I think the jews did it,
6 setting fire to a school of kids
7 is just the sympathy they want,
8 they did it. And we know it."

9 I will just see what the thread
10 starter was so you get an idea of the response by
11 Exterminance. It is called "Big Jew Thread," explains
12 what the WCFU is, the media condemning them for their
13 racial views, racial preservation.

14 So back down to 541:

15 "They themselves cannot help it.
16 The Electric Jew (television)
17 has ingrained into their minds
18 the belief that racism is evil
19 and must be eliminated at all
20 costs. They will not stop at
21 lies, slander, and violence.
22 They'd fly an airplane into a
23 building if they thought it
24 would further their cause.

25 They are exactly like George

1 Bush: No matter how much evil
2 they themselves commit, they are
3 not directly responsible; they
4 are mere puppets of the actual
5 instigator."

6 MR. VIGNA: And the date of that is
7 what date, April 2004?

8 MR. CAMP: April 13th, 2004.

9 MR. VIGNA: That is after the 9/11
10 incident?

11 MR. CAMP: That is correct. I think
12 that is the reference that Exterminance is making there
13 about flying planes into buildings to further their
14 cause.

15 Again, it is another --

16 MR. VIGNA: Can you read us the
17 passage where your cursor was just on, Establishment.

18 MR. CAMP: I am going to get to that
19 in two secs. I am just going to get back up to the
20 thread title. It is a long one posted by Ironheart.

21 MR. VIGNA: That is page 545.

22 MR. CAMP: Starts on 545.

23 MR. VIGNA: And you are reading from
24 page 549.

25 MR. CAMP:

1 "...instilled by the
2 Establishment's schools and
3 churches and perpetuated by the
4 Jewish-controlled media. This
5 undeserved shame inhibits the
6 lives of its victims, and must
7 be replaced by love for one's
8 Race and Nation.

9 Again, I won't go into the total and
10 complete content of it, but there is another reference
11 to the Jewish-controlled media:

12 "Despite what Establishment
13 academicians and the
14 Jewish-controlled media insist
15 you believe, male National
16 Socialists consider our racial
17 sisters partners in the struggle
18 for racial survival, as
19 activists, warriors, and
20 mothers."

21 Down here it says:

22 "Non-Aryans, in particular Jews,
23 regularly engage in activities
24 which inhibit the life, liberty,
25 or pursuit of happiness of

1 Aryans, and sometimes directly
2 harm individuals of our Race.
3 The effects of these
4 hatemotivated activities provoke
5 deep resentment and sometimes
6 defensive hatred in Aryan
7 racialists, occasionally
8 resulting in unfortunate
9 retributory measures against the
10 perpetrator. Despite this,
11 Aryan racialists strive to avoid
12 conflict with individuals from
13 different racial or ethnic
14 groups, extending due respect to
15 non-Aryans whenever possible."

16 Again, they reference the
17 Jew-controlled media on page 551.

18 MR. VIGNA: Can you read where it
19 says "Why Did Hitler Murder 6 Million Innocent People?"

20 MR. CAMP: After that question it
21 says:

22 "Contrary to popular belief, no
23 program of genocide against
24 European Jewry existed during
25 World War II. Unfortunate but

1 understandable deaths resulted
2 from Allied-inflicted acts of
3 war which crippled the German
4 economy and infrastructure,
5 leading to virtual cut-off of
6 supplies to the concentration
7 camps and the starvation or
8 death by disease of tens of
9 thousands of inmates.

10 There simply was no
11 deliberate program of genocide
12 planned and implemented by the
13 German government, nor is there
14 evidence for the existence of
15 gas chambers suitable for
16 mass-murder at the camps alleged
17 to be 'extermination centers.'

18 MR. VIGNA: That is at page 551?

19 MR. CAMP: Yeah.

20 MR. FROMM: Who posted that?

21 MR. CAMP: I will go back in one sec
22 and let you know.

23 "A Myth has been constructed
24 through sophistry from the
25 spurious allegations and

1 misrepresented facts regarding
2 the Jewish situation during
3 World War II as a weapon of
4 psychological and political
5 extortion and manipulation of
6 Western Peoples by Zionists and
7 their Judeophile apologists.

8 The 'Holocaust' is an
9 'historical fact' so flimsy it
10 must be supported by force,
11 legislation being enacted in
12 several "democratic" countries,
13 including France, Germany, and
14 Sweden, making it a criminal
15 offense to express doubt in any
16 aspect of its dogmatic 'truth.'"

17 Again, the reference on page 552:

18 "'Fascist' is regularly used by
19 the Jewish controlled media."

20 Explains what skinheads are:

21 "Skinheads are young Aryan men
22 and women who having been
23 bluntly exposed to the tragic
24 realities of today's 'New
25 America,' consequently become

1 disillusioned with the
2 Establishment's 'multicultural'
3 deathstyle and turn to racial
4 Idealism as a sounder means of
5 individual and community
6 development.

7 Contrary to the image of
8 Skinheads portrayed in the
9 Jewish-controlled media..."

10 So another reference to the
11 Jewish-controlled media. It goes on to explain
12 National Socialists Skinheads' mission.

13 MR. VIGNA: You read from page 552,
14 53?

15 MR. CAMP: That was 553, right.
16 Again, 554 there is other references to the
17 Jewish-controlled media. Right here:

18 "The Jewish-controlled media and
19 Establishment academicians and
20 politicians strive to deny the
21 present regime's legislation of
22 perverse morality."

23 On page 555, there is a question:

24 "Who are these world manipulators?"

25 "The World Manipulators are an

1 international network of highly
2 resourceful fanatics who believe
3 it their rightful destiny to be
4 Lords of the Earth. This
5 network of organized crime has
6 become a de facto, quasi-secret
7 "supergovernment", exercising
8 near absolute power over the
9 world's banking system, and
10 tremendous influence over the
11 world's mass media and most of
12 the world's ostensibly
13 legitimate governments.

14 Jews, members of a People
15 who have chosen themselves to
16 rule the World, comprise a
17 majority of the World
18 Manipulators, with substantial
19 numbers of Aryans and Asians
20 intoxicated with Judaic thought
21 also participating in this
22 obscene racket."

23 And the rhetoric continues on. Page

24 556:

25 "What is 'ZOG'?"

1 'ZOG', an acronym for
2 Zionist Occupation Government,
3 is a popular euphemism for the
4 alien anti-Americans, the
5 Washington Criminals, and their
6 willing collaborators..."

7 It says here:

8 "ZOG is "Zionist" because it
9 aims toward fulfillment of a
10 Jewish dream based on ancient
11 myth that Jerusalem would one
12 day be Capital of the World,
13 issuing commands to all Nations
14 of the Goyim (an usually
15 derogatory Yiddish term for 'the
16 Gentiles')."

17 Okay, the question --

18 MR. VIGNA: Who is the author who
19 posted that? Maybe go to the beginning of the thread.

20 MR. CAMP: Let me just get the thread
21 the beginning is on. Posted by Ironheart April 14th,
22 2004.

23 MR. VIGNA: That is at page 563,
24 right?

25 MR. CAMP: No, that was --

1 THE CHAIRPERSON: 556.

2 MR. VIGNA: Oh, sorry.

3 MR. CAMP: There is an article posted
4 by Exterminance titled "Somalis and Internet."

5 "There was a thread on
6 Stormfront about SomaliNet, now
7 SomethingAwful.com has gone
8 through it and picked out some
9 real gems.

10 Somalis, put down the
11 keyboards and pick your spears
12 back up. White culture is not
13 working for you!!!"

14 Smokeuman says:

15 "I really hate
16 'www.somethingawful.com'. When
17 I was recruiting on Newgrounds,
18 one of the lemmings put up a
19 link and the ignorant moron who
20 runs the site started slamming
21 Stromfront.

22 And I was wondering: When
23 the Somolians learned English,
24 was their teacher showing them
25 how to eat three bananas at once

1 in the process?"

2 Unfortunately this one is titled
3 "Long, Miserable Rant" by Exterminance on April 22nd.

4 MR. VIGNA: It is at page 5?

5 MR. CAMP: 588. I will try to get
6 the highlights on this one. Exterminance is from St.
7 John. Sounds like he has a crush on a beautiful girl
8 in town who leads a promiscuous life, that she casually
9 talks about methods of performing oral sex. She can't
10 count the guys she slept with.

11 "Then, a couple of weeks ago, at
12 the end of the work day, a
13 couple of Blacks came to the
14 side door of the restaurant, and
15 the preacher's daughter - who
16 works as a waitress here -
17 opened the door and chatted with
18 them a bit.

19 Now, in Fort St. John there
20 is no ghetto, so I guess the
21 chance of ghettotype,
22 super-violent Blacks showing up
23 are relatively slim - thus far.
24 Nonetheless, their appearance a
25 few minutes from closing at an

1 exit-only door put my hackles
2 up."

3 He goes on. The girl states to him
4 that she's dating a black and that his heart sank and
5 goes on to say:

6 "This girl is already far gone
7 as a tramp, but now race treason
8 had been added to the picture.
9 Why was this beautiful White
10 girl making such a mess of her
11 life?

12 The next day, I warned her
13 to use condoms, mentioning that
14 the HIV rate in Blacks was
15 something near %33 (and, since
16 most Blacks are just butt-ugly,
17 you can be sure it's the ones
18 which women decide look good
19 enough to sleep with who are
20 most likely infected)."

21 And that she assured him she'd use
22 condoms. Mentions that the black man walked into the
23 restaurant and that:

24 "The only race I feel hatred
25 towards is Jews - but the

1 thought of a White girl getting
2 intimate with one of these Black
3 baboons filled me with rage and
4 disgust."

5 And that he didn't converse with them
6 because it would initiate a fight.

7 He goes on to discuss a conversation
8 he had with this girl subsequent to this incident.

9 Explains to her that:

10 "'I think people should stick
11 with their own kind,' I replied.
12 'It makes me really angry to see
13 a Black go out with a White.'"

14 And that racism is more about being
15 about one's own race.

16 "Now this beautiful girl, my
17 co-worker, walks about with a
18 mind in the coffin and a body
19 soon to follow; her beauty
20 little more than a cruel joke,
21 temporarily covering the
22 worm-ridden animated corpse that
23 goes about wasting and
24 despoiling the beauty of our
25 race. And what sort of life

1 will her daughter choose - about
2 two years old, staying with
3 Grandma and Grandpa while her
4 mother sculpts her life into an
5 unending parade of nameless
6 penises trampling across her
7 face, now adding a Black to that
8 parade, and then what?"

9 He compares being with a black man to
10 a horse and a dog. Then explains in a paragraph:

11 "As long as I live, the Jews
12 have an enemy."

13 Then Glenn responds to this post:

14 "Well you did what you could and
15 it's to bad these immature girls
16 are ruining there lives. Come
17 to Alberta there is plenty of
18 room and work."

19 That is post 475. Jessy Destruction
20 responds:

21 "Hopefully all goes well and
22 that race-traiting [censored]
23 (as I like to call them) gets
24 what she deserves."

25 Cate8733 responds:

1 "No worries, as Glenn says come
2 to Alberta, we'll find somewhere
3 for you to stay..."

4 MR. VIGNA: Exterminator responds to
5 the comments of Glenn Bahr. "Thanks."

6 MR. CAMP: He responds to the posts
7 by everyone, it sounds like.

8 "Thanks for the support, folks."
9 Calling her a "race traitor girl"
10 here.

11 Go down to 641. Canadian_Kitten
12 posts a title, "do you find that native Canadians are,
13 in fact, a doomed race?"

14 "Growing up in a community with
15 a high Native population I have
16 seen, worked with, and have
17 spoken with a wide variety of
18 Natives. One thing remains the
19 same: I have yet to be
20 impressed.

21 Their whole race seems so
22 jaded that every offer of help
23 they receive goes to waste."

24 She explains she's sick of them
25 getting free education, government cheques and other

1 benefits that are not used for their traditional way of
2 life but for a satellite dish and alcohol.

3 Her theory is that:

4 "Natives have seeming
5 genetically over-run themselves
6 with cases of FAS (Fetal Alcohol
7 Syndrome) therefore they are
8 unable to make rational
9 decisions and hold any
10 responsibility."

11 Talks about white guilt.

12 MR. VIGNA: Sergeant Camp, just
13 before you go down, can you go up a little bit where it
14 says "moderators," can you mention the names that are
15 mentioned and what does that mean? Right under the
16 title.

17 MR. CAMP: Glenn,
18 Hapmaladroid, toth, mobile300,
19 Irishcream. Those are what are described as moderators
20 on the website, and I guess that there is discussion on
21 the website, their responsibility, from my experience,
22 is to moderate discussions.

23 MR. VIGNA: That is page 641?

24 MR. CAMP: Sorry?

25 MR. VIGNA: Page 641? Sorry to

1 interrupt.

2 MR. CAMP: Page 641.

3 The question that Canadian_Kitten

4 puts is:

5 "What are we to do with them?

6 Are there any parties willing to

7 challenge their monthly cheques

8 and tax exemptions? The days of

9 the wild west are now gone..."

10 There is some responses to that.

11 Canadian_kitten responds:

12 "With the amount spent on them

13 we could easily eliminate the

14 debt!"

15 WhiteEuroCanadian says:

16 "The Natives have willingly

17 abandoned their way of life.

18 The evil whiteman can't be

19 blamed for their choice."

20 He says:

21 "Instead of using the Billions

22 of dollars they get tax-free

23 each year to educate

24 themselves/get of welfare/get a

25 honest job/stop sniffing

1 glue/stop drinking Lysol, then.
2 Maybe they will get back their
3 way of life of their ancestors.
4 Sitting Bull is rolling in his
5 grave seeing what his people
6 have become."

7 And then explains that:

8 "At least when Geranimo
9 surrendered it was on his free
10 will."

11 And there is a response to this --
12 these threads in discussion SS-88 on 465, post 465
13 says:

14 "I think nature will take it's
15 course and they will eventually
16 destroy themselves."

17 Canadian_Kitten responds:

18 "The drugs and alcohol are doing
19 nice job so far."

20 Down here hab_girl says:

21 "Take the free help..... stop
22 the gambling, stop the drinking,
23 stop the drugs, stop the
24 abuse/violence... start being
25 the proud people you claim to

1 be!"

2 In response to SS-88's post "I think
3 nature will take its course and they will eventually
4 destroy themselves," B.C. WCFU moderator joins in and
5 says:

6 "Maybe Nature Will Try And Save
7 Time And Take The Fags, Spics,
8 [censored]s, And Jews Along For
9 The Ride..."

10 Page 657, Canadian Aryan has a post
11 on a thread that states:

12 "Alcohol and Indians don't
13 mix...It's proven time after
14 time. Sometimes when I drink to
15 much 'firewater' I can also go
16 Native...:)"

17 Again, this is when Glenn, the head
18 administrator in post 465 says or markets or advertises
19 the interview that he is going to have on the Peter
20 Warren Show. He states:

21 "Next Sunday I will be doing a
22 radio interview with Peter
23 Warren at 12:00 noon Alberta
24 time on CKNW/Corus Radio
25 Network."

1 Again, as we saw earlier, the
2 testimony that Glenn Bahr was the one that conducted
3 the interview. And throughout this post, he ensures
4 that everybody knows the time and date of the interview
5 and what the interview is about. Numerous posts here
6 by Glenn regards to this.

7 This is a thread about the upcoming
8 protests and SS-88 responds to the thread on the
9 post -- on a post that he will not be wearing Nazi gear
10 at the protest.

11 Post by Glenn with regards to an
12 article about "Martin to polish Indian Act and give
13 Metis their due." And he also responds to his own post
14 as well:

15 "...Indian Affairs Department in
16 order to get more bang for the
17 \$8 billion spent annually on
18 aboriginals.

19 This is ridiculous. What has
20 this 8 billion dollars
21 accomplished thus far?"

22 I am going to have to go to the top
23 of this thread to see what it is about. It is an
24 article "Enoch signs historic land claim," Glenn posts:

25 Cate8733 responds to the post by

1 Glenn:

2 "The Enoch Cree Nation will
3 receive \$54 million in
4 compensation from the federal
5 government to resolve a
6 century-old land claim that
7 covers 26 square kilometres of
8 west Edmonton."

9 Cate8733 responds to the post by

10 Glenn:

11 "Fabulous, let's give them more
12 money so that they can just buy
13 the "Lysol Company", perhaps
14 with the left over reserve's
15 they can purchase a small
16 medical facility to revive their
17 butt's instead of wasting tax
18 dollars in public hospital;s.
19 OR..."

20 MR. VIGNA: That is page 704?

21 MR. CAMP: Page 704.

22 "Maybe if lef talone long enough
23 they'll all just inillate
24 themselfs."

25 Exterminance posts an article that

1 was written by David Lane, "the 88 Precepts."

2 MR. VIGNA: That is at page 716?

3 MR. CAMP: It is on page 716. That
4 is correct. I will just highlight. I won't go into
5 all 88 Precepts, Madam Chair. I will just highlight a
6 few of the sections here.

7 I will go down to Section 7:

8 "Religion in its most beneficial
9 form is the symbology of a
10 People and their culture. A
11 multi-racial religion destroys
12 the senses of uniqueness,
13 exclusivity and value necessary
14 to the survival of a race."

15 Section 14 on page 718:

16 "In accord with Nature's Laws,
17 nothing is more right than the
18 preservation of one's own race."

19 MR. VIGNA: 21?

20 MR. CAMP: On page 719, Section 21:

21 "People who allow others not of
22 their race to live among them
23 will perish, because the
24 inevitable result of a racial
25 integration is racial

1 inter-breeding which destroys
2 the characteristics and
3 existence of a race.

4 Forced integration is
5 deliberate and malicious
6 genocide, particularly for a
7 People like the White race, who
8 are now a small minority in the
9 world."

10 MR. VIGNA: 23?

11 MR. CAMP: Thank you.

12 Political, economic, and
13 religious systems may be
14 destroyed and resurrected by
15 men, but the death of a race is
16 eternal."

17 MR. VIGNA: 26?

18 MR. CAMP: 26.

19 THE CHAIRPERSON: Excuse me. I just
20 can't imagine it is possible that the Court Reporter is
21 able to type that quickly.

22 MR. CAMP: I will slow down. Section
23 26 on page 719:

24 "Nature has put a certain
25 antipathy between races and

1 species to preserve the
2 individuality and existence of
3 each. Violation of the
4 territorial imperative necessary
5 to preserve that antipathy leads
6 to either conflict or
7 mongrelization."

8 Section 27:

9 "It is not constructive to hate
10 those of other races, or even
11 those of mixed races. But a
12 separation must be maintained
13 for the survival of one's own
14 race. One must, however, hate
15 with a pure and perfect hatred
16 those of one's own race who
17 commit treason against one's own
18 kind and against the nations of
19 one's own kind. One must hate
20 with a perfect hatred all those
21 People or practices which
22 destroy one's People, one's
23 culture, or the racial
24 exclusiveness of one's
25 territorial imperative."

1 MR. VIGNA: 28.

2 MR. CAMP: 28, starting on page 719:

3 "The concept of a multi-racial
4 society violates every Natural
5 Law for species preservation."

6 Section 29 on page 720:

7 "The concept of 'equality' is
8 declared a lie by every evidence
9 of Nature. It is a search for
10 the lowest common denominator,
11 and its pursuit will destroy
12 every superior race, nation or
13 culture. In order for a plow
14 horse to run as fast as a race
15 horse you would first have to
16 cripple the race horse;
17 conversely, in order for a race
18 horse to pull as much as a plow
19 horse, you would first have to
20 cripple the plow horse. In
21 either case, the pursuit of
22 equality is the destruction of
23 excellence."

24 And on Section 32.

25 MR. VIGNA: Page 720.

MR. CAMP:

"Miscegenation, that is race-mixing, is and has always been, the greatest threat to the survival of the Aryan race."

33:

"Inter-species compassion is contrary to the Laws of Nature and is, therefore, suicidal. If a wolf were to intercede to save a lamb from a lion, he would be killed. Today, we see the White man taxed so heavily that he cannot afford children. The taxes raised are then used to support the breeding of tens of millions of non-whites, many of whom then demand the last White females for breeding partners. As you can see, man is subject to all the Laws of Nature. This has nothing to do with morality, hatred, good or evil. Nature does not recognize the concepts of good and evil in

1 inter-species relationships. If
2 the lion eats the lamb, it is
3 good for the lion and evil for
4 the lamb. If the lamb escapes
5 and the lion starves, it is good
6 for the lamb and evil for the
7 lion. So, we see the same
8 incident is labelled both good
9 and evil. This cannot be, for
10 there are no contradictions
11 within Nature's Laws."

12 MR. VIGNA: 37?

13 MR. CAMP: I will go to 35.

14 "Homosexuality is a crime
15 against Nature. All Nature
16 declares the purpose of the
17 instinct for sexual union is
18 reproduction and thus,
19 preservation of the species.
20 The overpowering male sex drive
21 must be channeled toward
22 possession of females of the
23 same race, as well as elements
24 such as territory and power,
25 which are necessary to keep

1 them."
2 Madam Chair, initially in the Section
3 319(2) investigation, we did not include this Section
4 35 because it was prior to Bill C-250 where sexual
5 orientation for hate propaganda was not included in the
6 list of identified groups that were protected.

7 Section 37 page 721:

8 "That race whose males will not
9 fight to the death to keep and
10 mate with their females will
11 perish. Any White man with
12 healthy instincts feels disgust
13 and revulsion when he sees a
14 woman of his race with a man of
15 another race. Those, who today
16 control the media and affairs of
17 the Western World, teach that
18 this is wrong and shameful.
19 They label it 'racism.' As any
20 'ism,' for instance the word
21 'nationalism,' means to promote
22 one's own nation; 'racism'
23 merely means to promote and
24 protect the life of one's own
25 race. It is, perhaps, the

1 proudest word in existence. Any
2 man who disobeys these instincts
3 is anti-Nature."

4 MR. VIGNA: 57, page 723?

5 MR. CAMP: Thank you.

6 Section 57, page 723:

7 "Propaganda is a legitimate and
8 necessary weapon in any
9 struggle. The elements of
10 successful propaganda are:
11 Simplicity, emotion, repetition,
12 and brevity. Also, since men
13 believe what they want to
14 believe, and since they want to
15 believe that which they perceive
16 as beneficial to themselves,
17 then successful propaganda must
18 appeal to the perceived
19 self-interest of those to whom
20 it is disseminated."

21 MR. VIGNA: 66 and 67, page 724.

22 MR. CAMP: Section 66:

23 "The organic founding Law of the
24 Nation, or any law, is exactly
25 as pertinent as the will and

1 power to enforce it."

2 And 67 states.

3 "An unarmed or non-militant

4 People will be enslaved"

5 Almost done with the forum. Two more
6 pages, Madam Chair.

7 MR. VIGNA: Page 728?

8 MR. CAMP: That is correct.

9 Exterminance's listing his views, one of them being an
10 homosexuality:

11 "Homosexuality... I've met
12 enough homosexuals to know that
13 their condition affects more
14 than just their sexuality; it
15 affects their entire
16 personality. A man is meant to
17 fulfill certain societal roles,
18 and the typical homosexual
19 personality is very much an
20 obstacle in fulfilling these
21 roles. Also, if it is proven
22 genetic, that does not
23 particularly legitimize it; it
24 would be a good reason to apply
25 a eugenics program.

1 However, I'm not too
2 concerned about homosexuality.
3 I feel somewhat confident that
4 elimination of the Jew will
5 result in a decline in the
6 proliferation of homosexuality,
7 as it is Jewish doctrines of
8 neo-Liberalism that encourage
9 'experimentation' with 'sexual
10 diversity' and 'celebration' of
11 sexual deviance."

12 Page 762, title of "Indians get more
13 again." WhiteEuroCanadian is complaining that:

14 "The local stupid goverment has
15 committed close to \$300,000 for
16 teaching indians in 7 local
17 schools learn about their
18 culture. [Heck they need to
19 learn how to properly inhale
20 glue and how to get handouts?]

21 In Edmonton schools there
22 are 6,000 students who
23 self-identify themselves as
24 indians. Another 2,000 are
25 indians but dont identify

1 themselves as such [even at that
2 young age they are ashamed to
3 say they are indians]. Out of
4 all of them only 700 or so will
5 get this new program.

6 The same board has already
7 tried to fester pride by
8 offering language classes in
9 Cree [their parents are too dumn
10 to teach them themselves?] The
11 classes will not teach world
12 history or even science etc.
13 Instead it will teach indian
14 visual arts, indian social
15 studys, indian language arts
16 [whatever the heck that is] to
17 apperantly foster culture pride
18 and feelings of inclusion."

19 MR. VIGNA: That is page 762?

20 MR. CAMP: That is correct. He

21 states:

22 "The true reason showed its evil
23 head, teach us tollerance? All
24 that is is more brainwashing."

25 Sarephine explains:

1 "Hummm maybe after they learn
2 how to be chuggs they can all be
3 sent to that wasteland chug
4 province up north."

5 Canadian_Kitten responds:

6 "Perhaps they need a course on
7 how to get pregnant early and
8 plague the rest of us with their
9 crap for generations to come."

10 In response to that last comment,

11 WhiteEuroCanadian responds back:

12 "They got that down pat all
13 ready."

14 Euro Canadian says:

15 "True and excellent responses,
16 people!"

17 That is the end of that thread.

18 MR. VIGNA: Madam Chair, perhaps at
19 this point to take a break to give a bit of rest to the
20 witness and stenographer.

21 THE CHAIRPERSON: My goodness. It is
22 quarter after 3. Sure, 15 minutes. I will see you at
23 3:30.

24 --- Upon recessing at 3:15 p.m.

25 --- Upon resuming at 3:30 p.m.

1 THE CHAIRPERSON: Good afternoon.

2 THE REGISTRAR: Be seated.

3 THE CHAIRPERSON: Thank you.

4 We will carry on. I just note for
5 the record that the respondent and his representative
6 aren't in the room presently, but pursuant to my
7 direction yesterday, we are going to continue.

8 So, Counsel?

9 MR. VIGNA: Sergeant Camp, we had
10 left off the discussion forum of the website. I would
11 just like to go very quickly with you the links to the
12 other websites which the website in question link to.
13 So can you go to the main page and show us some of the
14 key links that are of particular interest.

15 MR. CAMP: When you go to the home
16 page of Western Canada For Us, which is also page 1 in
17 this PDF file, again, I will bring your attention to
18 this box right here that is titled "Main Menu." On the
19 main menu you can go to the home page, which is the one
20 that we are on. You can read about the mission
21 statement of the Alberta Chapter and the B.C. Chapter.

22 We just went through the forum, the
23 discussions on the forum, so you can go to there as
24 well. Articles you can submit an article as well to
25 add to discussions and you can also go to download

1 section.

2 What I am going to do is do a --

3 MR. VIGNA: You are clicking on links
4 on the web page?

5 MR. CAMP: Now, what the links are,
6 once we get there, are links to general resources that
7 are available through the WCFU website. What I would
8 like to show, with the permission of Madam Chair, this
9 is the May 7th PDF file. If I could go into the March
10 31st PDF file. This might take a moment.

11 This is our first time into the March
12 31st file. Again, March 31st there was requests made
13 to our Tech Crimes Section. They took a mirror image
14 or a picture of the website.

15 MR. VIGNA: If you go down to the
16 bottom of that page, isn't there the links, at the very
17 bottom of the page?

18 MR. CAMP: Oh, here is the links
19 here. So like I took do you to the main menu, down to
20 links and you get into a number of other websites, and
21 as it says here in the title page category "Canadian
22 White Nationalist Resources For Canadians."

23 MR. VIGNA: Go to Canadian Heritage
24 Alliance. We see that in the evidence at one point.

25 MR. CAMP: Okay. So what you can do

1 is you can tap into the address and we will see if this
2 works.

3 MR. VIGNA: That is at what page are
4 we on?

5 MR. CAMP: Page 18.

6 MR. VIGNA: And you are clicking on
7 the link to Canadian Heritage Alliance, right?

8 MR. CAMP: That is correct. I am
9 just waiting for it to come up.

10 So what you will see and, again, this
11 is -- what you are seeing today is real-time today, but
12 back in 2004 this is what you'd be able to get through
13 the Western Canada For Us website, which is links to
14 other websites as a resource material.

15 THE CHAIRPERSON: So this is a
16 current -- this is the way the website looks currently,
17 not in 2004?

18 MR. CAMP: That is correct. But I
19 can tell you in 2004 when I went through the links, I
20 could go into the Canadian Heritage Alliance website
21 back then as well, and it is still available today.

22 What I will do next is I will show
23 you the links that are available. There is Canadian
24 Heritage Alliance. There is the British Union, British
25 People's League, Canadian Association For Free

1 Expression, Northern Alliance, Volksfront.

2 MR. VIGNA: Can you go into Northern
3 Alliance? There is quite a bit of --

4 MR. CAMP: Okay. Again, this will be
5 what you can view today. Again, you could go in 2004
6 into the same website. There would obviously be some
7 changes to the website since then.

8 MR. VIGNA: Maybe it doesn't exist
9 anymore that website.

10 MR. CAMP: We will find out. If it
11 doesn't exist -- it may not exist anymore. That is why
12 it is taking so long.

13 MR. VIGNA: Move on. We don't need
14 to see.

15 MR. CAMP: There is also the New
16 Nation Party, the Nationalist Party, B.C. White Pride,
17 National Alliance. You can go into also Stormfront.
18 You can go into the Aryan Nations.

19 MR. VIGNA: Go into Stormfront,
20 please.

21 MR. CAMP: I just tapped into the
22 Aryan Nations. Just hang on.

23 MR. VIGNA: Okay. We are at page 20?

24 MR. CAMP: That is correct. I don't
25 know why this one is taking so long.

1 MR. VIGNA: You can move on.

2 MR. CAMP: There it is there. So,
3 again, this is real-time now. This is today's Aryan
4 Nations website. "Master plan against your race,
5 crushing the serpent."

6 MR. FROMM: I object to this. This
7 is what would be -- what you would see if you were to
8 click on it today.

9 MR. CAMP: That is correct.

10 MR. FROMM: We have no way of knowing
11 what was there.

12 MR. CAMP: I was mentioning that.

13 THE CHAIRPERSON: Thank you,
14 Mr. Fromm.

15 I agree. So I don't know that it is
16 particularly helpful to be going through the links.
17 Knowing what the links are is --

18 MR. CAMP: Okay, sufficient. So Our
19 Race is Our Nation, Knights of the Ku Klux Klan,
20 Volksfront International, White Renegade, the Zündel
21 Site. You can get merchandise through Panzerfaust
22 Records, White Power Warehouse, Aryanwear, Micetrap
23 Distribution and Diehard Records.

24 Those are the links that are
25 provided.

1 MR. VIGNA: Are you familiar with
2 White Renegade, the site, not going into it, but just
3 the site? Are you familiar with it?

4 MR. CAMP: Yeah, the White Renegade
5 site is particularly anti-Semitic from the -- when I
6 viewed it back in 2004, and particularly offensive
7 towards minority communities as well.

8 In fact, I shouldn't say the word
9 "offensive." Basically White Renegade's website
10 violates Section 319(2) of the Criminal Code. It is
11 based out of British Columbia.

12 MR. FROMM: I have to object. I
13 think the Sergeant is giving a legal opinion. If they
14 haven't been charged and convicted, I don't think he
15 can say that.

16 THE CHAIRPERSON: Has there been any
17 can charges?

18 MR. CAMP: I think there has been a
19 charge. It is B.C. Hate Crimes Unit, I think, has
20 charged the owner of that website, as far as I know. I
21 am not sure it is gone before the Courts yet.

22 THE CHAIRPERSON: Sergeant Camp was
23 qualified as an expert yesterday on the issue of hate
24 crimes, so his evidence, his opinion evidence is not
25 determinative of the issue, but it is certainly

1 admissible.

2 MR. FROMM: He wasn't tendered as an
3 expert witness. He was tendered as a witness of fact.

4 THE CHAIRPERSON: He was tendered as
5 an expert witness.

6 MR. FROMM: There was a comment in
7 his CV that an Alberta Court, I believe, had accepted
8 him as a witness in some case, but he is not being
9 tendered as an expert witness here. There has
10 certainly not been an expert report. We have had his,
11 I guess, report for the Section 319 charges. We have
12 had the Affidavit of the search warrant that was
13 executed on Glenn Bahr, but we haven't had an expert
14 report.

15 MR. VIGNA: We haven't tendered him
16 as expert, Madam Chair, but he is familiar with the
17 area of hate.

18 THE CHAIRPERSON: Thank you, Counsel.

19 MR. VIGNA: But I don't insist on the
20 particular last aspect of his testimony. I think the
21 evidence will be sufficient.

22 THE CHAIRPERSON: Thank you. Carry
23 on.

24 MR. CAMP: Madam Chair, as mentioned
25 earlier, in regards to the forum that we looked at on

1 May 7th, again, this is the March 31st picture, and I
2 am not sure what you would like to do. There are a
3 number of additional pieces of commentary on the forum
4 here on March 31st that is different than the stuff on
5 May 7th.

6 THE CHAIRPERSON: M-hm.

7 MR. CAMP: I am not sure if you want
8 to view it. There is just, like I say, probably maybe
9 ten.

10 THE CHAIRPERSON: If there is
11 anything that, Counsel, you feel is particularly
12 salient, I am happy to hear it.

13 MR. VIGNA: I didn't hear the last
14 part of what you said.

15 MR. CAMP: This is, again, the March
16 31st picture of the website. Again, as I mentioned,
17 there is a number of discussion pieces and posts and
18 threads that are identical to the May 7th content.

19 However, there are additional ones
20 that aren't on the May 7th picture in regards to
21 discussion that we would consider that violate Section
22 319 or pieces of the puzzle, I guess, of the totality
23 of the content.

24 So I am not sure if you want to
25 review those ones from this site on the forum.

1 MR. VIGNA: Show us one or two.

2 MR. CAMP: Okay. On page 142. I
3 found in interesting not so much because of the
4 content, but the title is new downloads. It is
5 authored by SS-88:

6 "I have just added some
7 literature on the downloads
8 section. Check it out."

9 This is on March 13th.

10 We will be going into the literature
11 that SS-88 says he has added in the download section
12 after we finish with this.

13 Page 304.

14 THE CHAIRPERSON: Sergeant, it
15 appears that these website are cumulative, that posts
16 get added rather than deleted. That is what it seems
17 that I have been viewing.

18 Can you tell me why the March 31st
19 site, which would predate the May site that we were
20 looking at, would have some things missing from it?

21 MR. CAMP: My only answer to that
22 would be that you can also delete threads from the
23 paste off your website.

24 THE CHAIRPERSON: Okay. So who can
25 do that?

1 MR. CAMP: The head administrator.

2 I would say the person that has
3 control of what is being -- the person that has control
4 of the content, they want to add or delete on the
5 website, they would have that, I guess, prerogative to
6 add or delete what they wish.

7 You can add or delete onto a website,
8 if you have that control, from any computer in the
9 world, if you have that control.

10 This can be seen in the May 7th one
11 in regards to the execution of Sheikh Ahmed Yassin.

12 There is some -- a post down here
13 where SS-88 shows content control by saying:

14 "I censored the word "kill"
15 incase someone uses it in a
16 threatening way. I have
17 uncensored it."

18 On this one, SS-88 speaks about the
19 protests and where it will be held, that is the free
20 Ernst Zündel protest for March 28th. It explains
21 things that he will be doing as he facilitates this.

22 Then after the protest, he explains
23 it was a great success:

24 "I would like to thank everyone
25 who helped out and showed up."

1 Then says down here:

2 "Pictures will be posted
3 shortly."

4 As you noticed on the pictures
5 portion, every picture is posted by Glenn, again,
6 showing content control.

7 Again, in this thread he is getting
8 some information that he wants to add to our links
9 section, again, SS-88, page 158.

10 "Thanx for the great info bro!
11 Email me the KKK website link so
12 I can add it to our links
13 section."

14 Again, showing the control of the
15 content on the website.

16 Here SS-88 posts a story about booing
17 the U.S. flag prompts a school apology, and then later
18 on in this thread -- it is just frozen here. I don't
19 know how to fix this.

20 Okay, we will move on to another
21 section here. This one, actually, is another repeat.
22 We read this one about the Jews not opening up the golf
23 course.

24 I should actually focus on this one,
25 too. You can see, again, it is the March 31st one and,

1 again, it is still there on May 7th, which is five
2 weeks this post and thread has been left there.

3 MR. VIGNA: Sergeant Camp, we are
4 going to carry on with the CD ROM later with the
5 complainant. I am going to ask you questions leading
6 to the arrest and charge and the issue of the bail
7 conditions.

8 MR. CAMP: Sure.

9 MR. VIGNA: As a result of your
10 investigation, at the end of the investigation did you
11 proceed to an arrest? Where and what happened exactly
12 and tell us basically in a nutshell, who did you
13 arrest, where and what happened?

14 MR. CAMP: I will refer to Tab 8 in
15 regards to the arrest of Glenn Bahr, which occurred in
16 January.

17 MR. VIGNA: Page 28.

18 MR. CAMP: Thank you.

19 That is not the arrest. That is the
20 warrant. There is no copy of the subsequent arrest of
21 Glenn Bahr in Tab 8.

22 I can tell you this, Madam Chair,
23 that in order for us to lay a charge of willful
24 promotion of hatred, we have to get consent of the
25 Attorney General and that consent was given on January

1 7th, 2005.

2 MR. VIGNA: You are referring to Tab
3 Number 4?

4 MR. CAMP: No, in Tab 3.

5 MR. VIGNA: Tab 3?

6 MR. CAMP: Director of Special
7 Prosecutions, Criminal Justice Division reviewed the
8 file and approved the Canada-wide warrant for the
9 arrest of Glenn Bahr on the willful promotion of
10 hatred, based on the information before the Crown's
11 office.

12 MR. VIGNA: I would like to produce
13 that as an exhibit just for the purposes of chronology,
14 Madam Chair.

15 THE CHAIRPERSON: Yes.

16 THE REGISTRAR: The letter dated
17 January 7, 2005, signed by Gregory Blake Lepp addressed
18 To Whom It May Concern regarding Glenn Bahr will be
19 filed as Commission Exhibit HR 15.

20 * EXHIBIT NO. HR-15: Letter dated
21 January 7, 2005, signed by
22 Gregory Blake Lepp addressed To
23 Whom It May Concern regarding
24 Glenn Bahr

25 MR. CAMP: Subsequent to the approval

1 of a Canada-wide warrant, on January 7th, I received
2 consent from the Attorney General, Alberta Justice.

3 MR. VIGNA: That is in Tab 4?

4 MR. CAMP: Tab 4.

5 MR. VIGNA: I would like to produce
6 that as an exhibit also.

7 THE REGISTRAR: The consent of the
8 Attorney General dated January 7, 2005, will be filed
9 as Commission Exhibit HR-16.

10 * EXHIBIT NO. HR-16: Consent of
11 the Attorney General dated
12 January 7, 2005

13 MR. CAMP: And then on Tab 5, there
14 was approval to go, again, for a Canada-wide warrant on
15 Glenn Bahr.

16 MR. VIGNA: And then there is Tab 6?

17 MR. CAMP: Tab 6 was the 10th of
18 January, 2005 when we received the endorsement of the
19 warrant into British Columbia by a Justice of the Peace
20 in the province of British Columbia.

21 MR. VIGNA: I would like to
22 produce --

23 MR. CAMP: Sorry, where they
24 authorized the arrest of Glenn Bahr.

25 MR. VIGNA: I would like to produce

1 that as an exhibit.

2 THE REGISTRAR: Should we have 5
3 first?

4 MR. VIGNA: Five hasn't been
5 produced?

6 THE REGISTRAR: No. The Affidavit of
7 Kimberly -- what is the last name? Sorry, I can't make
8 out the last name.

9 THE CHAIRPERSON: Looks like
10 R-I-O-P-K-U.

11 THE REGISTRAR: Dated January 7,
12 2005, will be marked as Commission Exhibit HR-17.

13 * EXHIBIT NO. HR-17: Affidavit of
14 Kimberly Riopku dated January 7,
15 2005.

16 MR. VIGNA: Madam Chair, just a
17 technical issue. My colleague advises me that perhaps
18 there is a mistake in HR-14, one of the documents.

19 THE REGISTRAR: We removed HR-14 and
20 we don't reuse the same number, so we go to Number 15.

21 The Endorsement of Warrant in the
22 Province of British Columbia signed by the Justice of
23 the Peace of the Province of British Columbia will be
24 filed as Commission Exhibit HR-18.

25 * EXHIBIT NO. HR-18: Endorsement

1 of Warrant in the Province of
2 British Columbia signed by the
3 Justice of the Peace of the
4 Province of British Columbia

5 MR. VIGNA: Just explain Tab 6 very
6 quickly, the Endorsement of Warrant. What is the
7 purpose of that?

8 MR. CAMP: Well, in order to go into
9 another province and execute a warrant, an arrest
10 warrant, we need approval from the Justice of the Peace
11 of that province to give us that endorsement.

12 So when we flew into British Columbia
13 on that day, we went to the courthouse in Abottsford,
14 B.C. and received endorsement by the Justice of the
15 Peace there.

16 MR. VIGNA: Then is there a charge
17 that is laid eventually in Tab 7?

18 MR. CAMP: Yeah, the Information is
19 laid on January 7th, 2005, in Tab 7 and is endorsed by
20 a Justice of the Peace there.

21 MR. VIGNA: You are familiar with the
22 documents?

23 MR. CAMP: Yes, I am. That is my
24 signature on the bottom right.

25 MR. VIGNA: I would like to file this

1 document.

2 THE REGISTRAR: I am sorry, could you
3 help me out?

4 MR. VIGNA: Tab 7, Information of a
5 criminal charge against Mr. Glenn David Bahr for
6 violations of Section 319(2) of the Criminal Code.

7 THE REGISTRAR: The document as
8 described will be filed as Commission Exhibit HR-19.

9 * EXHIBIT NO. HR-19: Information
10 of a criminal charge against
11 Mr. Glenn David Bahr for
12 violations of Section 319(2) of
13 the Criminal Code

14 MR. VIGNA: Now, as a result of this,
15 yesterday where you mentioned going a little bit
16 forward to the arrest and certain observations on the
17 body of Glenn Bahr, can you refresh our memory on that
18 particular aspect of the evidence?

19 MR. CAMP: I spoke to you in regards
20 to tattoos on the body?

21 MR. VIGNA: Yeah.

22 MR. CAMP: Yeah, that was during the
23 search warrant when I asked him about the tattoos.

24 MR. VIGNA: That was during the
25 search warrant?

1 MR. CAMP: That is correct.

2 MR. VIGNA: Can you tell us, then, as
3 a result of this criminal charge, were there bail
4 conditions, and if they are existing today what they
5 are, most particularly regarding the use of the
6 internet for Mr. Bahr?

7 MR. CAMP: Right. Glenn Bahr was
8 arrested in Langley, B.C., at his residence and flown
9 out to Alberta where we processed him in the Arrest
10 Processing Unit of Downtown Division and the on the
11 bail that we had ask for his release --

12 MR. VIGNA: In Tab 8?

13 MR. CAMP: In Tab 8, page 7. And I
14 will go actually, page 8, Condition Number 2 and 3:

15 "Not to be in possession of a
16 computer, terminal, hard drive
17 or any similar components that
18 may assist in electronic
19 communication on the internet or
20 the World Wide Web."

21 And Number 3:

22 "Not to be on-line from any
23 internet connection with any
24 hate site in the world."

25 Those conditions have since been

1 relaxed.

2 MR. VIGNA: How have they been
3 relaxed and since when, to the best of your knowledge?

4 MR. CAMP: To the best of my
5 knowledge, they were relaxed during the Preliminary
6 Inquiry, which is halfway through right now. The
7 second half is in October but there was requests made
8 by Bahr's counsel to relax the conditions so that he
9 could have access to the internet, and if I remember
10 correctly -- like I say, I don't have the document
11 here. There was not any argument from the Crown. He
12 was able to access the internet on a computer from a
13 public site for personal reasons such as banking and to
14 do research as well.

15 MR. VIGNA: From your familiarity
16 with the criminal process, bail conditions last until
17 when exactly? Are they forever or are they until the
18 proceedings?

19 MR. CAMP: They would be until the
20 criminal trial is complete.

21 MR. VIGNA: And is the criminal trial
22 complete?

23 MR. CAMP: We are still halfway
24 through the Preliminary.

25 MR. VIGNA: I just would like to take

1 you to page 11 of your Investigation Report, Tab 8.

2 MR. CAMP: Yes, sir.

3 MR. VIGNA: Actually, page 12, the
4 following page. Can you just give us what you are
5 talking about in paragraph 6, 7 and 5 about the
6 internet and the ISP and all that?

7 MR. CAMP: Basically in my
8 conversations with Technological Crimes Section, it is
9 just general knowledge of the internet and the World
10 Wide Web, basically the internet is a worldwide
11 computer network that does not know geopolitical
12 boundaries.

13 On the internet, there is transfer of
14 communications and data that is ongoing, and that to
15 access the internet you need to access it through an
16 internet service provider that connects it to the
17 internet.

18 One of the components of the internet
19 is the World Wide Web. Basically the World Wide Web is
20 graphical pages that can display information and host
21 discussions, function as forums for communication
22 between the host and the reader, that there are sites
23 that are completely accessible to members of the public
24 and there are sites that are accessible only either by
25 membership or by payment.

1 Websites are said to be hosted on a
2 computer, that the data which comprises the website can
3 be designed, maintained and updated from any authorized
4 computer anywhere in the world, and it doesn't have to
5 be in the same jurisdiction or physical proximity of
6 the website's host.

7 MR. VIGNA: Madam Chair, we are just
8 looking for a document, if you can bear with me a
9 second.

10 THE CHAIRPERSON: While you are
11 looking, Counsel, I did have a question of Sergeant
12 Camp.

13 You read earlier from your -- the
14 HR-2, the document at Tab 8 at page 24, entry called
15 the "Treaty Song." Now, that is not a post that we
16 came across when you were reviewing the website, so is
17 this one of the posts that had been deleted from the
18 time that you -- could you explain to he how you got
19 this and what happened to it?

20 MR. CAMP: Sure. First of all, the
21 Hate Crime Unit was new and this was our first internet
22 investigation. At the time of seeing this post on
23 WCFU, I just highlighted it and copied it and put it
24 onto the chronology of events that was occurring on the
25 website, which ultimately became this document.

1 When we took a picture of the site on
2 March 31st, the -- that post wasn't there. So I am
3 assuming someone -- it was deleted by the content
4 controller of the site.

5 THE CHAIRPERSON: So about when did
6 you take that copy?

7 MR. CAMP: That would have been --
8 well, it was March 18th, the day I saw it.

9 THE CHAIRPERSON: Thanks.

10 MR. VIGNA: I found the document,
11 Madam Chair. I am just looking it through.

12 Do you remember the date of the
13 arrest?

14 MR. CAMP: January 10th.

15 THE CHAIRPERSON: If Sergeant Camp
16 doesn't need to be using the computer anymore, perhaps
17 it would be more comfortable for the two of you if he
18 were to relocate to the table here. That way you
19 wouldn't be speaking to his back.

20 MR. VIGNA: Okay. I think my
21 colleague, Mr. Warman, will question him later on the
22 computer, but he can go there in the meantime.

23 Sergeant Camp, you can go back to the
24 witness chair.

25 MR. CAMP: Thank you.

1 MR. VIGNA: You will go back to the
2 computer. Just leave it open. Just briefly describe
3 the arrest and how it took place. Can you just give a
4 general overview of the arrest in B.C. of Mr. Bahr?

5 MR. CAMP: Well, we arrived at -- we
6 arrived at the residence of Glenn Bahr, knocked on his
7 door. He answered. Placed him under arrest,
8 transported him to the airport, escorted him onto the
9 R.C.M.P. plane. The plane flew from the -- sorry, from
10 Langley, we drove to Abottsford where the airport was,
11 I escorted him onto a plane and flew from Abottsford to
12 the Municipal Airport in Edmonton and then transported
13 him in a police marked unit to the Edmonton Police
14 Service headquarters, processed the paperwork and took
15 him and the paperwork down to Arrest Processing Unit to
16 speak to bail.

17 MR. VIGNA: I am practically
18 finished, Madam Chair. I am just reviewing my notes in
19 case I forgot something.

20 Just for purposes of clarity, the day
21 he shut down the website, at what point in time? Was
22 it at the search warrant or at the arrest?

23 MR. CAMP: That I shut down the
24 website?

25 MR. VIGNA: No, the website was shut

1 down.

2 MR. CAMP: Well, the search warrant
3 was conducted on 2004, May 7th and the website was shut
4 down on May 8th.

5 MR. VIGNA: Do you remember receiving
6 a phone call?

7 MR. CAMP: Yes, I do. I am just
8 trying to remember the date. It was either May 10th or
9 May 12th, 2004 when I received a phone call from Glenn
10 Bahr. Again, I am going by memory.

11 He phoned me at the Edmonton Police
12 Service Hate Crimes Unit and told me he was -- that he
13 had shut down the website, that the media got a hold of
14 the story. It wasn't him that leaked the story out,
15 that what he -- he didn't, again, know that the website
16 was breaching Section 319, but did take care of
17 shutting it down and that he wants to get on with his
18 life.

19 Again, I just want to iterate that
20 this was not a -- this was an unsolicited phone call
21 that came from him to me. I think there was some
22 conversation about if there was going to be a charge or
23 not.

24 That was -- I mean, those were the
25 general themes of the conversation.

1 MR. VIGNA: I would like you to refer
2 to Tab 2.

3 MR. CAMP: Tab 2?

4 MR. VIGNA: Do you recognize this
5 document, which is a photocopy of various documents,
6 and if so, what can you tell us about it?

7 MR. CAMP: This was the -- some of
8 the business cards in his wallet that I took a look at
9 after his arrest at the Edmonton Police Service
10 downtown headquarters.

11 There is a B.C. driver's licence,
12 which is the item to the left there that is blacked
13 out, and a few other pieces of -- or other business
14 cards, I guess.

15 MR. VIGNA: I would like to just file
16 this document, Madam Chair.

17 THE REGISTRAR: Business cards found
18 in Glenn Bahr's wallet after his arrest will be filed
19 as Commission Exhibit HR-20.

20 * EXHIBIT NO. HR-20: Business
21 cards found in Glenn Bahr's
22 wallet after his arrest

23 MR. VIGNA: We will terminate for
24 myself, Madam Chair. Mr. Warman will continue with the
25 aspect of the literature on the website. Mr. Camp will

1 eventually go back to the computer.

2 MR. CAMP: I don't think I have to go
3 back there for this.

4 *EXAMINATION BY MR. WARMAN

5 MR. WARMAN: Sergeant Camp, could I
6 please ask you to turn to page 25 of 32? That is at
7 Tab 8, HR-2.

8 MR. CAMP: Okay.

9 MR. WARMAN: Now, just before we
10 begin, if you look at the current page of the WCFU
11 website that is available there, if you look at the
12 left-hand side at the sort of mid-level there, do you
13 see a list of links there? Sorry, list of links to
14 individual portions of the website, starting with Home
15 and then Image Gallery?

16 MR. CAMP: Yeah, under Main Menu
17 there is a list of links to the website, Home, Image
18 Gallery, Alberta Chapter, Manitoba Chapter, et cetera.

19 MR. WARMAN: Thank you, sorry. The
20 fluorescent lighting makes it a little tough, but can
21 you tell me what the third from the bottom link is,
22 please?

23 MR. CAMP: Well, when you are on a
24 home page, if you go to the "downloads section," you
25 come up to a screen like you -- what you are looking at

1 right now, and from that screen, you would be able to
2 tap into portions of either the Third Reich, Postcards,
3 Literature, Jews, New Renaissance and pull up or what
4 would appear on the screen are portions of literature
5 that are available for download. By download that
6 would mean either by printing or copying to CD, I
7 guess.

8 So there is flyers and there is
9 literature. Now, if you look under "Third Reich,"
10 there is World War II postcards and they show as 13
11 files, and under "Literature" you will see "Jews" and
12 "New Renaissance," and on "Jews" there is two files and
13 "New Renaissance" for there is and under Western Canada
14 For Us, there's flyers and video, one flyer file and
15 two video files.

16 MR. WARMAN: At paragraph 30 on,
17 again, page 25 of your report, can you just tell me the
18 second of the documents that you downloaded from the
19 WCFU website, please, or that you viewed, that is
20 listed in that paragraph?

21 MR. CAMP: Yeah, under the "Third
22 Reich," and I am reading off the report here, you can
23 tap into -- sorry, a number of titles came up. One of
24 the titles was called "88 Precepts."

25 MR. WARMAN: And if you go further in

1 the paragraph, there is another title that is named
2 there.

3 MR. CAMP: Under the title
4 "Postcards"?

5 MR. WARMAN: In paragraph 30 starting
6 at "the novel is titled"? It is the third sentence --
7 third line from the bottom.

8 MR. CAMP: Third line from the
9 bottom. Oh.

10 MR. WARMAN: Can you just tell me
11 what the name of the work was?

12 MR. CAMP: The Turner Diaries.

13 MR. WARMAN: Thank you.

14 I will come back to that in a moment,
15 but can you also, please, go to paragraph 33, which is
16 located on page 26 of that same HR-2.

17 MR. CAMP: Right.

18 MR. WARMAN: And can you tell me what
19 other works you found that were available for download?

20 MR. CAMP: Under the section
21 "Literature," once you move the icon over there and tap
22 in, two choices come up under "Jews," and if you click
23 "Jews," two choices are presented, the "International
24 Jew" and "The Silent Jew."

25 MR. WARMAN: Thank you.

1 MR. CAMP: I have personally reviewed
2 both of these documents.

3 MR. WARMAN: Thank you.

4 Can you turn to paragraph 35, please,
5 of that same page, and can you tell me what works you
6 found available for download there?

7 MR. CAMP: Under "New Renaissance"
8 you could download and view "Mein Kampf" by Adolf
9 Hitler and "White Power" by George Lincoln Rockwell,
10 the founder of the American Nazi Party.

11 MR. WARMAN: And you personally
12 viewed all of the works you just discussed, having
13 downloaded them from the WCFU website; is that correct?

14 MR. CAMP: That is correct.

15 MR. WARMAN: Thank you.

16 I would ask you to turn to the
17 document, I believe you have it in front of you, that
18 starts with page 88, "The Black Plague."

19 MR. CAMP: Right.

20 MR. WARMAN: Madam Chair, we will
21 just hand out the exhibit now. It has been previously
22 disclosed as part of the CD ROM electronic disclosure
23 that was originally provided by the Commission.

24 MR. VIGNA: The diskette, just to be
25 more clear.

1 MR. WARMAN: Sorry.

2 Sergeant Camp, this document is
3 titled "The Black Plague." Can you tell me where this
4 is from?

5 MR. CAMP: "The Black Plague" is a
6 chapter of George Lincoln Rockwell's book called "White
7 Power."

8 MR. WARMAN: Is that the book in
9 paragraph 35 you just mentioned?

10 MR. CAMP: That is correct.

11 MR. WARMAN: Thank you.

12 Can you just read me the first
13 paragraph that you have listed there. Sorry, again,
14 you personally reviewed the materials in this
15 paragraph?

16 MR. CAMP: That is correct.

17 MR. WARMAN: Thank you.

18 Can you just read me the first
19 paragraph there?

20 MR. CAMP:

21 "There you have the
22 Jewish-Communist program in a
23 nutshell - the USE of the
24 backward, childish and savage
25 Negro race to destroy the White

1 Race, which stands between the
2 Jews and their mad goal of world
3 domination from Israel.

4 To make a mutiny - which is
5 what Communism is - you need
6 mobs of raging and savage
7 people. The Jews, compromising
8 only a fraction of one percent
9 of the world's people, are too
10 few to produce their own mobs,
11 and they are too unfond of
12 physical violence to provide any
13 large amount of their own
14 "muscle."

15 They need vast numbers of
16 peanut-brained, violent but
17 robot-like "troops." The Negro
18 race is perfect for the needs of
19 the Jews in fomenting their
20 mutiny. But before the blacks
21 can do the Jews can and Marxists
22 any good, they must first be
23 placed in position and
24 conditioned.

25 In Africa (and in the rural

1 south) the Blacks have neither
2 the means, the spirit nor the
3 tools to be of service to the
4 Jewish schemers."

5 MR. WARMAN: Sergeant Camp, can you
6 read the second paragraph that is listed there, please?

7 MR. CAMP:

8 American rebellion against Jew
9 tyranny, once it breaks loose, into CONSTRUCTIVE,
10 rather than purely destructive directions. If I am
11 successful, we can find a just solution to the Jewish
12 problem. If I am unsuccessful, there will be Jews
13 swinging from every lamp post in America.

14 MR. WARMAN: And you indicated
15 previously that this was written by an individual named
16 George Lincoln Rockwell who was the founder of the
17 American Nazi Party; is that correct?

18 MR. CAMP: That is correct.

19 MR. WARMAN: Madam Chair, I would
20 just like to tender this as an exhibit.

21 THE REGISTRAR: The three-page
22 document entitled "The Black Plague" will be filed as
23 Complainant Exhibit C-1.

24 * EXHIBIT NO. C-1: The three-page
25 extracts from book entitled "The

1 Black Plague"

2 MR. FROMM: We have only had the
3 first three quotations in any way identified. Are
4 these continuous quotations or are these a sentence
5 taken here or taken there? It really hasn't been very
6 clearly identified, at least in my mind.

7 THE CHAIRPERSON: Perhaps you can put
8 more questions to Sergeant Camp?

9 MR. WARMAN: Sergeant Camp, you have
10 identified that this was taken from the work "White
11 Power" by George Lincoln Rockwell that you personally
12 saw only the website; is that correct?

13 MR. CAMP: That is correct.

14 MR. WARMAN: And the book "White
15 Power," how would you describe its general contents,
16 having looked through the work?

17 MR. CAMP: It is an incredible piece
18 of anti-Semitism and racism. It is one of the -- what
19 is the word I can use? I think one of the highlights
20 of white supremacy as far as literature, by far, in its
21 violent content.

22 It is a relentless and ongoing book
23 that never stops or ceases to amaze anyone that reads
24 it in regards to its racist and anti-Semitic content.
25 It just goes on and on and on. It is one of the most

1 abhorrent pieces of literature I have ever seen.

2 MR. WARMAN: Madam Chair, if it is of
3 any assistance, we will be tendering the full
4 downloaded version of these documents pursuant to my
5 testimony as well.

6 THE CHAIRPERSON: Thank you, I
7 appreciate that.

8 I appreciate Mr. Fromm's concerns,
9 then, that it isn't possible from here, really, to get
10 a sense of what the whole of the text is and whether or
11 not we are able to satisfy Mr. Fromm that these might
12 be taken out of context. Certainly I would like to see
13 the larger documents as well.

14 MR. WARMAN: Yes, they are already,
15 in fact, included in our book of documents for my
16 testimony, so we will undertake to into introduce those
17 as well.

18 THE CHAIRPERSON: Thank you.

19 MR. WARMAN: Sergeant Camp, can you
20 identify at the top of the excerpt, just above "The
21 Black Plague" above the first paragraph, there is two
22 letters and a number there. Can you just --

23 MR. CAMP: Page 88?

24 MR. WARMAN: Just above the second
25 paragraph that you read.

1 MR. CAMP: Page 87 to page 88.

2 MR. WARMAN: Are those the page
3 numbers from the copy that you viewed from which these
4 excerpts were taken?

5 MR. CAMP: That is right. I took
6 excerpts from the -- when I viewed the entire copy, the
7 downloaded a copy of the literature and copied
8 highlights specifically for the criminal proceeding.

9 THE CHAIRPERSON: So this is a
10 document, Sergeant Camp, that you prepared by
11 extracting -- you prepared it yourself by extracting
12 pieces from this publication called "White Power"?

13 MR. CAMP: That is correct.

14 THE CHAIRPERSON: Okay.

15 MR. WARMAN: Madam Chair, does that
16 adequately identify the document for your concerns?

17 THE CHAIRPERSON: Yes, perhaps if we
18 identify it as extracts from publication called "White
19 Power."

20 MR. WARMAN: Thank you. Sergeant
21 Camp, I would like to take you to the next document,
22 which is entitled "The International Jew."

23 MR. CAMP: Right.

24 MR. WARMAN: Just wait a minute while
25 counsel for the Commission distributes the copies.

1 Sergeant Camp, can you identify this
2 document, please?

3 MR. CAMP: Again, similar to the
4 excerpts from "The Black Plague," I viewed the copies
5 of the downloaded portions of the "International Jew,"
6 perused the content and extracted, again, by cutting
7 and pasting onto this document, highlighted sections of
8 the document.

9 MR. WARMAN: And again, Madam Chair,
10 we will also be introducing the full electronic text of
11 this report as well, pursuant to my testimony.

12 MR. CAMP: Just to give you an
13 indication, you don't have to go too far to find it.
14 Like, you open the page and you are going to find it.
15 It is same with the "White Power" book by George
16 Lincoln Rockwell. Pick a page, it will be there. It
17 is not something you have to look very hard for as far
18 as the content.

19 THE CHAIRPERSON: And so the full
20 text of these documents is available in the diskette
21 that was provided earlier as HR-8; is that correct?

22 MR. VIGNA: No, that is not correct.
23 There will be another diskette that will be produced
24 through Richard Warman. We have the diskette for that
25 and it is going to be produced through Mr. Richard

1 Warman. That is where all the literature will be
2 because we got it through Mr. Warman, and Sergeant Camp
3 had viewed the literature at that time, but not the one
4 that actually made the CD ROM. So there will be
5 another CD ROM with all these excerpts.

6 MR. CAMP: If I could add to that as
7 well. When I had asked our Technological Crimes
8 Section to take a picture of the file, I assumed that
9 would include the downloads that were there.

10 After the pictures were taken, I
11 found out that they were able to take a mirror picture
12 of the surface of the file but weren't able to get into
13 the -- or they could have gone in but they didn't think
14 they needed to go into the titles, the "Jews" where you
15 find the content or the pieces of literature there, so
16 they didn't do it for me.

17 I assumed that that would be there,
18 but it wasn't, so we are talking about downloads taken
19 from the website from Richard Warman. However, I can
20 say that I actually at the time of their -- of the
21 WCFU's inception that I did view the documents there as
22 well on that website.

23 THE CHAIRPERSON: Okay.

24 MR. CAMP: Through those links that
25 we were just showing.

1 THE CHAIRPERSON: Okay. Thank you.

2 MR. WARMAN: Mr. Camp, at the top
3 there is -- it indicates the author. Can you tell me
4 who the author of this work is, please?

5 MR. CAMP: Henry Ford.

6 MR. WARMAN: Thank you. Madam Chair,
7 I would like to tender this as an exhibit.

8 THE REGISTRAR: Would you like to
9 describe the exhibit?

10 MR. WARMAN: Excerpts from "The
11 International Jew" by Henry Ford.

12 THE REGISTRAR: The document as
13 described will be filed as complainant Exhibit C-2.

14 * EXHIBIT NO. C-2: Excerpts from
15 "The International Jew" by Henry
16 Ford

17 MR. WARMAN: Mr. Camp, this is a
18 fairly extensive collection of excerpts. I won't take
19 you through all of them. I would just like to take you
20 to a few sections of it. On the third page it says --
21 in the middle it says page 8, paragraph 3.

22 MR. CAMP: Right.

23 MR. WARMAN: Can you just read that
24 section, please?

25 MR. CAMP:

1 "Very early in the Jewish story
2 we discovered the tendency of
3 Israel to be a master nation,
4 with other nations as its
5 vassals."

6 MR. WARMAN: Thank you. Can I take
7 you two further pages to page 10, paragraph 3, please.

8 MR. CAMP:

9 "Unfortunately the element of
10 race, which so easily lends
11 itself to misinterpretation as
12 racial prejudice, is injected
13 into the question but the mere
14 fact that the chain of
15 international finance as it is
16 traced around the world
17 discloses at every link a Jewish
18 capitalist, a financial family,
19 or a Jewish-controlled banking
20 system."

21 MR. WARMAN: Can you continue just
22 with the next paragraph, please?

23 MR. CAMP:

24 "One of the burdens the Jews
25 have had to bear as a race is

1 this burden of racial
2 unpopularity. Even in modern
3 times, in civilized countries,
4 in conditions which render
5 persecution absolutely
6 impossible, this unpopularity
7 exists. And what is more, the
8 Jew has not seemed to care to
9 cultivate the friendship of the
10 Gentile masses, due perhaps to
11 the failures of experience, but
12 due more likely to his inborn
13 persuasion that he belongs to a
14 superior race."

15 MR. WARMAN: Thank you.

16 Could I take you two further pages
17 to -- at the very top it states page 15 bottom and then
18 the fourth line down it begins "the principal
19 Jewish..."

20 MR. CAMP:

21 "The principal Jewish influences
22 which are charged with bringing
23 about the downfall of German
24 order may be named under three
25 heads: (a) the spirit of

1 Bolshevism, which masqueraded
2 under the name of German
3 Socialism; (b) Jewish ownership
4 and control of the Press; (c)
5 Jewish control of the food
6 supply and the industrial
7 machinery of the country."

8 MR. WARMAN: Thank you.

9 Mr. Camp, can I take you four pages
10 further, it states "page 24, para 1" and I note that
11 all of the excerpts are in ascending order. So if I
12 somehow mistake the page, then we can find it that way.

13 Can you please read the paragraph
14 that's underneath page 24, para 1, please, and
15 paragraph 2 as well?

16 MR. CAMP:

17 "There is always difference in
18 the world between an American
19 Jew and a Jewish American. A
20 Jewish American is a mere
21 amateur Gentile, doomed to be a
22 parasite forever.

23 The ghetto is not an
24 American product but the Jews'
25 own importation."

1 MR. WARMAN: Thank you.

2 Can I take you to page 619, para 6.
3 Sorry, I don't know the exact number of pages. It is
4 about ten pages or so. So at the middle of the page,
5 page 619, para 6, could I get you to read from "the
6 Jewish" down to "processes," please.

7 MR. CAMP:

8 "The Jewish expectation of World
9 Rule is, of course, absurd,
10 although the mass of Jews
11 sincerely hold it. Their
12 condemnation is that they regard
13 every degeneracy in society as
14 bringing them a step nearer
15 their goal, which explains the
16 great assistance they give to
17 all degenerative processes."

18 MR. WARMAN: Thank you, Sergeant
19 Camp. I would like to finish with that particular
20 work.

21 Can I please take you to the next
22 document, which will be distributed which is entitled
23 "Highlights of the Turner Diaries."

24 Sergeant Camp, can you just describe
25 what this is, please?

1 MR. CAMP: Again, from the copies of
2 the downloads which I reviewed, I extracted by cutting
3 and pasting highlights of a book written by since
4 deceased William Pierce, which was the head of the
5 National Alliance, under the pen name of Alexander
6 MacDonald, a book called the "Turner Diaries."

7 The book is a fictional novel about a
8 person by the name of Earl Turner who is, in the
9 context of world history, the leader of a revolutionary
10 force that is fighting back because of the Jewish
11 domination of the world and leading an Aryan rebellion
12 to fight back to bring the Aryan nation of the whites
13 back up to their -- away from their subservient role,
14 away from the Jews and the blacks and that they belong
15 to a revolutionary group called the Order.

16 MR. WARMAN: Madam Chair, I would
17 just like to tender this document as an exhibit,
18 please, entitled "Highlights Or Excerpts From the
19 Turner Diaries."

20 THE REGISTRAR: The document as
21 described will be filed as Complainant Exhibit C-3.

22 * EXHIBIT NO. C-3: Highlights Or
23 Excerpts From the Turner Diaries

24 MR. WARMAN: Sergeant Camp, you
25 previously indicated that this work was prohibited from

1 importation into Canada by Canada Customs as hate
2 propaganda; is that correct?

3 MR. CAMP: That is correct.

4 MR. WARMAN: Sergeant Camp, could I
5 direct you to the bottom of the first page that
6 indicates page 25, and could I just have you please
7 read that paragraph until you reach "civilizations."

8 MR. CAMP:

9 "After the police released them,
10 George gave her some books on
11 race and history and some
12 Organization publications to
13 read."

14 MR. WARMAN: Could I just stop you
15 there. And the Organization is what again?

16 MR. CAMP: It is called the Order.

17 MR. WARMAN: And what is its purpose
18 in the context of the story?

19 MR. CAMP: The Order is a -- I guess
20 a revolutionary group or a group of rebels that, again,
21 are fighting the rebel warfare against the world that
22 is currently dominated by the Jews.

23 MR. WARMAN: Thank you. Can you
24 continue reading, please?

25 MR. CAMP:

1 "For the first time in her life
2 she began thinking seriously
3 about the important racial,
4 social and political issues at
5 the root of the day's problems.
6 She learned the truth about the
7 System's 'equality' hoax. She
8 gained an understanding of the
9 unique historical role of the
10 Jews as the ferment of
11 decomposition of races and
12 civilizations."

13 MR. WARMAN: Thank you.

14 Can I take you to the next page,
15 please, indicating and, again, these are all in
16 consecutive order, indicating page 29, please?

17 MR. CAMP:

18 "Indeed, we are already slaves.
19 We have allowed a diabolically
20 clever, alien minority to put
21 chains on our souls and our
22 minds. The spiritual chains are
23 a truer mark of slavery than the
24 iron chains which are yet to
25 come. Why didn't we rebel 35

1 years ago, when they took our
2 schools away from us and began
3 converting them into racially
4 mixed jungles? Why didn't we
5 throw them all out of the
6 country 50 years ago, instead of
7 letting them use as cannon
8 fodder in their way to subjugate
9 Europe.

10 More to the point, why
11 didn't we rise up three years
12 ago, when they started taking
13 our guns away? Why didn't we
14 rise up in righteous fury and
15 drag these arrogant aliens into
16 the streets and cut their
17 throats then? Why didn't we
18 roast them over bonfires at
19 every street-corner in America?
20 Why didn't we make a final end
21 to this obnoxious and eternally
22 pushy clan, this pestilence from
23 the sewers of the East, instead
24 of meekly allowing ourselves to
25 be disarmed?"

1 MR. WARMAN: Sergeant Camp, who do
2 you understand this paragraph to be referring to?

3 MR. CAMP: The Jews.

4 MR. WARMAN: Thank you.

5 Can you proceed four pages to page
6 154, please?

7 MR. CAMP: Okay.

8 MR. WARMAN: Can you just wait before
9 you start reading to make sure that everyone has it.
10 Thank you.

11 MR. CAMP:

12 "Katherine said nothing to the
13 Black, but the icy look she gave
14 him apparently injured his sense
15 of 'human dignity.' He began
16 the whining, 'what's a matter,
17 baby, don' you like Black
18 people?' approach that Blacks
19 have found works wonders with
20 guilt-ridden liberal White girls
21 who are desperately afraid of
22 being considered 'racists' if
23 they reject the unwelcome
24 advances of rutting Black
25 bucks."

1 MR. WARMAN: Thank you.

2 Can I get you to move forward two
3 pages to page 52, please?

4 THE CHAIRPERSON: Sorry, which page?

5 MR. WARMAN: Page 52.

6 MR. CAMP:

7 "An hour earlier, in New York,
8 the Organization used a bazooka
9 to shoot down on airliner which
10 had just taken off for Tel Aviv
11 with a load of vacationing
12 dignitaries, mostly Jews. There
13 were no survivors. (Note to the
14 reader: A 'bazooka' was a
15 portable launcher for small
16 rockets, and used primarily as
17 an infantry weapon against
18 armoured vehicles during World
19 War II, 60-54 BNE, and already
20 obsolete by 8 BNE..."

21 THE CHAIRPERSON: Excuse me. I am
22 just noticing that this is identified here as page 52,
23 but if we are going sequentially it should be,
24 actually, 152, I would think, otherwise it is going
25 from 124. Just when I look for it in the text I want

1 to know where to look. It goes from 124 to 52 to 158.

2 MR. CAMP: That might be a typo on my
3 part.

4 THE CHAIRPERSON: Probably a typo. I
5 just want to be able to find it when I am comparing it
6 to the larger text.

7 MR. WARMAN: Could you just continue,
8 sorry, to the end of the brackets there, please?
9 Continuing beginning "Tel Aviv was the..."

10 MR. CAMP:

11 "...Tel Aviv was the largest
12 city in Palestine during the
13 period of Jewish occupation of
14 that unfortunate country in the
15 Old Era. The ruins of the city
16 are still too radioactive for
17 human habitation.)"

18 MR. WARMAN: Sergeant Camp, having
19 read the work, why do you understand that the ruins of
20 Tel Aviv are still too radioactive for human
21 habitation? What would have caused it?

22 MR. CAMP: I am just referring back
23 to the content of the story. As far as I remember, Tel
24 Aviv was bombed, nuclear bomb. I think that was it, it
25 was a nuclear bomb that landed on Tel-Aviv.

1 MR. WARMAN: Thank you.

2 Who do you understand to be
3 responsible for committing that act?

4 MR. CAMP: The Jews.

5 MR. WARMAN: Sorry, committing the
6 act in terms of having bombed Tel Aviv with the nuclear
7 device in the context of this story?

8 MR. CAMP: I probably have to refer
9 to that portion. I can't remember at this point.

10 MR. WARMAN: Can I just take you to
11 page 166, please. It is two pages thereafter that.

12 MR. CAMP: Page number again?

13 MR. WARMAN: 166.

14 MR. CAMP:

15 "The Organization's growing
16 success was not without its
17 setbacks, of course."

18 MR. WARMAN: Sorry, the second -- the
19 166 at the bottom, please.

20 MR. CAMP: Okay.

21 "Then, of course, came the
22 mopping-up period when the last
23 of the non-White bands were
24 hunted down and exterminated,
25 followed by the final purge of

1 undesirable racial elements
2 among the remaining White
3 population.

4 MR. WARMAN: Thank you.

5 Can you turn to the next page,
6 please, at the bottom, page 130.

7 MR. CAMP: This chapter on page 130
8 is called "The Day of the Rope."

9 MR. WARMAN: Sorry, Sergeant Camp,
10 just because it is fairly, call it important or call it
11 what you will, can you please describe to me what you
12 understand Day of the Rope to be?

13 MR. CAMP: Again, it was a -- the
14 Order was a guerilla la -- involved in guerilla
15 warfare, and at this point in the war, whites started
16 to revolt back and kill the black population by hanging
17 them --

18 MR. WARMAN: Thank you.

19 MR. CAMP: -- on lampposts throughout
20 the city.

21 MR. WARMAN: Perhaps we can continue.
22 It is a little extensive, but it is the last quote. So
23 could I just ask you to read the next two pages or so
24 until I stop you, please.

25 MR. CAMP: Starting on page.

1 MR. WARMAN: Starting on page 138,
2 "The Day of the Rope."

3 MR. CAMP: Starting on page -- okay.
4 "August 1st, 1993. Today has
5 been the Day of the Rope -- a
6 grim and bloody day, but
7 unavoidable one. Tonight, for
8 the first time in weeks, it is
9 quiet and totally peaceful
10 throughout all of southern
11 California. But the night is
12 filled with the silent horrors;
13 from tens of thousands of
14 lampposts, power poles, and
15 trees throughout this vast
16 metropolitan area the grisly
17 forms hang.

18 In the lighted areas, one
19 sees them everywhere. Even the
20 street signs at intersections
21 have been pressed into service,
22 and at practically every street
23 corner I passed this evening on
24 the way to HQ there was a
25 dangling corpse, four at every

1 intersection. Hanging from a
2 single overpass only about a
3 mile from here is a group of
4 about 30, each with an identical
5 placard around its neck bearing
6 the printed legend, 'I betrayed
7 my race.' Two or three of that
8 group had been decked out in
9 academic robes before they were
10 strung up, and the whole batch
11 are apparently faculty members
12 from the nearby UCLA campus."

13 I will expand on that. They have
14 often quoted what they would consider race traitors, so
15 they hung race traitors.

16 MR. WARMAN: Sergeant Camp, sorry,
17 just in order to have our lexicon straight, can you
18 describe what a race traitor is?

19 MR. CAMP: For example, a white
20 female that marries a black man would be considered by
21 white supremacists and neo-Nazis as a race traitor.

22 MR. WARMAN: Thank you.

23 Please continue. Just to summarize,
24 would it be fair to say that people who engage in
25 miscegenation, mixing of other racers, whites who

1 engage miscegenation would be considered race traitors?

2 MR. CAMP: Yes.

3 MR. WARMAN: Thank you.

4 MR. CAMP:

5 "In the areas to which we have
6 not yet restored electrical
7 power the corpses are less
8 visible, but the feeling of
9 horror in the air there is even
10 worse than in the lighted areas.
11 I had to walk through a
12 two-block-long, unlighted
13 residential section between HQ
14 and my living quarters after our
15 unit meeting tonight. In the
16 middle of one of the unlighted
17 blocks I saw what happened to be
18 a person standing on the
19 sidewalk directly in front of
20 me. As I approached the silent
21 figure, whose features were
22 hidden in the shadow of a large
23 tree overhanging the sidewalk,
24 it remained motionless, blocking
25 my way.

1 Feeling some apprehension, I
2 slipped my pistol out of its
3 holster. Then, when I was
4 within a dozen feet of the
5 figure, which had been facing
6 away from me, it began turning
7 slowly toward me. There was
8 something indescribably eerie
9 about the movement, and I
10 stopped in my tracks as the
11 figure continued to turn. A
12 slight breeze rustled the
13 foliage overhead, and suddenly a
14 beam of moonlight broke through
15 the leaves and fell directly on
16 the silently turning shape
17 before me.

18 The first thing I saw in
19 moonlight was the placard with
20 its legend in large, block
21 letters: 'I defiled my race.'
22 Above the placard leered the
23 horribly bloated, purplish face
24 of a young woman, her eyes wide
25 open and bulging, her mouth

1 agape.

2 Finally I could make out the
3 thin, vertical line of rope
4 disappearing into the branches
5 above. Apparently the rope had
6 slipped a bit or the branch to
7 which it was tied had sagged,
8 until the woman's feet were
9 resting on the pavement, giving
10 the uncanny appearance of a
11 corpse standing upright of its
12 own volition.

13 I shuddered and quickly went
14 on my way. There are many
15 thousands of hanging female
16 corporations like that in this
17 city tonight, all wearing
18 identical placards around their
19 necks. They are the White women
20 who were married to or living
21 the Blacks, with Jews or with
22 other non-White males.

23 There are also a number of
24 men wearing the
25 I-defiled-my-race placard, but

1 the women easily outnumber them
2 seven or eight to one. On the
3 other hand, about ninety percent
4 of the corpses with the
5 I-betrayed-my-race placards are
6 men, and overall the sexes seem
7 to be roughly balanced.

8 Those wearing the latter
9 placards are the politicians,
10 the lawyers, the businessmen,
11 the TV newscasters, the
12 newspaper reporters and editors,
13 the judges, the teachers, the
14 school officials, the 'civic
15 leaders,' the bureaucrats, the
16 preachers, and all the others
17 who, for reasons of career or
18 status or votes or whatever,
19 helped promote or implement the
20 System's racial program.

21 The system has already paid
22 them for their 30 pieces of
23 silver. Today we paid them. It
24 started at three o'clock this
25 morning. Yesterday was an

1 especially bad day of rioting
2 with the Jews using
3 transistorized megaphones to
4 whip up the crowds and egg them
5 into throwing stones and bottles
6 at our troops.

7 They were chanting 'racism
8 must go' and 'equality forever'
9 and other slogans the Jews had
10 taught them. It reminded me of
11 the mass demonstrations of the
12 Vietnam era. The Jews have a
13 knack for things like that."

14 Page 131:

15 "The Whites, on the other hand,
16 were, in nearly all cases,
17 hanged on the spot. One of the
18 two types of pre-printed
19 placards was hung on the
20 victims' chest, his hands were
21 quickly taped behind his back, a
22 rope was thrown over a
23 convenient limb or signpost with
24 the other end knotted around his
25 neck, and he was then hauled

1 clear of the ground without
2 further ado and left dancing on
3 air while the soldiers went to
4 the next name on their list.

5 The hangings and the
6 formation of the death columns
7 went on for about 10 hours
8 without interruption. When the
9 troops finished their grim work
10 early this afternoon and began
11 returning to the barracks, the
12 Los Angeles area was utterly and
13 completely pacified. The
14 residents of neighbourhoods in
15 which we could venture safely
16 only in a tank yesterday were
17 trembling behind closed doors
18 today, afraid to be seen peering
19 through the crack in drawn
20 drapes.

21 Throughout the morning there
22 was no organized or large-scale
23 opposition to our troops, and by
24 this afternoon even the desire
25 for opposition had evaporated.

1 I and my men were in the thick
2 of things all day, mostly
3 handling logistics. When the
4 execution squads began running
5 out of rope, we stripped several
6 miles of wire from power poles
7 to use in its place. We also
8 rounded up hundreds of ladders."

9 MR. WARMAN: Thank you.

10 Sergeant Camp, that excerpt that you
11 have just read and the other material that you read
12 from the "Turner Diaries" and having looked at the work
13 in its entirety, in your experience as a hate crimes
14 officer and your knowledge of similar material, how
15 would you describe the "Turner Diaries" in terms of
16 severity of its hate propoganda?

17 MR. CAMP: Well, as a criminal
18 investigator, it would, in my opinion would be
19 breaching Section 319(2) of the Criminal Code for the
20 willful promotion of hatred.

21 MR. WARMAN: And in terms of in
22 general, in terms of the hate propoganda that you have
23 viewed from, say, the least discriminatory to the most
24 discriminatory, how would you describe this work?

25 MR. CAMP: On a scale of 1 to 10?

1 MR. WARMAN: Sure.

2 MR. CAMP: I would give it a 10, but
3 since it is a fictional account, I will give it a 9.5,
4 basically because not only of its racism and
5 anti-Semitic views but its violence.

6 MR. WARMAN: Sergeant Camp, is it
7 your opinion that this work could be construed as an
8 exhortation or an encouragement of others to engage in
9 the same kind of conduct?

10 MR. CAMP: I think a book like the
11 "Turner Diaries," if it is marketed right, could be
12 utilized to enhance and propagate hatred in a society.
13 Though it is a fictional account, it does feed fuel to
14 the fire.

15 MR. WARMAN: Thank you.

16 Madam Chair, if I could just have one
17 moment to confer with my colleague to ensure that there
18 is nothing further?

19 Sergeant Camp, can I just refer you
20 to HR-11, which is the pictures of the material that
21 was seized from Mr. Bahr's residence, please?

22 MR. CAMP: Right.

23 MR. WARMAN: Can I please ask you to
24 turn to page 17. Actually, sorry, can I get you to
25 turn to page 15 first, please?

1 MR. CAMP: Okay.

2 THE CHAIRPERSON: I haven't actually
3 numbered my pages. Could you just show me what page it
4 is?

5 MR. WARMAN: Certainly. Sorry.

6 THE CHAIRPERSON: Okay. Thank you.

7 MR. WARMAN: Sergeant Camp, can you
8 indicate to me what book there is located on the top
9 left corner of page 15, please.

10 MR. CAMP: It is the book "White
11 Power" by George Lincoln Rockwell.

12 MR. WARMAN: Sergeant Camp, could I
13 get you to turn two pages further, please?

14 MR. CAMP: It is the novel the
15 "Turner Diaries" by the penned Andrew MacDonald.

16 MR. WARMAN: And these are the same
17 works that you found for available for download on the
18 WCFU website as well?

19 MR. CAMP: That is correct.

20 MR. WARMAN: Thank you, Sergeant
21 Camp.

22 Barring any questions from
23 co-counsel, counsel for the Commission, I have no
24 further questions.

25 THE CHAIRPERSON: Thank you. I think

1 we will adjourn for the day. Mr. Fromm, your
2 cross-examination will start at 9:30 tomorrow morning.

3 MR. FROMM: I would just like to
4 serve notice, pursuant to the Tribunal's Rules, on
5 Mr. Warman and Mr. Vigna that I will be making a motion
6 tomorrow morning asking the Chair to recuse herself on
7 a reasonable apprehension of bias.

8 THE CHAIRPERSON: Thank you.

9 All right. I will see you in the
10 morning.

11 --- Whereupon the hearing adjourned at 5:00 p.m.,
12 to resume on Thursday, May 25, 2006
13 at 9:30 a.m.
